MRS. FULLER MADE STRONG

Lydia E. Pinkham's Vegetable Compound Helped when Other Medicines Failed

Walpole, N. H.—"I have used Lydia E. Pinkham's Vegetable Compound and find it has improved my health wonderfully. For months and months I was not regular and had terrible pains. They used to affect my side so I could not work. I read of others being helped by the Vegetable Compound, so I thought it might help me. I am very much better now, strong enough to do my own housework, and have two dear babies to care for besides. I tried other medicines before taking the Vegetable Compound, but I never treated for my troubles. I speak highly of the Vegetable Compound to my friends and recommend it to any woman for rundown and nervous condition."—Mrs. T. H. FULLER, Walpole, New Hampshire.

Over 200,000 women have so far replied to our question. "Have you received benefit from taking Lydia E. Pinkham's Vegetable Compound?" 88 out of every 100 of the replies say "Yes," and because the Vegetable Compound has been helping other women it should help you.
