

IRISH UNEASY OVER CRISIS ON BOUNDARY ISSUE

London, Dec. 1.—(A. P.)—While conferences on the Irish boundary situation continue here between Premier Baldwin and representatives of the northern and southern government in Ireland, there apparently is a certain amount of unrest in Ireland itself.

Advices from Belfast say that the British government has suspended the giving of leave of absence to the troops in Ulster and that the sixth battalion of the Free State army is proceeding to camp near the Donegal-Fermanagh border.

At Ennis yesterday Eamonn De Valera, leader of the republicans, in an address declared that the future of the people of Ireland would depend on how they acted at present as a nation on the boundary issue. He charged bad faith against former Premier Lloyd-George, Winston Spencer Churchill and Lord Birkenhead and said that during the Anglo-Irish treaty debates, the question of rectification of the Irish boundary was never heard of. The "specious" phrase, "rectification of the boundary" was heard of only when a section of the Irish people had been so committed to the treaty as to make it impossible for them to retreat. Mr. De Valera added that he hoped the country would get no worse partition than the treaty gave.

WINTER COLDS

In the winter, winter colds are very prevalent. If your resistance is up to par you will throw these colds off easily, but if you are suffering from nerve pressure and neglect yourself the colds will readily develop into something more serious. Keep your spine in good condition. Ask for a Neurocalometer reading; this instrument will at once locate the pressure. Have the pressure as indicated by the Neurocalometer reading at once eliminated by Chiropractic Adjustments, given with the bare hands alone. This is the best and easiest way to be free from colds during the coming winter, and if the cold has already attacked you, a few adjustments will relieve the nerve pressure, and the cause being eliminated, the effect (cold) will disappear.

Neurocalometer Readings by Appointment Only.

New York, Dec. 1.—(A. P.)—The body of George Nye Jr., 19, with his head crushed and wrapped in heavy burlap bags, was found today under a bed in his home by 16-year-old Margaret Pirie upon her return from a visit with relatives. Gordon Pirie, her brother, a friend of Nye, is being

BACKACHE GIVEN QUICK RELIEF

Tried simple home treatment and pain stops

An aching back is often the result of tired, over-strained muscles, and can be given quick and complete relief with a very simple home treatment.

"I had such a backache I didn't know what to do," writes a New York woman. "I looked through my medicine cabinet to see if I could find something to help me—and there was a bottle of Sloan's Liniment. I used it, and in half an hour I was better. The next day I went to a big engagement party. Now, when anyone has a pain, I say 'use Sloan's.'"

The marvelous effectiveness of Sloan's is due to the stimulating effect that it has upon the circulation. Straight to the sick, aching tissues, it sends a healing tide of fresh new blood—clears out the trouble—kills the pain.

So pleasant and clean to use, too. You don't even have to rub. Just put it on gently and you will get immediate results. All druggists—35 cents

Police reported Nye's head had been crushed, probably with a bottle and that a rope had been tied tightly about his throat. Neighbors reported that they were seen last together Saturday night.
