

M'KENZIE MADE COMMANDER OF CAPITAL POST

By unanimous vote, Victor MacKenzie was last night elected commander of Capital post, No. 9 of the American Legion. Brainerd Small, the only other candidate for the office, withdrew from the contest, giving as his reason the fact that his present position of justice of the peace takes up too much of his time to permit giving the necessary attention to an office in the local post. It was found that the constitution under which the American Legion operates prohibits a man who occupies an elective public office from holding, at the same time, an elective office in the American Legion.

Other officers elected last night were: L. W. Lewis, vice commander; Karl Hingor, adjutant; Frank Durbin, chaplain; Lyle Dunsmore, historian; Jacob Fuhrer, finance officer; Donagan Wiggins, quartermaster; and Breyman Bolse, sergeant at arms.

Upon his election MacKenzie made a short speech. "The only way I can get by is for you fellows to give me 100 per cent cooperation," he said, "and I know I'm going to get that cooperation."

The new executive committee was selected as follows: Dr. W. Carlton Smith, Biddle Bishop, Fred Lamport, George Griffith and Clifford Brown. George Griffith, former state commander of the legion, and Clifford Brown, who last night passed out of office as commander of the local post, were both nominated from the floor. All other nominations for the executive committee and for officers were made by a nomi-

TAXPAYERS PASS ON CITY SCHOOL BUDGET TONIGHT

The annual meeting of Salem taxpayers with the Salem school board, to pass final judgment on this year's school budget, will take place tonight.

The bill for nearly \$1000 for electrical work done on school buildings during the summer, as authorized by the underwriters' inspection, has been withheld from presentation, but must be paid some time during the year. There is no fund of any kind from which money can be spared to pay the bill.

With receipts from high school tuition less than last year's receipts, and income from the state school fund less than that of a year ago, little expectation is held but that the close of the current school year will see a deficit in the school treasury.

Two members of the Dallas post of the legion, W. H. Himes, commander, and Carl Fenton Post, adjutant, were present at the meeting here last night and made short speeches.

Plans were announced for a membership drive which the local post is to stage in the near future.

Has learned quick sure way to treat exposure rashes

Grandmother Knew

There Was Nothing So Good for Congestion and Colds as Mustard. But the old-fashioned mustard plaster burned and blistered. Get the relief and help that mustard plasters gave, without the plaster and without the blister.

Musterole does it. It is a clean, white ointment, made with oil of mustard. Gently rub it in. See how quickly the pain disappears. The Musterole for sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frost-bitten feet, colds of the chest (it may prevent pneumonia).

ACHING BACK AND LEGS GIVEN QUICK RELIEF

Policeman tells how to get rid of aches after exposure to wet and cold

A policeman, who has been a member of the Philadelphia police department for twenty-six years, writes that he has found a way to get rid quickly of the aches and stiffness caused by over-exercise and exposure. "I do a lot of walking and am exposed to all kinds of weather," he says. "When all other remedies fail, Sloan's Liniment gives me relief for pains in the back and legs." (Name and address of writer on request.) Sloan's gets results because it doesn't just deaden the pain—it gets at the cause.

Just pat it on lightly, without rubbing. Right to the place that hurts, it sends a healing tide of fresh, new blood. Stiff muscles limber up, the aching stops, and you are as fit as ever in no time. Get a bottle today and have it on hand. All druggists—86c.
