PLANS ARE LAID FOR COMMUNITY CHEST CAMPAIGN

Silverton, Ore., Dec. 10.—Five children have so far been discovered in the Silverton community who will have to be given their education at their homes because of conditions of their health, was the report of the committee in charge of this work at the regular meeting of the Community Council on Tuesday evening.

It was also decided that the community chest should take care of all organizations such as the girl and boy scouts, the YMCA, so that but one drive for funds will be necessary. It is understood that the organization represented in the council, and this includes all organizations in the community, will not support other drives within the city. All organizations are to estimate their needs and hand in their budgets to the committee before Dec. 25th. The budget committee will then make their plans and begin the drive for funds by the second Monday in January. The organizations are to give a detailed statement of how much and why they need funds. The council budget finance committee will then purport out the funds to the various organizations that usually have drives at Silverton.

Mrs. C. Koenig was elected as delegate to the county council.

XMAS SEAL SALE BEST FOR YEARS

Woodburn, Dec. 10.—Members of the Women's club are highly pleased with the response to the annual Christmas seal sale this year and with several weeks yet before Christmas the goal of 100 has nearly been reached. The sale this year is better than those in previous years, according to Mrs. Eugene Mosherberger, president.

While Woodburn's quota has always been set at \$200, this amount is held excessive for the community which has practically no payroll industries. Because of this the club has set \$100 as the goal and is satisfied if this amount can be reached. It is believed that the amount decided upon by the Women's club will be surpassed for the first time this year. A report upon the sale will be made at the next meeting of the club, the first Wednesday in January.

HIGHWAY BRIDGE IS OPENED TODAY

State Highway Engineer Roy Klein announces that the new \$299,000 bridge over the Willamette river at Harrisburg will be opened to traffic today. The bridge is the last Willamette river bridge unit on the Pacific highway and will take the place of the Harrisburg ferry that has been in use for years.

Construction of the bridge has been under way for the last 18 months. The bridge has three 180-foot spans, making the total length 540 feet, but with the addition of approach construction the length stretches out to 1600 feet. The bridge is of concrete and steel.

The new bridge is expected to increase traffic over the east side route of the Pacific highway.

FEDERATION OF POLK CLUBS MEETS DEC. 22

Dallas, Ore., Dec. 10.—The December meeting of the Polk County Federated clubs will be held in the chamber of commerce rooms in Dallas on Tuesday, December 22, according to announcement of Mrs. Winnie Braden, secretary.

The federation has been active since its organization last spring. The coming meeting will be the last of the old membership and practically all organizations affiliated in it will be holding elections by January 1 and members are chosen at that time to represent each club in the federation.

RETURNS TO CALIFORNIA

Woodburn, Ore., Dec. 10.—John Skiller, who has been visiting his son, Charles Skiller, for the past few weeks, left Tuesday for his home in Los Angeles. Mr. Skiller recently visited in La Grande and has spent the greater portion of his life in the northwest, chiefly Washington. He has been making his home in California for the past 12 years. Mr. Skiller is hale and hearty and anticipated a pleasant trip south. He will soon celebrate his 51st birthday.

Fine For Lumbago

Misterole drives pain away and brings delicious, soothing comfort. Just rub it in gently. It is a clean, white ointment, made with oil of mustard. It will not blister like the old-fashioned mustard plaster.

42nd Anniversary Of Mt. Angel College Founding Observed

Woodburn, Ore., Dec. 10.—Weeks of anticipation were realized at the high school last night with the annual banquet to the entire football squad who invited their girl friends as guests. The dinner was served in the domestic science room at 9:30 o'clock under the direction of Mrs. R. Gules, assisted by girls in the department.

D. R. Rarcy, coach, presided as toastmaster, with Dr. Gerald Smith and F. E. Fagan, principal of the high school, the speakers of the evening. Members of the football squad were represented by Lester Kaufman, captain, Harold McKinnis, Harry Snyder and Earl Frum. Lillian Olson and Louise Shroy were the only girls on the program while Jess and Curtis Deets and Frank Sundberg offered a special stunt. Singing of high school songs completed the program.

Members of the squad present were L. Kaufman, H. McKinnis, J. Deets, F. Sundberg, H. Snyder, G. Van Cleave, J. Frum and R. Carothers, all of whom played last year and who will be awarded certificates this year. H. Van Cleave, E. Frum, M. Weaver, C. Allen and W. Bombhoff, all of who won athletic letters this year, and C. Martin, E. Klump, R. Scott, F. Maricle, A. Brockman, C. Hudlison, L. Norton, J. Moschel, J. Steinhilber, A. Noblit, F. Butterfield and E. Cone.

Football awards, both letters and certificates, will be made at a special meeting of the student body Friday.

WOODBURN GUARDSMEN TO PLAY BASKETBALL

Woodburn, Ore., Dec. 10.—Basketball is demanding attention of the Howitzer company, 186th infantry, and old men are back in the lineup this year. Prospects for a good season are bright according to Lieutenant E. T. Sims, who has charge of the players. The old men back in suits are Moore and David, guards. Hamaaka, forward. Some good material is turning out for practice at the armory.

Games will be arranged with other national guard teams and Legion posts. Tentative games have already been obtained with the Lebanon and a Portland national guard quintet.

BEE KEEPERS TO MEET AT DALLAS SATURDAY

Dallas, Ore., Dec. 10.—The recently organized Polk County Bee Keepers association will hold its first regular meeting Saturday, December 12, in the chamber of commerce rooms at Dallas at 2 p. m. The county court has requested the bee men to make recommendations for a bee inspector. Other business will come before the session.

H. M. Mead, who lives near Brunk's corner, is the president of the association. All bee keepers who have not joined the organization are requested to attend the meeting and get acquainted.

MOTHER! Child's Harmless Laxative is "California Fig Syrup"

Even constipated, bilious, feverish, or sick, colic babies and children love to take genuine "California Fig Syrup." No other laxative regulates the tender little bowels so nicely. It sweetens the stomach and starts the liver and bowels without griping. Contains no narcotics or soothing syrups. Say "California" to your druggist and avoid counterfeiters. Inset upon genuine "California Fig Syrup" which contains directions.—Adv.

FOOTBALL SQUAD ENJOYS BANQUET AT WOODBURN HI

Woodburn, Ore., Dec. 10.—Weeks of anticipation were realized at the high school last night with the annual banquet to the entire football squad who invited their girl friends as guests. The dinner was served in the domestic science room at 9:30 o'clock under the direction of Mrs. R. Gules, assisted by girls in the department.

D. R. Rarcy, coach, presided as toastmaster, with Dr. Gerald Smith and F. E. Fagan, principal of the high school, the speakers of the evening. Members of the football squad were represented by Lester Kaufman, captain, Harold McKinnis, Harry Snyder and Earl Frum. Lillian Olson and Louise Shroy were the only girls on the program while Jess and Curtis Deets and Frank Sundberg offered a special stunt. Singing of high school songs completed the program.

Martin, E. Klump, R. Scott, F. Maricle, A. Brockman, C. Hudlison, L. Norton, J. Moschel, J. Steinhilber, A. Noblit, F. Butterfield and E. Cone.

Football awards, both letters and certificates, will be made at a special meeting of the student body Friday.

POLK FARM SOLD IN \$31,000 DEAL

Dallas, Ore., Dec. 10.—One of the largest real estate sales that has taken place in Polk county recently was announced this week by Butler, Craven & Shaw in the sale of the Shaw Bros. ranch near Pelee to R. Van Den Bosch. The consideration was \$31,000.

The ranch is approximately 600 acres in extent and has 400 acres in timber. Mr. Van Den Bosch secures about 30 head of dairy cows, some horses and other stock in the transaction. He has been operating a small sawmill upon the place since last summer and expects to cut the timber land himself. He also plans to remodel the house into a modern residence.

The ranch was the property of Joel and Pearl Shaw.

MRS. GOOD WINNER IN CAKE BAKING CONTEST

Silverton, Dec. 10.—First prize in the cake contest at the Silverton electric store Wednesday morning went to Mrs. H. Good; second prize to Mrs. Guy Sanders; 3rd prize to Mrs. Fred Baker. Mrs. Good was Banker's Wife Advises Salem People

"I had stomach trouble so bad everything I ate soured and formed gas. Was miserable until I tried Adlerika. This helped the first day." Adlerika helps any case gas on the stomach unless due to deep seated causes. The QUICK action will surprise you. Because Adlerika is such an excellent intestinal evacuant it is wonderful for constipation—it often works in one hour and never gripes. J. C. Perry, druggist, 115 S. Commercial street.—Adv.

FALLS CITY CLUB PASSES ON MANY LIVE QUESTIONS

Falls City, Ore., Dec. 10.—The Commercial club held a busy meeting Wednesday evening.

The Fish and Game committee reported they had secured the promise of a lecture and showing of colored slides by a speaker from the state Fish and Game commission, and that the manager of the Gem theatre had promised the use of the theatre any night desired. The date will be announced later.

The club decided to give \$10 toward the fund necessary for the community Christmas tree, and the president appointed Mrs. T. W. Munson and H. S. Zimmerman to represent the club in arrangements for the tree, to meet with the various committees from local churches and the parent-teacher association.

The question of securing the designation of the road from Dallas to Falls City as a market road was taken up and the president and treasurer, upon motion, appointed a committee of two to secure the necessary signatures for a petition, and to arrange for a large delegation to attend the meeting of the county court in January to present the petition.

The need of a well equipped comfort station was brought out, and the matter left to a committee to present to the next meeting of the city council.

The president reminded everyone

GRAND MASTER VISITS FALLS CITY CHAPTER

Falls City, Ore., Dec. 10.—Grand Master Henry Young of the Grand Lodge of Oregon made the Falls City Oddfellows lodge a fraternal visit Tuesday. He was accompanied by Peebles and Patterson from Chehalem Lodge No. 1. As it was the first meeting in the new hall Dallas lodge was invited to be present. There were visitors from Moonmouth, Sheridan and McCoy.

MILL HAND INJURED IN FALL

Mill City, Ore., Dec. 10.—George Mason, employed by the Hammond Lumber company on the carriage of the big saw, slipped from the carriage and fell into the conveyor Tuesday, bruising him up considerably.

WOODBURN GROUP OF WOMEN MEET

Woodburn, Dec. 10.—One of the best meetings of the year was held by the Women's Foreign Missionary society this week with Mrs. R. B. Scott, wife of the pastor of the Methodist church, hostess and in charge of the program. Pictures of foreign women were shown with short talks upon each by Mrs. Scott. Nearly 50 ladies attended the meeting.

Several splendid papers were read by members of the society. Mrs. M. A. Schriber gave a paper on "Korea, China and Japan"; Mrs. Willard Simmons on "Home Lands"; Mrs. A. E. Austin, "India"; Mrs. James Ivessy, "Latin America"; and Mrs. A. Plant on "Africa." Bonnie Foster offered a reading that was well received while Mrs. F. B. Coleman read in the devotionals.

Refreshments were served by the hostess.

Six Rinses

for Your Clothes

Read this Startling New Discovery made by modern science, then make this unique and simple test.

OUR years ago modern science began to focus its searching energies upon modern women's greatest problem—the family washing.

Laboratory tests showed old ways harmful to fabric. Now NEW and better ways are known.

And these new and better ways—every one—are in use today at the Capital City Laundry. Now read what science learned.

The Most Important Discovery

Strangely, science found water the most vital factor in clothes-washing.

The most destructive thing in old ways was traced to insufficient rinsing. Especially where clothes are washed at home.

Most home-used laundry soaps and powders were found to contain free alkali—the most destructive of clothes-eating materials. One, a highly-advertised chip-soap, was only 78% pure. Yet it is today one of the best which housewives can buy.

Laboratory tests showed the one or two rinses used by housewives not enough to remove this clothes-eating alkali, or even all the dirt. After countless tests, science found no less than six thorough rinses, each time in a fresh change of clean water, will thoroughly cleanse and protect your clothes.

Pure Soap and Six Rinses

So today at our laundry, we do a thing housewives are not equipped to do at home.

After three careful suds baths in PURE soaps, containing not a trace of free alkali, we give your clothes six thorough rinses, in six changes of fresh, clean water.

The soap we use is 98% pure—the remaining 2% being moisture, pure water. Today no caustic, no clothes-eating acids or chemicals are ever used at this laundry. Just PURE

materials, laboratory-tested, in which you may safely wash your face.

And we never wash clothes in water used for any previous batch—fresh, clean water every time.

Make This Unique Test

We suggest this unique and interesting test!

Select a number of the nicest, most exquisite things you have, as well as a small bundle of your ordinary clothes.

Then bring them, yourself, any morning, to our laundry. Instead of laboring over them in disagreeable drudgery at home, spend a fascinating few hours watching our specialists handle them. We invite you to watch every step of the work.

Note that your silken things, the sheer delicate pieces, are sorted out and sent to our hand-washing specialist, where they are given professional and painstaking care.

What you see and learn will amaze you! You'll learn things you never knew about laundering your finer pieces—things learned by modern science.

And, better yet, you'll learn how pedantic—how foolish it is—to go on slaving away at clothes-washing drudgery at home.

Or, if you prefer, just send your washings here two weeks as a trial. You take no chance, for we guarantee not to harm or lose a thing. It's worth a trial and a test to find out. Just call 165.

For rainy weather

You'll find this service most desirable

ROUGH-DRY—An especially desirable service during rainy winter. Everything scientifically washed, then dried by fresh-air methods. Required starching done. Flat pieces ironed. 7 pounds 65c, 9c each additional pound. Shirts in this service finished for 10c each.
