

SENTENCED FOR FIFTH TIME TO DIE ON NOOSE

Salt Lake City, Utah, Dec. 12. (AP)—Sentenced to face a firing squad on January 15, 1926, Ralph W. Seyboldt, spent last evening in his cell making a woman's beaded purse. The youthful murderer—he is 24 years old late yesterday heard the words pronouncing his doom uttered for the fifth time. He was convicted by a jury in the Utah district court on April 1, 1924, for the murder of Patrolman David H. Crowther on October 23, 1923. Various court actions have carried the case along since that time. Seyboldt expressed a hope that he might see his father and mother, who live at Defiance, Ohio, before he dies, but declared that he hardly thought that they would come here. He hears from his father regularly, and last week when the warden of the penitentiary carried to him the news that the state board of pardons had denied his last appeal for clemency, he also handed the condemned man a letter from his father.

"And it was only a two page letter, when I usually received an eight page letter," plaintively remarked Seyboldt.

Seyboldt said he had a wife and baby at Westerville, Ohio, and that he had never heard from his wife nor seen his child.

Seyboldt was arrested at San Bernardino, Cal., several weeks after Crowther's body was found some distance west of this city. He was brought back, tried and convicted by a jury on April 1, 1924. On April 5th sentence was first pronounced, June 4 was the date fixed.

"Spark Plug" and Dempe Hiller, of O. A. C. are scheduled for the six-round semi-windup. Neither of these boys are boxers, says Plant, but they are getting in and fight with all that they have. That is the kind of cards the fans like to see and that is the kind that they will get if it is at all possible. There will be no stalling or they will be thrown out of the ring with their deposit forfeited and their gait money also forfeited, according to Plant who has made that rule recently. The fans will also be protected by being able to see the following card at a reduced figure if the main event turns out to be a fizzle.
