

CLEVER CAST IN DE MOLAY PLAY INSURES LAUGH

Among the many eccentric comedy impersonations in Edward Peep's "A Pair of Sixes," which will be presented at the Heilig Wednesday night by the DeMolay boys, there is a rare treat in store for those who will see the play in the work of Julia Query as "Coddies," the English maid with a "delicious Hinglish accent," and Florence Powers as "Sally," the snappy, fire-eating, gum-chewing stenographer.

While both Miss Query and Miss Powers are relatively new in regular plays yet they have had considerable dramatic work in high school plays and vaudeville stunts. Both give promise of being exceptionally funny in their respective parts and they handle the characters with a naturalness that makes them live human beings.

Miss Query has appeared in "Wedding Bells" while Miss Powers has been active in work in one-act plays. They are both working hard to make their contributions to the meritment of "A Pair of Sixes" worth while and effective.

Miss Mary Kightlinger, who carries the leading feminine role as Florence Cole, sweetheart of T. Boggs Johns, given to the part a spontaneity and charm that makes her work effective. It is through her determined efforts that the chain of circumstances is broken. Miss Kightlinger fits into the part and is an excellent foil for T. Boggs Johns. She has appeared in various vaudeville stunts and in the plays "The Dream of Queen Esther," and "The Maker of Dreams."

Miss Ethelma Edwards, as Mrs. George H. Newton, sustains a difficult role with dignity and grace. She has had considerable previous dramatic experience. Her emotional scenes in the third act afford much amusement and her hysteria helps to pile up the laughs at the climax of the play.

Ezra Webb, who plays "Krome," the bookkeeper, has appeared in "Safety First," and "Pinaro," and helps materially to lend an atmosphere of reality to the first act. Homer Richards, as "Tony Toler," the salesman, gets his stuff over in real live wire fashion, as a pill salesman should, while Lettroy Grote, as Mr. Applegate, president of a chain of drug stores, finds he had dropped into a queer place when he landed in the office of the Eureka Digestive Pills company, and he loses no time in telling the fighting partners just what he thinks of them.

Winfield Clark, as Thomas J. Vanderholt, the lawyer who mixes things up by trying to straighten things out, gives the character a tru and life-like impersonation. It is a difficult role and he handles it with a firmness that indicates previous dramatic experience. Mr. Clark has appeared in Salem in various dramatic productions.

There will be a special matinee Wednesday afternoon at 4 o'clock at 50 cents a seat.

To Bob or Not

Mrs. Morris Wallach, of New York, owner of the longest crop of hair in the East, would trade it for the most up-to-date boyish bob. But friend husband, proud of the luxurious growth, and not having to take care of it, says "nay."

M'NARY UPON G. O. P. CAMPAIGN COMMITTEE

Washington, Dec. 15.—(A.P.)—Senator Phipps of Colorado today was named chairman of the republican senatorial campaign committee, succeeding Senator Moses of New Hampshire, recently elected president pro tempore of the senate.

Other members of the committee are Senators McNary of Oregon, Edge of New Jersey, McMaster of South Dakota, Fees of Ohio, Gillette of Massachusetts and Deneen of Illinois.

Disturbance in a Local Theatre

The patrons of a local show house were very much disturbed and annoyed by the continuous coughing of a person in the audience. Don't be a nuisance because you have a cough or cold. A few doses of FOLEY'S HONEY AND TAR COMPOUND taken promptly will bring speedy relief from coughs, colds and hoarseness. Mrs. W. T. Clary, White Plains, Va., writes: "We have used FOLEY'S HONEY AND TAR COMPOUND for colds and had coughs with splendid results."

MIDNIGHT SHOW ON HEILIG BILL FOR NEW YEARS

The old year will be bade good bye and the new year hailed with joy at a special gala matinee at the Heilig on New Year's eve, it is announced by Archie Holt, manager. As luck will have it, the last day of the old year falls on Thursday, a special vaudeville night, hence the Heilig will be all set for the greatest evening ever seen at this theater.

The big show will begin at 11 o'clock, and will last just as long as the happy crowd desires to stay, it is announced. The vaudeville artists have already all replied that they will be glad to take part, and so every one is now working on a brand new line for the third performance for that night.

In addition to the five big sets of vaudeville, each one of which is expected to be double length, the Heilig has planned several features. A surprise event will take place just at the stroke of twelve.

Everyone will be provided with noise making instruments, confetti, and all will be allowed to make as much noise as they wish.

The regular performance of the vaudeville at seven and at nine will be held, and the matinee will start at 11 o'clock. Every seat will be reserved for the big show. The first two shows, will each be augmented with holiday specials, will be at regular prices, with no seats reserved.

Seats may be reserved by mail two weeks in advance, announces

Mr. Holt. Special sections may be reserved for parties. Preparations are being made to care for a record crowd, and every facility to make them happy will be employed, enthusiastically states Mr. Holt.

CONTEST FOR FISHING RIGHTS

John K. Kollock, Portland attorney, representing upland owners along the Columbia river between Hood River and Cascade Locks and suspected to be representing the Columbia River Packers' association, is here today contesting a lease granted by the state land board to Harry Kruckman for use of the seining grounds along that part of the river. Kruckman was the only bidder, and under the terms of the lease is to pay the state \$500 a year and 15 per cent of the product of his fishing. It is understood he fishes for the McGowan canneries. His lease is for a five-year period. It is Kollock's contention that the law provides that on tide and overflow lands riparian owners shall preferential rights to fish if they bid as high as the highest offered by a non-riparian owner.

Elton Watkins, appearing for Kruckman, declared that the opposing interest intended to bid, but failing to get their bid in on time, are trying to get the lease anyway.

Kollock claims the state does not have title to the land involved, that there is no shore line and that land formed by accretion is the

Cured His Rupture

I was badly ruptured while lifting a trunk several years ago. Doctors said my only hope of cure was an operation. Trusses did me no good. Finally I got hold of something that quickly and completely cured me. Years have passed and the rupture has never returned, although I am doing hard work as a carpenter. There was no operation, no loss of time, no trouble. I have nothing to sell, but will give full information about how you may find a complete cure without operation, if you write to me, Eugene M. Pullen, Carpenter, 629 M. Marcellus Ave., Manasquan, N. J. Better cut out this notice and show it to any others who are ruptured—you may save a life or at least stop the misery of rupture and the worry and danger of an operation.

Every cough weakens your child

Guard your family with this remedy

Harsh croupy coughs take the energy out of children. Mothers worry about these coughs unless they have used Chamberlain's Cough Remedy. It relieves harsh coughs at once. Soon it clears away choking phlegm and breaks the cold before it becomes a case for the doctor. Absolutely pure ingredients (no narcotics) make Chamberlain's Cough Remedy ideal for children. Let this remedy of 53 years success help your child too. Get a bottle at your druggist today.

Children like it. Mothers trust it. Chamberlain's Cough Remedy. We and your druggist guarantee it.

EXPERIMENTAL FARM HOOD RIVER COUNTY

Through the attorney general's office a lease has been executed between Hood River county and the Caldwell-Dunham Investment company whereby the county is to acquire a tract of land on the outskirts of Hood River for an experimental farm to be operated by Oregon Agricultural college. The legislature of 1925 appropriated \$12,000 annually for the maintenance of the farm, but no part of this money can be used for purchase of grounds or buildings. The land is valued at \$25,225, and the county did not have money to pay for it without incurring an indebtedness in excess of the \$5000 allowed by the constitution. To get around this difficulty the attorney general's office made the arrangement for a lease agreement, whereby the county will appropriate a payment each year for five years, and at the end of that period the county will acquire title.

SHIP BOARD REFUSES TO TURN OVER TRANSPORTS

Washington, Dec. 14.—(A.P.)—The shipping board refused today to turn over to the war department two of its president type boats for transports. The board held that it had no power of that type of vessels in excess to transfer to the war department and that it had no funds which could be applied to the building of such vessels for the department. The departmental request and reasons for it were the subject of a resolution of inquiry introduced today by Chairman Jones of the senate commerce committee. No action was taken at today's session.

LAFOLLETTE RECOGNIZED BY REPUBLICAN SENATE

Washington, Dec. 15.—(A.P.)—La Follette of Wisconsin was recognized today as a republican by the republican senate committee on committees. He was given assignments to the standing committees just as any other senator of his party. A year ago his father was read out of the party councils and removed from his ranking places on these bodies.

Praise Sounded By Alabamans

Three Former Sufferers Give Full Credit for Their Relief to Dr. Thatcher's Liver and Blood Syrup

The test of any medicine is what those say who have used it. For years and years Alabama people have been employing Dr. Thatcher's Liver and Blood Syrup in the treatment of such ailments as constipation, indigestion, biliousness and other sufferings resulting from a disordered liver and impure blood. Here is how they write about it:

"One of my neighbors told me about Dr. Thatcher's Liver and Blood Syrup and got me to try it, and it is the only thing that helped my indigestion," said Mrs. Mayo Pennell, Route 1, Baileytown, Ala.

"I felt like my stomach was burning up. Gas would form and make me miserable. This brought on constipation and dull headaches that would hang on for days.

"My first bottle of Dr. Thatcher's Liver and Blood Syrup did me so much good that I began taking it regularly. I kept on taking it till I got completely over my trouble and am never without it."

"I was actually afraid to speak of my suffering or complain of anything for fear that my mother would make me take medicine which I hated," said Miss Forrest Deese, Route 9, Cullman, Ala.

"I had asthma very bad and my health was falling so fast I just had to do something about it. We have used Dr. Thatcher's Liver and Blood Syrup for years and look on it as a family remedy, so I took that and it helped me more than anything. I don't know how we could get along without this grand tonic." Perry's drug store, Salem, Ore.

Children Cry for

Fletcher's CASTORIA

MOTHERS:—Fletcher's Castoria is especially prepared to relieve infants in arms and Children all ages of Constipation, Flatulency, Wind Colic and Diarrhea; allaying Feverishness arising therefrom, and, by regulating the Stomach and Bowels, aids the assimilation of Food; giving natural sleep.
