I fully recommend it to anyone to relieve constipation as you advertise on the package. My daughter also eats ALL-BRAN and I can see her health improve.

Pastry is easy to make when you use a rich creamy shortening like SNOWDRIFT. Try it in this cream puff recipe or any of your own pastry recipes.

CREAM PUFF SHELLS

3/4 cup Wesson Oil or Snowdrift (melted)
1 cup water
1 cup flour (sifted before measured)
3/4 teaspoonful salt
4 EGGS

Put oil and water in saucepan and bring to a boil; remove from fire and put flour and salt into hot water and oil and mix thoroughly. Return to fire and stir and cook until paste does not stick to pan. Then while mixture is hot add the unbeaten eggs one at a time. Beat each egg into the mixture well before adding another. Drop mixture by spoonfuls on a greased baking sheet and bake at 450 degrees F. and then bake for 25 minutes longer. When cool or ready to serve make a slit inside of puff with sharp knife and with a spoon insert sugar or frosting. If desired powdered sugar or frosting may be placed on top of each puff. From the above ingredients, 12 cream puff shells can be made. Whipped cream or cream custard filling may be used if desired, as per recipe below:
