

KOLB AND DILL BRING MUSICAL SKIT TO HEILIG

Exceeding in mirth and music any prior offering of the West's two best know comedians, Kolb and Dill will appear at the Heilig theatre for an engagement of one night only, Wednesday, Dec. 23, in "Fair O'Fools," a new musical comedy with book by John Emerson and Anita Loos, and music by Arthur Freed. Delightful dancing speeds the production, which is replete with tuneful songs. The George Cunningham "Sweet Sixteen" dancing girls form a chorus ensemble of "Fair O'Fools."

"Fair O'Fools" tells the story of Kolb and Dill in the lumber business, the elongated member as Andy Simmons, a lumber magnate and Dill as Rudy Valentine, his partner. With the usual tangled verbiage the twins get themselves into an almost inextricable predicament through their careless handling of the truth.

To make him attractive to the fair sex Kolb paints a lurid past for his innocent partner, provid-

ing a tale of hectic, happy, Hollywood hours supposed to have been enjoyed by Dill. To complicate matters, the beautiful Hollywood star involved in the mythical tale appears on the scene, providing more fireworks than found on the 4th of July.

At the climax of the play, thru which delightful musical and dance interludes are generally spread, the pair seem to be in almost tragic position as a result of the manufacture of Dill's lurid past, but a clever twist of the dramatist's pen brings the whole to a happy conclusion.

The cast contains names new to western theatregoers, including Clay Hill, Stanley Mack, Thomas J. Hayes, Jackson Murray, Fay Tinspest, Doris Duncan, May Cloy, Julia Blane and Kolb and Dill.

NEWS BRIEFS

The last Wednesday in October of each year in the future is to be known as Canada's fish day. The Dominion has the most extensive fishing ground in the world, with 308,000 square miles of water under control.

According to the treasury de-

partment, there is \$450,000,000 out of circulation in the United States "saved" in children's banks and boarded in old teapots, stockings, sugar bowls, sewed in mattresses and in some cases buried. Fame is largely an accident; anybody can gain notoriety. It often is easier to tell a lie than to detect one.

Hamilton-Beach Vacuum Cleaner

You could not give your wife or mother a more acceptable or useful present.

"The Good Housekeeper Institute" recently tested the "Hamilton-Beach" with 67 other machines and the results were amazing. The "Good Housekeeping" authorities awarded it their official approval and the test with fourteen other machines proved the Hamilton-Beach removed one quarter more dirt than the average of all the other machines. The Hamilton-Beach is the only machine with a motor driven brush that has a real honest to goodness suction.

It moves 219 cubic feet of air per minute. The switch is in the handle. No stooping to shut it off. Let us show you the superior motor in this machine.

You can appreciate the difference over other makes.
