

PROGRAM FOR NEW YEARS AT Y.M.C.A. BUILDING

Details of the special New Year's day program to be held at the Salem Y. M. C. A. building were made public this morning. The program will be open to take the place of the usual open house given at the first of the year. Open house will be held in the new building, probably some time in April, Y. M. C. A. officials state.

At former open house programs as many as 2000 persons have been in attendance. The program to be held Friday will begin with a special basketball game, played in the forenoon between a local team and a team from Jefferson.

At 1:30 p. m., the prep leaders will meet the Shamrocks in a basketball tilt. Semi-finals in the consolation basketball series will be held at 2:30 and at 3:30 p. m., the first game between the Night Juniors of the Leslie Methodist church and the second between the Crooks and the Oregon Juniors. The two winning teams will play for the consolation title at 8:30 in the evening.

At 5 p. m., there will be a game of exhibition volleyball, the game being played between business men's teams headed by Dr. L. E. Burdick and Paul Acton.

At 7:30 p. m., the most important game of the day and of the tournament which has been in progress since last week, will be staged. The game will be the final in the tourney.

SEARS TO FILE SUIT ON FEES

J. K. Sears, whose name has been used on a number of occasions by L. H. McMahan in prosecuting suits based on public policy, will appear on the name of the complaint as plaintiff in the action to be brought against H. C. Small, justice of the peace, and the county court, to test out certain claims for fees made by Small.

ITCHING RASHES quickly relieved and often cleared away by a few applications of

which McMahan alleges are illegal. The particular fee attacked in the case is involved in the action of the state against Harry Walsp tried out in justice court. The fees all told asked by the justice were \$9.35 and the complaint alleges that only \$2.85 is due to the justice on account of the case. One fee of \$1 for a transcript is specifically attacked in the complaint as having been made without authority from the county court or anyone else having power to grant such authority. Reason for attack against the balance of the fund is not given. The complaint has not yet been filed, but a tentative draft of it has been made.

A THREE DAYS' COUGH IS YOUR DANGER SIGNAL

Persistent coughs and colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs, creosote is recognized by high medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the infected membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, bronchitis and other forms of respiratory diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold is not relieved after taking according to directions. Ask your druggist. Creomulsion Company, Atlanta, Ga. (adv.)
