## MANY NEW YEAR PARTIES SLATED AT SILVERTON

Silverton, Dec. 31.—(Special)—Almost as many New Year parties are being planned as there were Christmas affairs. Like the Christmas celebrations a number of these are private parties and a number are for the public. Among the latter the largest will undoubtedly be the New Year's eve dance to be given by the Delbert Reeves post of the American Legion. The dance will be given at the new armory. Special features are being planned for this.

At least two of the churches will hold watch parties. At the Christian church a watch party will also include the annual business meeting of the church. At Trinity church the young people's society is in charge of a New Year's eve watch party. A program has been arranged for and refreshments will be served during the evening. Services will also be held at Trinity church on New Year's day at 11 o'clock.

A special New Year's service, known as "Forty Hours of Adoration," will be held at the St. Paul parish church on January 1st, 2nd and 3rd. The services will begin at 8 o'clock in the morning of these three days and last until 7:30 o'clock in the evening. To assist Father Joseph Scherbring, who has charge of the local parish, the Rev. Jerome, O. S. B. of Mount Angel, Father Francis Scherbring of Shaw and Father B. E. Kelley of Portland will be here.

Members of the St. Paul's parish also enjoyed a social evening of progressive 500 at their new hall Wednesday evening. High honors were awarded during the evening.

## FIRE DESTROYS CAR ON HIGHWAY

Fire evidently started from a shorted electrical circuit destroyed a Star touring car belonging to B. P. Jones, formerly of 245 East 85th street, Portland, about ten miles north of Salem on the Pacific highway shortly before 10 o'clock last night. Mr. Jones escaped without injury though he complained of some pain in his eyes.

Mr. Jones, who came to Salem a week ago with his wife to spend the holidays with his daughter, Mrs. Frances Christy, who lives in an apartment on North High street, had spent the day on business in Portland and was coming home when the fire occurred.

The first intimation that anything was wrong came when a sheet of fire burst through the floor boards and in front of his face. In a few minutes the machine was a mass of flame and was completely demolished. Mr. Jones said that whenever he applied his brakes his horn would sound, indicating a short circuit. His loss is partially covered by insurance.

## Guns are Flashed In Raid On Still Near Sublimity Basl Brothers are Jailed

Guns were pulled when two state prohibition agents and a deputy sheriff last night arrested William and Ben Basl five miles south of Sublimity for violation of the prohibition law.

C. B. Hill and R. E. Amy, state operative and Deputy Sheriff Roy Bremmer entered the Basl premises, Bremmer remaining out of sight because he was known to the Basls. The Basl brothers came from their house and negotiations were opened by Hill and Amy in which they bargained for three gallons of liquor at \$10 a gallon, a reduction of \$2 a gallon, they were told, because of the quantity being purchased.

Ben Basl went for the liquor and returned about half an hour. While he was away his brother remarked that he was going to the house for his overcoat. He also got a gun, the officers later discovered, and kept it in his hand but hidden under the coat.

When Ben Basl returned with the liquor, in three containers, the officers sampled it, and Amy suddenly pulled his gun and ordered hands up. Ben Basl lifted his hands up, but Bill with a quick movement leveled his gun on Amy. Officer Hill leaped at Basl and swept the gun aside and the two men were soon subdued.

In the meantime, however, the mother of the two men had come from the house, quickly taken possession of the evidence and was making way with it when discovered by the officers. Amy caught her and secured the evidence. The Basl brothers were brought to Salem and lodged in the county jail.

## HUGILL FAMILY TO CONGREGATE

Woodburn, Dec. 31.—Preparations are being made by Mr. and Mrs. Joseph Hugill for the 24th annual reunion of their family at the Hugill residence, 423 Settlemier avenue, New Year's day. Six children, including three boys and three girls, are expected to be present together with their twelve grand children. With the exception of one son, all live in the Woodburn district. Only once in 24 years have all members of the family been able to attend the reunion.

Mr. and Mrs. Hugill came to Oregon in 1890 from the Dakotas, where they lived 50 miles from a railroad. They witnessed the coming of the surveyors and the construction of the railroad thru that territory. After making their home in Salem for two years they lived on a farm on Howell Prairie for more than a year, later moving to Clackamas county, returning to North Howell where they purchased a farm in 1909.

After 20 years on the farm they moved to Woodburn, where they have made their home for the past six years. The Hugills came from England in 1889, locating in Canada for several years before moving to the Dakotas.

Silverton, Dec. 31.—Danny Garth of Silverton knocked out Tom McCarthy of Astoria in the second round of a ten round bout in the main event of a spooker staged last night under the auspices of the Silverton athletic club, a newly organized association. McCarthy substituted for Boby of Astoria who was unable to come because of twisted ankle received in a recent event.

Garth's short body punches proved too much for the Astorian. In the semi-final bout Jimmie Anderson also of Astoria gained the decision of Charles Murphy of Salem. The bout was fast and furious and Murphy's hard luck on fowls caused him to lose the decision.

"Kid" Bye of Silverton won the decision over Tim Lamb also of Silverton on points in a fast four round bout.

"One round" Stanley of Silverton lost a snappy four round bout to Foley of Salem. Foley won the decision on points.

Bill Kendall of Salem and Lloyd Mansfield of Silverton fought the curtain raiser to a draw. The bout was fast and some nice work was displayed.

## WOODBURN COMMUNITY CLUB ACCOMPLISHES MANY THINGS DURING PAST TWELVE MONTHS

Woodburn, Dec. 31.—Members of the Woodburn Community club have become so interested in developing the district that they have neglected to elect officers for the coming year. The annual election is held in November of each year. Installation of new officers in the spring of the year is believed responsible for the oversight as R. T. Guise became secretary early this year and H. M. Austin, former president, took office in the spring of 1924 to fill out the unexpired term of L. A. Beckman. John P. Hunt, president of the organization, was elected to office at the annual election in November, 1924.

Several of the outstanding accomplishments of the organization are the result of much work upon the part of the organization, according to President Hunt.

During the past year the community club got behind the national guard when it became apparent that Woodburn was facing the loss of its military unit, the howitzer company of the 156th in infantry. The business men got together with the school officials and as a direct result of their interest the company was equipped and brought up to full strength and today compares favorably with any other military organization in the state.

Use of the city park site as a public dumping ground for rubbish of all sorts was discouraged by the club and the practice stopped.

Free movies for farmers and their families on Saturday afternoon was sponsored by the organization and later the business men took full charge and finance.

## INDIANS DEFEAT WASHINGTON HI

Chemawa, Or., Dec. 31.—The Chemawa Indians defeated the Washington high school quintet of Portland last night in the Chemawa gymnasium by a score of 23 to 18. The score stood tied many times during the game but the Indians did not show up as well as in the game with Lewis and Clark or some of the others they have played this season.

At the end of the first quarter the score stood 9 to 7 in favor of the Indians but the visitors were leading at the half by a score of 10 to 9. The locals failed to score a point in the second quarter while the Washington team tallied three points.

The Washington team seemed tired in the second half and were handicapped by the loss of Knorr, captain and guard, who was taken out on personal furla.

In the first play of the second half the locals ran the ball right down to their basket and took the lead. The visitors again scored and the score stood even and forth until the end of the third quarter when the score stood 14 all. In the final period the Redskins started an offensive that was not to be denied and scored several baskets in quick succession.

The social service committee is the group having general charge of assisting poor families.

The two requests for assistance came immediately before Christmas of this year. At the regular bi-monthly meeting of the Women's Community club the needs of the two indigent families were discussed, with the result that all members were urged to contribute food, clothing and other supplies.

The response was so great that trucks had to be commandeered to take the goods to the destitute families. "Stayton really needs more poor to vent her charity upon," one member of the club remarked. "Otherwise we will spoil our needy."

VAPORS reach a cold directly because they are breathed right into the air passages and lungs. It is for this reason that Vicks Vapo-Rub brings such quick relief. When rubbed over throat and chest at bedtime:

It is vaporized by the body heat and inhaled, while you sleep, right to the affected parts, loosening the phlegm and easing the difficult breathing.

At the same time it acts through the skin (like a poultice or plaster) "drawing out" the pain and soreness.

Most colds yield by morning to this double action of Vicks.
