Society to Greet New Year at Dance

Luncheon, tea, and dinner, watch parties, supper and formal dances are telescoped into each other today in a manner that leads one to believe that each hostess is attempting to crowd the last day of the year to the very brim. The dance at the country club tonight is occupying the paramount place on the evening's calendar. A number of features have been arranged by the committee that promise to make it one of the most elaborate dances ever given in the capital city.

It keeps perfectly, and tastes pleasant—children like it.

You can feel this take hold instantly, soothing and healing the membranes in all the air passages. It promptly loosens a dry, tight cough, and soon you will notice the phlegm thin out and disappear. A day's use will usually break up an ordinary throat or chest cold, and it is also splendid for bronchitis, croup, hoarseness, and bronchial asthma.
