

FOURTEENTH ANNUAL POLK COUNTY FAIR WILL OPEN THURSDAY

RECORD CROWD EXPECTED FOR ANNUAL EVENT

Dallas, Or., Sept. 21.—The fourteenth annual Polk county fair will open Thursday at Dallas for three days. With prunes and hop harvest practically out of the way in Polk county a record attendance is expected.

The fair board has adopted the course followed last year and is allowing free admission to the entire fair. Charges are only made for concessions and amusements within the grounds.

Special emphasis is being placed on community exhibits and boys and girls club work. There will be keen competition in these classifications and much interest is being taken throughout the county in preparing exhibits to enter.

A free band concert will feature the evening program each fair night. Soloists have been secured to help out with each program. There will be no speaking. The Dallas band is providing the concerts, with the fair board and Dallas merchants financing the programs.

The amusement concessions have been taken by the Browning Amusement company and a dance will be conducted on the grounds by the lit O' Melody Boys' orchestra of Dallas.

Advance indications point to some of the best exhibits ever shown in the county, according to Mrs. Braden, secretary. This is particularly true in the livestock division where many breeders have promised to exhibit the stock they are getting ready for the state fair. The fact that the state fair comes just one week later is an advantage in this respect.

Falls City, which is one of the community exhibitors, is holding a community fair this week, under auspices of the chamber of commerce, and will select an exhibit for the county fair.

Granges, farmers unions and community clubs are sponsoring exhibits from other communities.

A move is on foot among Dallas business men to close for Friday afternoon for the fair. This has not been agreed upon as yet but the arrangement probably will be made.

DEER BROUGHT IN AS SPOILS OF CHASE

Dallas, Or., Sept. 21.—A number of Dallas deer hunters have been coming in over the week-end with the spoils of the chase. For the most part they have been quite successful. County Clerk Black displayed a 150-pound buck from the Oakridge district. Eddie Prenter brought in a 200-pound mule deer from the Blue mountains. Other lucky sportsmen included Manley Bevens and party, Fred Auer, Dr. C. L. Foster and others.

SECOND TRIAL FOR DRUNKEN DRIVER

Dallas, Or., Sept. 21.—Ward Barnett of Valsets will probably be given a second justice court trial on a charge of driving while intoxicated. His trial Saturday before Justice of the Peace Gregory resulted in a hung jury, 4 to 2 for conviction. Barnett was arrested at Valsets about a week ago. He is at liberty under bond.

Independence, Sept. 21.—A Chinese noodle dinner was served at the regular weekly meeting of the Lions club yesterday noon. Each member present was obliged to eat his noodles with chop sticks. The charter night banquet to be held at Tillamook this coming Saturday night was discussed and five members from the Independence club plan to be present.

CHICKENS TO BE SHOWN AT SHOW

Independence, Or., Sept. 21.—The committee in charge of the annual Independence corn show has definitely decided to add chickens to the regular line of displays. Heretofore the exhibits had consisted solely of corn and vegetables and the first display of chickens will, of course, be fairly modest. The country tributary to Independence produces a lot of poultry and eggs, and it is not at all unlikely that this feature of the corn show may within a few years become the most important part.
