EXPOSE KLAN CONTROL OF

(Continued from Page One)

Zumbrunn was counsel for Senator Mayfield, democrat, Texas, in the election contest involving his senate seat.

Questioned for more than three hours yesterday by Senator Reed, Hugh P. Emmons, former exalted cyclops testified the klan in his state was supporting the candidacies of Senator Watson and Robinson, republicans. He declared klan officials had told him Bossert had been removed as grand dragon early this year because he would not "go down the line" on the Watson candidacy.

The former klansman charged W. Lee Smith, the present grand dragon, had offered him $10,000 if he would support Senator Watson, and had warned him that if he turned "traitor" he would "go down the line."

A subpoena has been issued for Smith.

In beginning his recital Emmons quoted Dr. Hiram W. Evans, imperial wizard of the klan as saying the klon owed a debt to Senator Watson because of his assistance in the seating of Senator Mayfield, democrat of Texas.

This senator, Emmons said, was described by Evans as "one of the best klansmen in the United States."

Senator Watson speaking from a hospital bed in Indianapolis, called Emmons testimony linking his name with the seating of Senator Mayfield "so preposterous in the main that it really requires slight refutation." Senator Mayfield also issued a statement in Galveston characterizing the same testimony as "absolute fabrication."
