

STATE LEADER SPECIAL GUEST WOODBURN CLUB

Woodburn, Jan. 6.—Guest day was observed by the Woodburn Woman's club yesterday at the home of Mrs. J. J. Hall on East Lincoln street with a large attendance of members and guests. The club was honored by the presence of Mrs. J. G. Franklin of Portland, state president, who was the speaker of the afternoon, her subject being "Narcotics."

As a preface to her talk, Mrs. Franklin complimented the club very highly on the work accomplished and stated that it was the only club that she had visited where the high standard of the women's club was maintained. Mrs. Franklin is a very pleasing speaker and held the attention of the members for an hour as she told of the existing conditions among the drug addicts and the need for education and work to combat this growing evil. The speaker was introduced by Mrs. F. W. Ketter.

The business session was in charge of Mrs. E. P. Wohlberg, president, during which \$10 was voted for the scholarship loan fund and it was also voted that the club subscribe for the "Federation News" 100 per cent strong. A few minutes were devoted to "Current Events," under the leadership of Mrs. Jean Evers. Mrs. W. L. Rank was accepted as a new member. Mrs. Eugene Mosberger, Mrs. W. P. Norman and Mrs. F. K. Fagan were appointed to serve on the "Good Cheer" committee until June. Musical numbers were two piano solos by Miss Wilma Morrison, Krieger's "Glad Song" and "Aria" from "Nimphomene" and "Lullaby."

Mrs. Keith Powell sang "Honey" by Del Riego, and "Little Thinking" by Harold Fisher, accompanied by Mrs. T. C. Poorman. Readings were contributed by Miss Mabel Szwed of Montreal.

Refreshments were served by the hostess, Mrs. J. J. Hall and her assistants, Mrs. L. J. Allen, Mrs. Martin A. Schreiber, Mrs. Hiram Overton, Mrs. Sarah Wilson, Mrs. Susan Livsey, Mrs. Henry W. Hall and Miss Carrie Waterbury.

ONION ACREAGE IS BOUGHT BY ALLENS

Silverton, Or., Jan. 6.—The Homeowners' Agency sold the Royce Allen 30-acre tract of onion land in the Lake Lahish district about nine miles west of Silverton, Friday, to Mr. and Mrs. Edmond Wilkinson of East Hill. Mr. Wilkinson expects to resign as millwright at the Silver Falls mill and move to their farm about the first of February. This acreage, which is all heavy dam soil, is especially adapted to the raising of onions, celery and mint. This deal was made by the agency on the last day of the year and on the first day in their new business quarters. It is reported that a three and a half acre tract of this kind of land near the Allen farm was sold about a week ago for \$2500.

GUARDSMEN DINED ON STEAMED CLAMS

Silverton, Or., Jan. 6.—Company I held their regular drill night Tuesday with a fair attendance of men on hand. After drill the men sat down to a feed of steamed clams, clam chowder, sandwiches and coffee which had been prepared by Mess Sergeant Harry Larsen and Cook St. Cramer.

The boys will be given a feed after every drill this winter and this should be a big inducement for a higher attendance percentage. Any one slightly and interested in the company is invited to attend at any time.

PAPER CARRIER IS VICTIM OF WATER

Owing to high water spreading out beyond the approach of a bridge in the Mission Bottom country, the Oregonian carrier, W. H. Brasher, missed the bridge in making his early morning rounds on Tuesday. Details of the accident are lacking, but the plucky young fellow managed to get papers to his patrons by some means before the day was over.

Continuing rain last night put portions of the road under water in the Mission Bottom and Lake Lahish sections, so that rural carriers are forced to make some detours and retrappings. Farming operations have been suspended as the ground is too wet to plow and growers plan to use the land for general farm crops for which there is a more certain market. Following the big freeze of 1919 which killed the older trees, there was a heavy planting of young trees, which are now in bearing, and with a phenomenal crop throughout the world the season just past was not a profitable one to Willamette valley growers.

INDIAN QUINT LEAVES TODAY ON HOOP TOUR

Chenoweth, Jan. 6.—The Chenoweth Indians left this afternoon for Portland where they will meet the Franklin high school basketball team in the first of a three-game tour, meeting Franklin tonight, Hood River Friday and The Dalles on Saturday.

There is little doubt that the Redskins will easily win the game over the Quakers tonight as Franklin quit toward a 59 to 14 drubbing here Saturday night in which the Indians made substitutes most of the last half. It is expected that the Franklin team will present a better appearance in Portland than here, but the improvement will be enough to overcome the big lead the Indians have.

Dupe on The Dalles and Hood River teams is lacking as both the Eastern Oregon teams have just started the season and the games with the Indians will be practically the first. However, both games are expected to be hard as it is understood that the graduates last year, leaving between in form teams, last year the Indians met stiff opposition and if veteran teams are back with another year of experience, it is thought the Indians may meet their Waterloo.
