

FIGHTING GOB MEETS TENDLER HERE TONIGHT

TONIGHT'S BOXING CARD
 Sailor Willie Gordon, Portland, 122, vs. Vic Tendler, Everett, Wn., 122, 10 rounds.
 Fred Fox, Independence, vs. Billy Hobbins, Portland, six rounds.
 Chuck Herman, Silverton, vs. "Red" Witteralt, Stayton, four rounds, special event.
 Jack Lewis, Hubbard, vs. Bill Modeje, Stayton, four rounds.
 Art Golden, Salem, vs. Loren Watts, Salem, four rounds.

Sailor Willie Gordon, the fighting gob, embarks upon the rough, hilly brine of isthmia in the local arena tonight in the first "big time" classic ten-round main event slated for Salem when he meets one of the toughest, without little battles in the northwest, Vic Tendler of Everett, Wash.

Both of the principals are well known along the coast and Gordon has been fighting main events in Portland for the last three or four months, meeting a number of clever lads.

While Tendler has not been on the list in Portland for some time, he has been featuring cards in Washington and his boxing style is liked by the fans. He got the best of Gordon in Washington last May and thinks that he can repeat.

As has been stated before, this is the first time in Salem's ring history that a real Portland main event has been billed here and is but a starter of what will follow if the fighting fans want this kind of entertainment. Fights of this class do not come for a long and unless there is proper support for them the fight game in Salem is dead. Matchmaker Harry Fiant will not bring third-rate here and if you are not and cannot afford to lose money by bringing big shot here—no take your choice, support these kind of fights that merit large houses or watch the boxing game in Salem go floozy.

A real main event in itself is scheduled in the six-round semi-windup between Ted Fox of Independence and Billy Robbins of Portland. The followers know both of these lads and are assured of their money's worth in this scrap alone.

The first preliminary is scheduled to start promptly at 8:15.

LEGION HEARS LINDELL SPEAK

Nearly 500 ex-service men and their ladies, representing posts of the American Legion in Salem, Independence, Silverton, Corvallis, Dallas and Sheridan, heard the preparedness message of Edwin L. Lindell, state adjutant for Minnesota and former state commander of that state, speak at the assembly Thursday night. Tribute was paid to the American Legion auxiliary and to its service for disabled veterans and child welfare work.

Other speakers were Arthur A. Murphy, state commander; Carl Messer, state adjutant, and Leland Gilbert, executive secretary of the Portland post, all of Portland, and Charles J. Johnson, commander of the Dulbert Reeves post at Silverton and national committeeman. Dealer C. Small gave the welcoming address and Rev. Martin Perowshelien the invocation.

Entertainment features included selections by the Swedish post band, the drum and bugle corps of Capital Post No. 5, a musical skit by Donald and Glenn Woodry with Mrs. F. N. Woodry at the piano and a selection by the Chamberlain trio. Dancing concluded the entertainment.

DELEGATES HAPPY

Stayton, Jan. 21.—Three members of the local high school are rejoicing over the fate that made them delegates to the recent convention of high school students held at the University of Oregon. Every minute of their time was taken with a continual line of educational and entertaining things prepared for them. The three who made the trip were Miss Ruth Rees of the staff for the annual, Miss Edna Adams as executive member, and Miss Beatrice Amundsen and faculty adviser.

RAIL MERGER PLANS ADVANCE STEP FURTHER

New York, Jan. 21.—(AP)—Merger plans of the Great Northern and Northern Pacific railroads have advanced another step with agreement for an exchange of stock on an equal share basis.

The agreement was made yesterday at a conference attended by directors, officials and counsel of the two railroads.

In a statement announcing that encouraging progress had been made in the negotiations, Ralph Budd, president of the Great Northern and Charles Donnelly, president of the Northern Pacific,

said the exact method to be adopted for putting the plans into execution could not be revealed at this time. Unification of the two lines first must have the sanction of the interstate commerce commission.

Mr. Donnelly departed for the west after the conference and it is assumed that there will be further discussions, probably in St. Paul.

The statement of the two executives said the boards of directors of the two Northern companies were in agreement on the equal exchange of stocks for shares in the new operating company.

"The stockholders of the two Northern companies," it added, "have long earnestly desired to effect a unification which would complete the community of interest to which the two companies are already committed by reason of their joint control of the Burlington and of the Spokane, Portland and Seattle, and it is gratify-
