

# BEARCATS PLAY PACIFIC HERE FRIDAY

This Week's Schedule.  
Friday—Willamette vs Pacific at Salem, 7:30; Salem high vs Woodburn at Salem, 7:30.

Last Week's Results.  
Willamette 21; C. P. S. 22. Salem, 60; Hill Military 15. Salem 27; West Linn 21.

But one really important game is on this week's basketball schedule, a northwest conference tilt between the Willamette Bearcats and Pacific university at Salem, Friday night, the last game on the Willamette conference schedule and the only one standing between the locals and a tie for first place with Whitman. The other game, between Salem high school and Woodburn is a regular district game that has a bearing on the right to represent this district in the state championship series here March 10, 11 and 12. However, Salem easily defeated Woodburn at Woodburn earlier in the season and is expected to win by a much larger margin at home. Woodburn dropped two one-point margin games to Farrish Junior high so Salem will not lose any sleep over the impending game.

While Willamette is hoped to win over the Badgers from Pacific the game will be no bed of roses and every point will be earned by hard work. Pacific displayed a powerful teamwork at times against College of Puget Sound last Friday, according to Keene, who witnessed the tilt, and the Willamette men stated that the contest would be nip and tuck all the way. Willamette defeated Pacific at Forest Grove 24 to 45 in one of the biggest scoring games of the conference.

Indications point to another northwest conference wrangle over the championship. It was learned yesterday when reports from Walla Walla, Wash., stated that Whitman looked upon a post season playoff, providing Willamette defeats Pacific here Friday, with disfavor, basing claims to the title on the fact that they played two more games with College of Idaho than did Willamette.

College of Idaho has one of the weakest teams in the conference and for Whitman to claim a title, after breaking even with Willamette and College of Puget Sound, would be rather weak. Willamette might have scheduled two more games with Linfield and Idaho and won all of them, thus having a higher percentage than the Missionaries.

## Local Sports

Farrish Junior high school basketball players, weakened by the loss of both of their star forwards, gained revenge for a former defeat by defeating the Woodrow Wilson Junior high school of Eugene, 25 to 17, Pettit, with 10 points, was the star for the winners while Coleman, with nine points, shown for the losers.

The Perrydale hoopers defeated the Salem Ducks Saturday evening in the YMCA floor, 16 to 14 in one of the most hotly contested games of the season. The game was featured by unusually close checking by both teams, holding the score down. At the end of the first half the Ducks held an 8 to 4 lead but crumpled in the latter part of the game to allow the Perrydale players to score. Perrydale has won 17 of the 20 games played this season.

Leo "Frisco" Edwards, manager of the Salem Senators for the 1927 season, announced his intention of attending the reorganization meeting of the Greater Portland-Valley baseball league in Portland this evening. For this reason tentative plans to hold a local meeting will be postponed until a later date.

Salem and Eugene gunners were the only rod and gun clubs entered in the state telegraphic shoot, which opened yesterday, that turned in perfect scores of 75. High winds and rain cut down the number of birds killed. The three gunners who went straight for the Salem club were George Palmer, Tom Wolcott and Bert McKay. Dan Cummings, Ray Glass and J. B. Smith went straight for the Lane county sportsman's association. George Palmer was high gun man, breaking 50 straight birds despite the wind.

When people's feelings suffer a deadly wound they can't be cured with favors.

New York.—"Charm for men" is a slogan suggested by Beatrice Forbes-Roherson. At a women's banquet she said something such is necessary because men are slaves to convention in clothes, dress like peas in a pod, discard straw hats the same day, suffer with linen collars, etc. She favors a skirtless world for women outdoors and draperies for evening wear for advertisement of sex.
