University Women Hear Poetry Talk

Forty members of the Salem branch of the American Association of University Women met at the Gray Belle at noon on Saturday to hear Willard Wattles, Young American poet and instructor at Oregon Agricultural college, speak on poetry.

Some new thoughts on the "physiology" of poetry were presented by Prof. Wattles. A person whose internal nervous system is sound and normal will probably be conservative in his likings for poetry, one whose emotional reaction is freed of the disadvantages of ordinary "sanitary pads." Protection is greater. The old embarrassment of disposal and laundry is avoided.

Get Kotex—8 in 10 better-class women have adopted it.

Discards as easily as tissue. No laundry, no embarrassment.

It's five times as absorbent as ordinary cotton pads!

You dine, dance, motor for hours in sheerest frocks without a second's doubt or fear.

It deodorizes, too. And thus ends all danger of offending.

You ask for it at any drug or department store, without hesitancy, simply by saying "KOTEX."

Do as millions are doing. End old, insecure ways. Enjoy life every day. Be sure you get the genuine. Only Kotex itself is "like" Kotex.

The meeting of the Town and Gown club has been postponed until the fourth Thursday in April. Mrs. A. N. Moore, Mrs. A. A. Lee and Mrs. J. O. Hall will be hostesses at that time.

Mrs. Emma Murphy Brown (Miss Franks, M.) has returned from Portland where she was the guest of her son and daughter, Mr. and Mrs. Keith Brown. She was also the guest of Mr. and Mrs. ...

Pimples, Boils, Skin Eruptions

Skilled physicians recognize the appearance of pimples, boils and other skin eruptions as being an indication of an abnormal condition of the system. This is why so many thousands have been enabled to free themselves of these unsightly blemishes and painful annoyances by taking a course of S.S.S. You owe it to yourself to try S.S.S. It helps Nature build up red corpuscles. It improves the processes by which the blood is nourished. It is time-tried and reliable.

"I suffered from impure blood—was weak, and I had lost so much weight, I didn't look natural. I had pimples and was also bothered with a breaking-out that itched terribly. I also had boils one after another. I tried different kinds of remedies, but nothing did me any good until a friend advised me to take S.S.S., which I did. This was some time ago. Now I feel well, and I am getting along fine. S.S.S. stopped the itching and it cured me of boils. I advise all weak and run-down people to give S.S.S. a trial. It clears up the skin and makes you strong and barker you with energy." Mrs. J. W. Eilers, 1337 Walnut Street, Cincinnati, Ohio.

S.S.S. is made from the fresh roots of medicinal herbs and plants and is prepared in a scientific way in a modern laboratory.

S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical.
