STUBBORN, UN-SIGHTLY PIMPLES ON FACE AND BACK

Skin now clear and smooth

Doubs, Md., July 18.—"Three or four years ago, my face and back broke out with pimples and blackheads. When I picked or pressed them I used several kinds of cold cream, but none of them helped a bit. Then I happened to see your advertisement and thought I would try Resinol Soap and Resinol Ointment. Within a few weeks I had not a pimple or blackhead at all and now my face is nice and smooth. I have also found Resinol Soap very refreshing after coming in out of the sun or wind." (Signed) Miss Elsie E. Painter.

If you are troubled with a rough, pimply skin, ask your druggist today for Resinol Soap and Ointment, and see what an improvement a week's use will make.
