True to Manager S. B. Dodge's predictions that his Valley Motor nine would bring the league standing Papermakers off of their high horse, the mechanics won a hard-fought game from the Oregon Pulp and Paper company team at Oxford park last night, 2 to 1.

The game was close all the way and was not decided until the final out had been completed. The loss scored their lone run in the first inning and for the next three, until the start of the fifth, it looked as large as a mountain and fans were all set to start for the gate. However, a hit batsman and two singles in the Valley Motor half of the fifth inning, the fifth, filled the bases. A walk tied the score and still left the sacks full. A single scored what proved to be the winning run.

Watson, leadoff man for the Papermakers, worked a walk in the last half of the fifth, but his antics caused him to be caught off first.

Russell, former Salem Senator, pitched good ball throughout. It was his second game in as many days, having hurled against Independence at Valseck Sunday, winning that game also, 5 to 1. Oudeans, for the losers, also twirled excellent ball.

The DeMolays and Hansen & Liljequist teams meet at Oxford park tonight. Tomorrow Bishops and the Knights of Columbus cross bats.

Last night's lineup: Papermakers: Watson, 2; Chapman, 1b; Simkins, 2b; Lauderback, ss; Verseeg, 3b; Blankenship, cf; Stripling, rf; Oudeans, p; Raemy, lf.

Valley Motor: Deltz, cf; T. Brown, 2b; Green, 1f; Hauk, ss; McFarland, c; Harvey, 1b; Mort, rf; Girod, 3b; Russell, p.

PIRATES AND CUBS SPLIT TWO GAMES

(By The Associated Press)

Splitting even on their two-game series, the league leading Pirates and Cubs turned their batting barges upon slightly less formidable foes today.

When the Pirates downed their challengers, the Cubs, 4 to 0 yesterday, they not only retained their narrow margin of leadership in the league, but also held the lead in the private duel between the two clubs of 12 games they have played.

The Pirates have won seven and the Cubs five.

As though purposely giving the whole stage to the Pirates-Cub battle rain drowned out the only other two games scheduled, both in the American league.

Road trips ending, the Giants looked forward to a few weeks with eastern teams after meeting many hard knocks in the west. Meantime their three rivals in the first division—Pirates, Cubs and Cardinals will be fighting it out largely between themselves. The Cubs prepared to open a series with the Cardinals with a double header, while the Buccaneers meet eastern opposition in the Reds.

Tilden in the men's singles of the Wimbledon lawn tennis tournament advanced to the third round today, by defeating the veteran English player, Lieutenant Colonel Algeron Kingscote, in straight sets at 6-3, 6-3, 6-4.

MISS SCHURMAN HOME

Auburn, Or., June 21.—Miss Alvina Schurman, who has been studying for missionary service at the Simpson Bible college at San Diego, returned home last week, having completed the course, and after a few weeks rest plans to enter into active missionary service.

BUNCHED HITS AND ERRORS BEAT FIREMEN

Mill City, June 21.—The Albany Aces got their revenge at Albany Sunday for a beating they received earlier in the season at the hands of the Mill City fire department, when they took the fire boys into camp 7 to 3. Up to the 7th the score stood 3 to 3, but Albany bunched their hits for 2 runs, and in the 8th two bad errors by the Mill City boys gave Albany 2 more runs.

Patterson for Albany and Blanchard for Mill City went the whole route, Patterson allowing 9 hits making 5 strikeouts, Blanchard allowing 13 hits and 6 strikeouts in his favor. G. O. Fink for Mill City did some exceptionally fine work in fielding. A game to play off the rubber will be arranged at a later date. Silverton plays a return game here next Sunday.

MANY OUT SUNDAY

Auburn, Or., June 21.—At Auburn Sunday school last Sunday there were quite a number of visitors in response to the plan of each member bringing one more. JOHNNY BECK HURLS HITLESS, RUNLESS GAME

St. Louis, Mo., June 21.—(Special.)—Gervais baseball players decided that "when it rains it pours" hits after their severe drubbing at the hands of the Angel club here Sunday afternoon by the one-sided score of 11 to 0. It was a triumphant no-hit, no-run victory for Johnny Beck, Mt. Angel mountdman, whose teammates backed him up with an avalanche of 19 hits, with only two errors. But the game was not only hitless for Gervais—it was a slaughter, for not a ball was knocked to the Mt. Angel outfield, and not a Gervais batsman reached second base during the nine hectic innings.

Joe Kasberger, playing-manager, was the slugging star in the firmament of Sunday's apple-hitting contest; in five times at bat he scored two singles, a double and a triple, and got to first on the other trip. Despite Beck's superb pitching and the uneven score, however, the game was good throughout and marked with few errors. Next Sunday's fray in the Willamette Valley league here will be with Sherwood, and if the Mt. Angel lads continue to sock the ball and Beck is in the same form displayed in the Gervais game, Sherwood may expect the same medicine. Mt. Angel has won four and lost four so far this season.

EX-SENATOR WINS FOR VALSETZ, 5 TO 1

Independence, June 21.—The tables were turned on the local town team at Valseck Sunday afternoon, when the Valseck aggregation won over Independence by a score of 5 to 1. A week ago Sunday Independence won and they went to the logging camp expecting to bring home the victory.

A special train left this city Sunday morning with about 50 enthusiastic baseball fans.

BALL GAME AND RODEO AT STAYTON

Stayton, June 21.—Stayton K. Co. played Salem Fruitland at the Stayton ball park Sunday, winning by a score of 15 to 3. After the game the crowd moved out to the Gahlen ranch where a regular old style western rodeo was pulled off. The rodeo was planned to be held at the ball park but on account of some conflicting with the city ordinance it was necessary to go out of the city limits. This did not in the least discourage attendance. Crowds came driving in from every surrounding town and country side to enjoy the show.

BAYES TO SUB IN SPOKANE CLASH VS HAWKES

Phil Bayes, Salem fighter, accepted a last minute call to meet Hawkes, Tacoma battler, in a 10 round main event in Spokane tonight. Ad Mackie, Portland, was slated to meet Hawkes but a sudden breaking out of poison ivy made this impossible and a hurry up long distance call to Bayes cinched plans for the substitution.

Bayes is not in the best of shape at the present time, having been working light to bring himself to the pink for his main event battle with Jack Nash in Astoria next week. However, he believes that he will be able to make a creditable showing, though realizing that he is facing one of the toughest customers in the northwest. One of Bayes' backers said last night, "If Phil gets over this tough Hawkes without any training he should quit training when future cards are signed." This merely shows that Bayes isn't expected to be very successful against the clever, hard hitting Tacoma fighter.

MAD BULL LEADS BY NINE MILES ON FINAL SPURT

Crescent City, Cal., June 21.—(AP)—The 480-mile Redwood highway marathon between San Francisco and Grants Pass, Ore., entered its final phase today with Mad Bull and Flying Cloud, Karook Indians, in first and second positions and with third honors apparently within reach of Melika, one of the Zuni Indian entries.

Mad Bull, heading the contestants, struck out for the last 87 miles of the course at 10 o'clock last night, after having had almost five hours of rest. Flying Cloud arrived three quarters of an hour before Mad Bull left. The holder of second place got less than three hours rest, leaving here shortly before midnight when nine miles behind the leader Melika's backers, awaiting his arrival here early today, prepared to push him on in a last desperate effort to overtake the other two.

The other six runners were strung over a distance of nearly 100 miles. With the usual run of luck and stamina, Mad Bull was expected to pull into Grants Pass some time tonight to capture first prize of \$1000. Another \$1000 will be distributed in secondary prizes.

TITLE AT STAKE IN FIGHT TONIGHT

St. Louis, Mo., June 21.—(AP)—The world's championship fly-weight crown will be at stake here tonight when Fidel LaBarbara, title holder, meets Mike Brady of Peoria, Ill. in a scheduled ten round bout at St. Louis university athletic field.

The champion and challenger both are down to weight and appear to be on fine fighting edge.

Interest in the bout has been stimulated by the performance of the Peoria contender in his victory here a few weeks ago over Jimmy Lucas, the United States navy title holder, in an 8 round match.

LaBarbara, however, appears confident of retaining his title.

When Farmers Profit Prosperity Follows.

The success of the rest of the country is dependent to a very great extent upon the prosperity of its farms. And there is only one genuine formula for prosperity on the farm—reduced cost of production and higher prices for products.

For many years the United States National Bank has been stressing the necessity for 100 per cent efficiency in the operation of Willamette Valley farms. Not only have we emphasized its importance but always have been willing to lend our assistance to farmers desirous of operating their farms at the maximum efficiency. Let us help you, too.

I figured right when I signed with P.A.

WHEN I first started to smoke a pipe, I looked around me. The fellows who seemed to be getting the most out of their pipes were filling them from a bright-red tin, with a picture of a man in a frock-coat on it. They told me it was the greatest pipe-tobacco ever.

I decided to find out for myself. I bought a tin of Prince Albert. As I opened it, the aroma that floated out of it gave me a real thrill. It reminded me of a trek through the woods when the dew is on the leaves and the sun is on the up. I couldn't wait to try it.

The very first pipe-load won me. I was ready to sign on the dotted line. It was cool and sweet-flowing as Tennyson's brook. It was mild and mellow as spring sunshine. Yet it had that full, rich tobacco body that let me know I was smoking. You know what I mean.

I sure figured right when I signed with P.A. The philosophers say the only real pleasure is that which you share with others. So I'm letting you in on the ground floor. Get yourself a tidy red tin of good old P.A. today. Fill your pipe to the brim—and go to it!

P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidor, and pound crystal-glass humidors with sponge-maintenance top. And always with every bit of bite and punch removed by the Prince Albert process.
