

LOCALS

The annual reunion of the Salem picnic association will be held in Portland Saturday afternoon at Laurelhurst park. While the event is primarily for former Salem people now living in Portland, a number of Salem people usually attend the reunion and renew old friendships. Plans are being made for several hundred at the picnic.

CHURCH PLANS OBSERVANCE OF 75TH BIRTHDAY

The seventy-fifth anniversary of the founding of the First Congregational church of Salem will be celebrated next Sunday when a number of former pastors of the church, older members of the congregation who left Salem years ago, and all members of the present congregation will meet at the church for special services at eleven o'clock in the morning and eight o'clock in the evening.

None of the charter members of the Salem church are still living but a number of their sons and daughters and other relatives will be included in the anniversary celebration group. The first members were Mr. and Mrs. L. N. Gilbert, Albert Fellows, and Mrs. Lorraine Williams.

E. T. Hatch of Vancouver, who sang in the choir fifty years ago will be here Sunday to observe the three-quarters of a century of the church organization. Mrs. M. M. Chapman, of Salem, is one of the oldest members of the congregation.

Rev. C. H. Harrison of Portland, state superintendent of the Oregon Sunday school, and Philip E. Bower, of Portland, former pastor of the Salem church, will be the speakers at the morning services. In the evening Rev. W. C. Kantner of Salem, and Rev. E. S. Bollinger, of Portland, for many years superintendent of the state school for the blind, will take a leading part in the ceremony.

PURVINE ASKS BAN UPON CURB PUMPS

Alderman Purvine continued his battle here against pumps eliminating the streets of Salem which he moved, at the city council meeting last night, that no pump be allowed to usurp more parking space than the space of one automobile headed toward the curb, and that the city attorney be instructed to draw up an ordinance to this effect for introduction at the next meeting of the council. The motion carried without protest.

The question first came up in connection with an application of the Fitzgerald-Sherwin Motor company for permission to install a street gas pump at its place of business in the new Nelson building now going up at Chemeketa and Liberty streets. The petition was allowed over the protest of Purvine and some other members. While most of the councilmen are in favor of eliminating the street curb pumps they felt that it would be unfair to deny the petition of the Fitzgerald-Sherwin company.

MOTOR COMPANY WINS ON APPEAL

A judgment of \$10,000 granted by the lower court for Multnomah county to the Northwest Auto company in its suit against the Reo Motor Car company was upheld by the supreme court today in an opinion written by Justice Bean, affirming Judge J. M. Batheider.

The case was an action for damages for termination of a contract with the Reo Motor Car company for distribution and sale of Reo automobiles. The original contract was modified by subsequent agreement, and the defendant contended there was no acceptance of the contract under the plaintiff's claims. The defendant further claimed that the plaintiff refused to take delivery of various models of automobiles as stipulated.

The opinion that no error was made by the trial court in refusing a motion for non-suit or in refusing certain requested instructions for a verdict in favor of the defendant.

COUNCIL AWARDS MUNDT MORE PAY

Al Mundt, assistant city recorder, whose salary has been \$1,500 a year, was accorded a \$300 increase by the city council last night, the additional pay to be made from the direct improvement fund. Aldermen who voted to but for Mundt declared that he does a tremendous amount of work and that "he has his nose in the books of the city all the time." The salary increase will date from January 1, this year.

This action led to a discussion about bookkeeping machines. Alderman Purvine was of the opinion that the city would save money by the purchase of one of the machines, and that it could handle the work of the recorder and the city treasurer.

LET PEACHES PAY OWN LAWYERS--BROWNING

Carmel, N. Y., June 21.—(AP)—Edward West Browning believes "Peaches," his Cinderella wife, is now earning enough money as a public entertainer to pay her own legal battles.

In six affidavits filed in court here in answer to his wife's plea for an additional \$10,000 for legal fees, counsel for the wealthy real estate operator alleges Mrs. Browning has earned more than \$26,247 since April from theatrical and night club contracts.

Encampment Briefs

One of the most interesting delegates at the encampment is S. M. Horton, 83-year-old Portland veteran, familiarly known as Buck Tail. Comrade Horton is the last living member of the famous Pennsylvania Buck Tail regiment made up of crack sharpshooters. The regiment was practically broken up by 1865 after many long, hard campaigns, but a small group of about 100 men organized themselves with a long buck tail on the hat as their symbol. With his badge Mr. Horton has become a familiar figure at each encampment.

A. L. Pearson of Vancouver, 86 years old, but still an active campaigner, is making his first visit to Salem since he left 20 years ago. Mr. Pearson reports that he can hardly recognize the town and is having a hard time finding his old cronies.

Joe, we'll omit his surname, didn't bring his wife to encampment and when asked by a comrade why he left her at home he said: "When I joined the army they tried to get me into the cavalry. I said, 'You can't get me into the cavalry because every place I go I'll have to drag my mule along. That's the way with bringing the wife to camp, she's too much like a mule.'"

One of the biggest objections to the candidacy of C. B. Zeek for commander of the Grand Army is his youth. He hasn't quite reached his 80th birthday and many of the old timers think that a 79-year-old is too much of a youngster to hold office.

The staid sobriety of old First M. E. received a jolt this morning when two Union veterans pranced through the city in a parade, one a well known W.V.C. member played a mouth harp duet.

Salem Boy Scouts are piling up the good times this week in rapid fashion by entertaining and directing visitors. Their headquarters are at the Methodist church.

Walt Thompson, city cop, has been assigned to a difficult patrol. He does his best to keep First church, the registration headquarters, intact, but the Grand Army comrades got the best of him this morning by putting on a dance on the church steps. With an eager smile for all feminine delegates Walt has already created several arch enemies among the veterans who were straining for action.

Many homes in the city have been opened by patrons of the visiting organizations to complete the housing of visitors who have far overflowed hotel accommodations. More cars are needed for transportation.

JURY TO GET CASE DURING

nel and tree-shooting near the bandstand camp. "The shot at 14 to 15 feet, at straight trees with bodies the size of a man and all in thickets. The men who did that shooting were preparing for an emergency. Hunters don't use pistols in killing deer."

DENIES FRANKING Neuner carried the bandits carried "the instrumentalities of death to the tunnel in knapsacks. I do not know, after the crime, they might have figured to use them to pack away the loot."

"I want this jury to comb this evidence with a fine tooth comb and get every bit of the rest of it. They will find three men—the three in the Eugene stores, the three in the Silverton camp and the three in Portland," shouted Neuner.

"The postoffice receipt in the originals is called 'manufactured evidence.' When you go home after your deliberations, rummage your old suits and see if you don't find evidence."

Describing the scene in the engine, Neuner said: "There were two men in that cab and one had a gun, and I have a right to assume that this man shot Sid Bates," as he shook his finger at the defendant.

Stayton, June 21.—J. W. Mayo and family, Lawrence Sigmund and wife spent the week end at Newport.

PRISCILLA DEAN IN 'BIRDS OF PREY'

A powerful drama of those who give and those who pay. Columbia Pictures presents Priscilla Dean in 'BIRDS OF PREY' with Guyton von Seyleritz, Hugh Stanley Dracy, directed by Will Joseph.

Columbus, Ohio—Eight years after it was lost at the Ohio state fair grounds, a purse has been returned to Mrs. J. D. Conrad, of St. Petersburg, Fla., with its contents intact, including sixteen dollars in cash, two rings and other knick-knacks.

SUMMER SCHOOL OPENS WITH 319 AS ENROLLMENT

School started yesterday for 319 Salem children who enrolled for the five and a half weeks of summer school in the Grant and Park schools. The enrollment is larger than for any previous summer school and in the opinion of Miss Margaret Cooper, in charge of the entire session, the ten critic teachers are among the best teachers in the state. Fifty nine student teachers from the Oregon normal school at Monmouth are taking care of the class work under the direct supervision of the critic teachers.

Twenty nine tiny tots who will be old enough to enter school next fall are members of the two beginning classes. Sessions begin each day at eight thirty and last until noon. Critic teachers at Grant school are, first grade, Naomi Hagenson of the Oregon normal school; second grade, Katherine Sims of Silverton; third and fourth grades, Florence Beardsley of the Oregon normal school; fifth and sixth grades, Stella Banner of the Monmouth normal faculty and critic teacher at Rickreale last year; seventh and eighth grades, Julia Spooner, prominent Portland teacher.

The Park school critics are as follows: for the first grade, Mrs. J. A. Duncan of Salem, one of the best primary teachers in the state; second grade, Sadie Schmidt of Marshfield; third and fourth grades, Bess Scog of Portland; fifth and sixth grades, Grace Bridges of Portland; seventh and eighth grades, Rosella Richardson of Silverton.

SALEM WOMAN HEAD OF AUXILIARY

(Continued from page one)

of patriotism and courtesy to the flag in the schools during the past year. The Sons of Veterans aim to take up the work of the G.A.R. as the old order passes on. The annual election of the Sons will be held this afternoon with Charles Fessenden of Salem favored for commander although no active campaign is being waged as in the Grand Army camp where C. B. Zeek of Bandon, and H. S. Lilliger of Portland, are waging an active battle among their friends for the command. Zeek is the present commander of the Sons of Union Veterans but is eligible for office in the older organization, having served in the Union army as a boy of 16.

Tonight the Grand Army and all allied groups will hold joint session in a public reception at the armory. Governor Patterson, C. A. Howard and Mayor T. A. Livesley, together with state officers will address the assembly.

PARADE ORDERS OUT

General orders concerning the grand parade have been released. All organizations will report to the grand marshal, Glenn L. Adams, at Marion Square tomorrow at 9:30 a. m. The parade will form on North Commercial street with its head on Commercial street at Chemeketa facing south, and will march south on Commercial to State, east to Liberty, then north to Court where it will pass the reviewing stand and having served to the bandstand in Wilson park for the flag exercises. The parade will disband on Court street between Winter and Summer

streets, with automobiles unloading passengers in that block. The parade will form as follows: Police escort, grand marshal and staff Colonel Carl Abrams, Major Henry O. Miller, Lylo Dunsmoor, Charles Fessenden, J. A. Remington, C. J. Hull and J. S. Baker. The first section of the parade includes the colors, the Cherrian band, G.A.R., W.V.C., and Ladies of the G.A.R. in automobiles, Sons of Veterans, Sons of Veterans Auxiliary and the Daughters of Veterans, under the command of Charles Fessenden.

Section 2, under command of Lylo Dunsmoor, American Legion official, will include the Legion drum corps, Spanish War Veterans S.W.V. auxiliary, American Legion and auxiliary, Veterans of Foreign Wars and the Daughters of the American Revolution. It will form on Marion street, east of Commercial. Major Henry O. Miller will lead the third division, including the state training school rank, Chemeketa battalion, Salvation Army, boy scouts, Campfire girls, Cherrians, Elks and other fraternal organizations, forming on Marion street west of Commercial.

The grand marshal urges that every member of participating organizations make plans to join the parade and make it a memorable day for Salem. Huge crowds are expected to be in the city to view the veterans on the biggest day of the encampment.

ALASKA HOME BURNS Turner, June 21.—Mrs. F. C. Dezell has received word that her brother's home in Alaska was covered for nine days with the flood and they were compelled to leave to seek safety. The home and everything were completely destroyed.

QUAKE WRECKS TOWN

London, June 21.—(AP)—An earthquake on May 23 ruined the greater part of Lianghow, in the northern part of Kansu province, near the Mongolian border, it is reported in dispatches from Shanghai today. A message received by the Daily Mail says the chief magistrate and many others were killed and that all the towers of the city gates and two parades, 2000 years old, were demolished.
