## Montana Folk to Gather

All plans are ready for the Montana picnic which will be held at Hager's Grove, Sunday, July 24. Assurance is reaching the committee from towns as far south as Eugene and as far north as Portland that the Montana people will be here in large numbers for the picnic.

Everything now indicates that this will be far the largest gathering of Montana people ever held in the state of Oregon. An elaborate program has been planned by the committee. The picnic dinner will be at 12 o'clock, the club furnishing the coffee. It is planned to have the speakers' platform so located that the crowd can spread their dinner around it. Immediately after the dinner the Governor Patterson will deliver a short address welcoming former citizens of Montana to the state of Oregon.

H. R. Cunningham, President of the Montana Life Insurance company of Helena, Montana, is making the trip from Helena to Salem and will deliver the principal address. Mr. Gillette the president of the Montana club says that Mr. Cunningham is not only a fluent and interesting speaker but is well acquainted with the entire state of Montana and more or less familiar with the state of Oregon. Mr. Cunningham is also known personally or by reputation to practically every former Montana resident and the club considers itself fortunate indeed in securing him as the principal speaker of the day.

After the speaking the committee on sports will take charge, and the afternoon will be devoted to games, races, swimming and horseboes. The horseboes contest promises to be a lively and interesting match. A small entrance fee will be charged for this contest and a worthwhile prize will be awarded the winner.

According to Mr. Gillette the committee now estimates that there will be between 1500 and 3000 in attendance. Every arrangement has been made to handle the crowd. There will be a large number of club members on the ground to see to parking of cars and give general information. Expert swimmers will be stationed at the swimming pool to guard against accident.

Men will be stationed at the south corner of the state house grounds to give direction for reaching the grove. Any Montana people not having transportation who will come to the state house grounds at 10 o'clock will be taken to the grove in cars with others. The committee requests all those who have room in their cars for an extra passenger or two to stop at the state house grounds and pick up those who have no transportation.

To reach the grounds go east on State street past the penitentiary to the 4 corners, turn south on Turner road one mile.

All members of the Salem Montana club are urged to be present on the grounds by 10 o'clock if possible.

About thirty members of the Epworth League of the First Methodist church met at the church last Saturday evening to make plans preparatory to the institute which will be held at Falls City, August 1-7.

A jitney supper was planned by the group for Friday, July 22, to help defray the expenses of the institute. It will be given in the dining rooms of the church and will be under the direction of Miss Stolzeise, 4th V. P. of the League.

Of course the wash is heavier during the warm months, and things get so much dirtier. But that doesn't bother me one bit now.

I have found a way to get the biggest summer wash out of the way in no time, without the least bit of hard rubbing. I just soak everything in thick, creamy Rinso suds—and dirt and stains float off by themselves!

Clothes come out of a Rinso soaking much brighter and whiter than I could rub them. I don't even need to boil, because Rinso sterilizes, too! So now my kitchen is cool on washdays.

Rinso makes our water wonderfully soft and sudsy. It's all I need on washday. Just ask your grocer for
