

MRS. HILL WILL DEVOTE LIFE TO HER SMALL SON

Butte, Mont., Oct. 21. (AP)—The mother love of an ex-Pollies girl has triumphed over the lure of Broadway and the stage.

Mildred Richardson Hill, ex-Follies girl, who has had a taste of ranch life in the west and is now seeking separation from her husband, Walter Hill, son of the late James J. Hill, will not return to the stage if she is successful in her proceedings, she let it be known today.

"The lure of Broadway has no influence on me," she is quoted as saying by Miss Eve Finan, her New York companion here. "Mrs. Hill's intention if she is successful in her case, is to devote the rest of her life to Earl Baker, her nine-year-old son by a former marriage," Miss Finan declared.

Mrs. Hill's complaint seeks separate maintenance, asks for \$500 a month temporary alimony; \$2,500 for costs of action and \$25,000 for attorney's fees, it was learned today.

In the complaint Mrs. Hill alleges that her husband frequently became intoxicated; used abusive language to her and beat her and the complaint further charges that in a Spokane hotel Hill dragged her about the hotel room during an "outbreak."

CAST COMPLETED FOR DE MOLAY PLAY

Five of the nine people in the cast of "White Collars," the play which will be presented by the Salem De Molays at the Eskimo theater on November 1, are Willamette University students. "White Collars," a comparatively new play was given in Portland by the Henry Duffy players last summer and presents problems of the middle class as suggested by its title. Difficulties encountered by holders of "white collar" jobs furnish both pathos and humor in the development of the play's plot.

Jack Minto takes the part of William Van Luy, the man rich by inheritance; Harold Tomlinson will play the role of Frank Thayer, a "white collar" whose sister, Nellie, played by Katherine Egin, marries his employer, Van Luy. Martha Hobson will be Sally Van Luy, Van Luy's aristocratic but well-meaning sister and Charles Kaufman will play Cousin Henry.

Fay Jo Woltz, a high school girl, will play the part of Joan Thayer, the lead for the women. Betty Shipley will be Mrs. Thayer. Charles Bier will take the role of Mr. Thayer, and Bill Boelen will be Tom Gibeon in the play which is being managed by Bob Sears and Jack Minto.

Mrs. Braizer Small is coach.

NEW DEVICE ALLOWS BLIND TO READ MUSIC

Jacksonville, Ill. (AP)—The blind may now read music, written in the raised dots of Braille, by "sight."

With one hand, the sightless player reads the music on the piano rack and plays it with the other. It takes only practice for him to memorize the notes sufficiently to play the selection with both hands.

A revolutionary step in teaching the blind, the method making possible "sight" reading of music, was perfected by L. W. Rodenberg, himself sightless, who is in charge of printing at the Illinois School for the Blind at Jacksonville.

It will be demonstrated for the first time at the seventh annual Illinois conference on public welfare to be held in Joliet Oct. 18-20.

STATE BUREAU CHIEFS CUTTING DOWN EXPENSES

That state department heads are cooperating with Governor Patterson in his determination to reduce operating expenses is shown by departmental reports just compiled by the governor.

For the six months period from January to June inclusive the governor finds that six of the major state departments operating on a fee or license basis have increased their revenue from \$1,001,992.52 to \$1,063,063.98, an increase of \$51,171.46 for the period, while operating expenses have been reduced by the same departments from \$128,591.33 to \$124,644.89, a reduction of \$3,946.44 for the period.

The departments covered in the survey are the prohibition department, insurance commission, state fire marshal, real estate division, state market agent, and the corporation department.

Governor Patterson is working out a plan that contemplates quarterly reports of all incomes and expenditures from all the state departments, and says he intends to keep a close check upon all disbursements with the object of securing full cooperation in the lessening of expenses.

The state deficit at the close of business in the treasurer's office on October 19 was \$712,489.88, against

\$617,953.02 on October 5, it was reported today.

The deficit will be wiped out temporarily next month when about \$1,730,000 in state taxes will be received from the counties. The deficit is expected to appear again in April.
