## Chapter G At Beechler Home

Oregon Wild Flowers formed the topic of an interesting paper given at the meeting of Chapter G of the P. E. O. sisterhood yesterday at the home of Mrs. D. X. Beechler, by one of the chapter members, Mrs. Fred Lange. A half dozen of the best known "families" of wild flowers of the Pacific Slope were described in the paper.

Living rooms of the Beechler home were attractively decorated with yellow and golden fall flowers. During the business session final plans were made for the rummage and used article sale which the chapter is sponsoring today and tomorrow at 487 Court street. Mrs. Fred Toole is in complete charge of the sale. A cooked food sale will be held in combination tomorrow. Mrs. William Hughes has charge of the food sale.

Bird incidents given as well call responses furnished much amusement. Members told of their own experiences with parrots and other house pets of the feathered tribe. In the group yesterday were Mrs. A. L. Godfrey, Mrs. W. M. Hughes, Mrs. Harold Hughes, Mrs. P. J. Kuntz, Mrs. G. W. Laffar, Mrs. Fred Lange, Mrs. C. K. Logan, Mrs. W. M. McGilchrist, Mrs. B. J. A variety of lovely gifts were showered on the honor guest during the evening. Mrs. Charles Ward and Mrs. Mark McCallister received the presents as they entered the reception room. Miss Taylor was seated in a big armchair in one corner of the room and she greeted them there.

The rooms were beautifully decorated with autumn leaves, gladioli and zinnias, arranged for the occasion by Miss Olga Chapman and Miss Kitty Graver. A great basket filled with fall flowers in shades of yellow, and red tapers in crystal holders centered the serving table which held the big birthday cake. ## Doctor Found Women And Children Sick More Often Than Men

As a family doctor at Monticello Illinois, the whole human body, not any small part of it, was Dr. Caldwell's practice. More than half his "calls" were on women, children and babies. They are the ones most often sick. But their illnesses were usually of a minor nature—colds, fevers, headaches, biliousness—and all of them required first a thorough evacuation. They were constipated.

In the course of Dr. Caldwell's 47 years' practice he was graduated from Rush Medical College back in 1875; he found a good deal of success in such cases with a prescription of laxative herbs with psyllin. In 1892 he decided to use this formula in the manufacture of a medicine to be known as Dr. Caldwell's Syrup Pepsin, and in that year his prescription was first placed on the market.

The preparation immediately had as great a success in the drug stores as it previously had in Dr. Caldwell's private practice. Now, the third generation is using it. Mothers are giving it to their children who were given it by their mothers. Every one somewhere is going into drug store to buy it. Millions of bottles of Dr. Caldwell's Syrup Pepsin are being used a year.

Its great success is based on merit, on repeated trying, on one satisfied user telling another. There are thousands of homes in this country that are never without a bottle of Dr. Caldwell's Syrup Pepsin, and we have gotten many hundreds of letters from grateful people telling us that it helped them when every thing else failed.

## Mrs. Harry Hawkins Entertains

Mrs. Harry Hawkins entertained her bridge club and four additional guests at an attractive luncheon at the Grey Belle yesterday followed by an afternoon of bridge in her home on Lincoln Hill.

Two long baskets on the luncheon table in the Chinese room held lovely marigolds, dahlias, gladioli, and Michaelmas daisies and lavender tapers in brass holders were used in combination.

Covers were placed for Mrs. T. B. Kay, Mrs. Hollis Huntington, Mrs. J. H. Carson, Mrs. R. E. Steiner, Mrs. Henry Meyers, Mrs. George Rodgers, Mrs. John J. Roberts, Mrs. David W. Eyre, Mrs. Dan J. Fry Jr., Mrs. O. C. Locke, Mrs. John H. McNary and the hostess, Mrs. Hawkins.

The bridge prize for afternoon's high score was won by Mrs. John H. Carson. . . .
