AUTO TOURISTS WANT CABINS OR DRIVE ON

With an average of ten or twelve parties making camp overnight, it is probable that the Salem auto camp grounds will remain open at least another month, according to H. S. Poisal, who has charge of the grounds. The park board, under whose jurisdiction the grounds are operated, has not yet set a closing date. Last year the grounds were closed November 15.

The motoring public today is carrying motor and demanding permanent cabins, cheerfully paying the \$1.50 a night asked by the local camp grounds, Poisal says. Because of lack of accommodations the camp has lost an average of two cars a day since June 1, a record having been kept throughout the season. The last houses are popular during the summer months only, a majority of the tourists demanding a more substantial building.

Basing the loss of patronage on the charge made by the camp, the municipal grounds have lost approximately \$900 in revenue by failure to have sufficient accommodations, an amount that would provide several additional permanent cabins. Increase of the number of cabins to at least 20 and a reduction in price to a dollar a night would materially increase the revenue during the season, it is believed.

HIGH SENIORS DON NEW GARB AND BURY CORDS

The secret, carefully guarded for weeks, of what the senior boys at Salem high school consider the proper and significant garb for those of their rank was blazoned before the 1200 students of the school this morning at the pep assembly. Male members of the class of 1928 appeared in suits of pin striped blue and white denim, with a short jacket and full trousers. Cords, which have always been the recognized senior garb, were placed in a coffin and carried on the platform by six pall-bearers while Marvin Headrick repeated a funeral dirge.

The "final services" of the cords followed the singing of the senior song by a group of a hundred senior girls wearing white sweaters and skirts. The words for the song were written by a group of the seniors. A trunk in the center of the stage was opened and out "popped" a diminutive member of the class, Delimita Mills, who flouted the senior banner. A class yell followed.

SMIKPOH dramatic society pledges furnished their share of the fun for the assembly. All day today at the high school, girls pledged to the society appearing in classes in skirts of angle length and without make-up of any kind. The boys wore knee trousers, Peter Pan collars and soft ties and most of them had bare knees. At the assembly this morning they "spoke pieces" and sang songs. At noon they cleaned the Eugene paint from the front entrance to the high school and tonight they will be formally initiated at the Homer Smith home.

A pep talk by the football coach, Louie Anderson, and yell leader, leadership of Phil Bell, official yell leader, closed the program.

WILLAMETTE HOME COMING NOVEMBER 5

Plans for Willamette Homecoming day are being formulated rapidly with intentions of making it the biggest in the history of the school, November 5.

Kenneth McCormick, homecoming manager this year, today announced his committee appointments at a special student body session.

On the program committee are Wendell Keck, chairman, Wilburn Swafford and Doris Phenecla. Dan Grant heads the decoration committee with Leslie Kellow, William Tweddle and William Wright as assistants. George Poor will conduct all publicity.

The hospitality committee includes Charles Kaufman, Mildred Miller, Marjorie Miller, Louise Garrison and Kenneth Lawson. Ivan White, student football manager, was named as chairman of the game committee and Helen Sande as supervisor of sticker sales.

Pacific university, always a strong rival, will be the opponent of the day in football in a game which promises much action that should bring a large attendance.

INSURGENTS DISAGREE ON RELIEF

The inability of some members to attend.

The stand taken by Senator Nye which he indicated was shared by some other members of the group, indicates that some time will be required in working out the farm problem. The North Dakota senator said that he would not be opposed to listening to a substitute for the equalization fee, but he would have to be convinced of its adaptability before abandoning this point in the vetoed McNary-Haugen bill.

Senator Norris of Nebraska who is favored as a presidential candidate by the group, said today that while he was not wedded to the equalization fee, he had not found a substitute for it so far. He indicated little favor toward Senator Brookhart's proposal, insisting that farmers did not want a direct subsidy from the government.

The Nebraska senator said that the group hoped to give an expression of its view on agriculture soon but he did not believe that the organization would attempt to center on any one bill or to draft a substitute. This question will be taken up at the meeting on Monday.

ALARM FELT OVER MISSING WOMAN

Hopewell, Oct. 21.—The disappearance of Mrs. Cave several days ago has caused great alarm here. When last seen she was walking down the road in the direction of Salem and since then no word has been received from her and efforts to locate her have proven fruitless. Mrs. Cave was believed in the best of health and spirit at the time she disappeared.

Ottawa.—The supreme court must decide whether women are persons. Women's organizations have been demanding representation in the senate, which the constitution limits to "qualified persons."

RUSSIAN REDS - INSULT POLICE

Paris.—(AP)—The "Internationale," song of revolutionary reds the world over, is definitely classed as an "insult" when sung at the police.

Paris courts supported this contention of the police and imposed jail sentences in three cases recently. Communists sing the song on all occasions, at their meetings and in their parades. It might seem deplorable whether any of the phrases are in themselves sufficiently offensive to justify them being termed seditious, but the underlying idea of the armed revolution, "the final struggle" against things as they are, is considered sufficiently offensive to establish government.

YOUNGSTERS TALK AS PUBLICITY HOUNDS

London.—(AP)—Sir Ernest Benn, publisher and economist, believes Communistic talk has been adopted by many fashionable young men and women because that is the only way they can get notice in the newspapers.

"People—ordinary vain human beings—like to be reported," said Sir Ernest in an address to the annual meeting of the Individualist Bookshop, Limited. "If they can only get into the newspapers by talking Communism, is it any wonder they take that means of becoming known?"

FRUIT COSTS HIGH IN SENATE GARDEN

Paris.—(AP)—Probably the most expensive fruit in France is the "official" product of the Senate orchard adjoining the Luxembourg gardens. It costs 700,000 francs to keep up the fruit trees and the flowers and there are 45 gardeners on the payroll. The fruit brings in about 20,000 francs a year so each apple or pear costs the government 35 times what it brings on the market. The receipts go into the Senate's bar fund.

10,000 IDLE FROM FLOOD

Pittsburgh, Oct. 21.—(AP)—Pennsylvania today was recovering from one of the most disastrous fall floods in the history of the state. Made thousands homeless and caused the flood took at least three lives, ed more than 10,000 men to be idle. Following a continuous rain which fell for 7 hours, hundreds of highways in the sections near Harrisburg, Pittsburgh, Wilkes-Barre and Shamokin were turned into raging canals, creeks overflowed their banks and the flood waters poured into the town.

Two railroad employees were killed near Hallett when an engine went into a washout and an unidentified man was drowned near Sayre. Coal mines were flooded and miners faced a suspension of work.

BANDITS GRAB DUMMY GRIP

Newark, N. J., Oct. 21.—(AP)—An automobile load of robbers waylaid payroll messengers of the Essex Foundry company near the plant in Murray street today and escaped with a dummy satchel instead of the bag containing the payroll of \$14,000.

Three of the company's employees were driving through Avenue D when a big car crashed into their small automobile in which the payroll and the dummy were carried. Two shots were fired into the air to intimidate the messengers. Then five bandits jumped upon them, snatched the bag containing a brick, instead of the \$14,000 and made away.

OLD ESCAPE GARDEN ESCAPES REPAIRS

London.—(AP)—The quaint old Covent Garden theatre, where David Copperfield saw his first pantomime, is not to be disturbed by plans which call for modernization of the famous flower and vegetable market, which dates back nearly 300 years and from which the playhouse takes its name.
