

IDAHO'S GRID TITLE RIGHTS IN DISPUTE

THREE TEAMS JUMBLED FOR LEADERSHIP

Team	Won	Lost	Tied
Sanford	4	0	1
U. S. C.	3	0	1
Idaho	2	0	3
Washington	3	1	0
California	2	3	0
Oregon State	3	1	0
Washington State	3	1	0
Oregon	0	3	1
Montana	0	4	0

San Francisco, Nov. 21. (AP)—Stanford and the University of Southern California stood out today as the leading contenders for first place in the Pacific coast conference race.

With an unblemished conference record, Stanford now rules the favorite and will unannouncedly be voted leading conference eleven providing U. S. C. fall before the onslaught of Washington, December 3.

The latter possibility is quite probable.

Tomorrow the Trojans, with the confidence of the undefeated, entrain for Chicago, to meet Notre Dame next Saturday.

Immediately following their clash with Knute Rockne's warriors they start back to Los Angeles and will arrive home barely in time for a light practice session before they meet the Washington Huskies.

That game will spell finish for the 1927 Pacific coast conference season. If U. S. C. wins it will be the Stanford for high honors. If Washington defeat U. S. C., Stanford will head the list.

Idaho holds a technical claim to the title. The Vandals, however, have been tied twice by teams low in conference rating and have not met any of the leading conference squads. The Vandals' claims are based on victories over Oregon Agricultural College and Montana. O. A. C. has been defeated by three conference teams and Montana has fallen before four.

Stanford jumped the last hurdle Saturday when Coach "Pop" Warner's red horde defeated the Golden Bears of California in the "big game" of the Pacific coast. By playing a superior brand of football the Cards won by a score of 13 to 6.

The Bears have training today and were preparing for final examinations. A month from now they will resume the training grind to get in shape for the University of Pennsylvania game December 31.

Coach Nils Price of the Bears has left the California campus for the east where he will scout the Penn-Cornell game and also the Army-Navy clash.

Tonight Stanford will decide whether or not to play an eastern team at Pasadena, January 2. Coach "Pop" Warner of the Cardinals has already left for the east and will scout Pittsburgh, the team expected to be chosen as the east's representative, when that team clashes with Penn State. Warner was once coach at Pittsburgh.

TOWNSMEN TO BUY TOGS FOR SCHOOL TEAM

Independence, Ore., Nov. 21.—There is a general movement on hand among the business men of Independence to take up a collection sufficient to furnish the training school football team with suits.

This movement is promoted by the pluckiness, and grit shown by the grade school team in the football games they have played this year. They defeated the Month-mouth junior high team 13-0 here, November 4, and were victorious over the Dallas high freshman team Thursday, Nov. 17, on their opponent's gridiron. There isn't much question but that they will win the Polk county grade school championship this year.

Each time they have willingly gone to battle without proper uniforms. Several of the fortunate ones able to borrow helmets, but the others were without any football togs.

After their victory Thursday evening they were treated to a free show at the Isis theater by Ross Nelson the proprietor, and he said, "In all the college and high school games I have seen, never have I seen more gameness, fairness and sportsmanship exhibited, than that shown by the grade school boys in the two games I have witnessed."

LOMSKI MAY GET SLATTERY FIGHT

New York, Nov. 21 (AP)—Prospects of a light heavyweight title bout between Jimmy Slattery, recognized champion of the National Boxing association, and Leo Lomski of Aberdeen, Wash., in Madison Square Garden on December 12 developed today.

Matchmaker Jess McMahon said Lomski, who already is signed to meet Tommy Loughran, the titleholder of the Pennsylvania and New York authorities in the garden on January 5, is agreeable to the Slattery match. McMahon said he expected to have a definite reply today from Slattery on the proposed bout.

Portland, Nov. 19.—Benny Felt, scrappy featherweight, who has signed for his third fight with Phil Hayes to be staged in Salem November 30, is expected to the Slattery match. Felt, who fights Johnny McCoy, national flyweight champ, here Tuesday.

Charley Paddock Plans Return To Track With Olympic Games In Mind

By Alan Gould

Cincinnati, Ohio, Nov. 21 (AP)—Charley Paddock has no idea of taking a serious turn at indoor sprinting this winter but the blond California veteran is fully determined to try out for the Olympic team next spring, ambitious to do something that no American sprinter has ever achieved—represent this country in three successive Olympiads.

Here to attend the convention of the Amateur Union as a southern California delegate, a role contrasting with the somewhat sharp conflict he had with the A. A. U. several years ago Paddock declared his spiked shoes are still "in the ring."

"I'm getting a bit old," he said, "but maybe there is still a kick left."

"What I'd like to do is to have one good race—say against a man like Chet Bowman, the national 100 yard champion—early next spring, either in the east or west, to determine what sort of shape I am in. Bowman may consider this a challenge, in fact, he wants to. That would give each of us something to get in shape for and make it easier later on to work up to the Olympic climax. My idea would be to make the race a feature of a meet in some big eastern city for the benefit of the Olympic fund."

Paddock has helped the United States score 24 1/2 points in the Olympics in the prints and relays. This is more than any other

American star has collected but the stocky Californian wants to set a higher mark for newcomers to shoot at.

One of Paddock's most sensational Olympic races was a losing one, by a margin of inches. It was the 200 meter finals of 1924, when Jackson Scholz, former University of Missouri star, nipped the Californian at the tape. The notion has always been prevalent that Paddock beat himself by a gesture of turning his head in the last few strides and slackening his pace a bit.

This is his story of that epic finish, however.

"It was tight all the way down, although I gained and held an edge over Scholz going into the last 50 yards. Ten yards from the finish, however, I went dead. I had nothing left but momentum and turned my head and body only with the idea of reaching for the tape, gaining an extra inch or two that might mean the difference between defeat and victory. But Jack had the most stuff and won. Charley Borah, southern California flash and intercollegiate champion, is considered the "perfect sprinter" by Paddock.

"He's almost too good to be true," declared the veteran who hung up his famous mark of 9.5-10 seconds for the 100 yards in a sensational finish with Borah over a year ago. "He does everything right. There's nothing in his action to criticize. And he has a great competitive temperament."

SUSPEND DUNDEE FOR STAGING FAKE

New York, Nov. 21 (AP)—Joe Dundee of Baltimore, world's welterweight champion, was suspended today by the New York state athletic commission as a result of the recent Los Angeles fiasco in which his title fight with Ace Hudkins fell through at the last minute.

At the same time two of the New York commission's official physicians pronounced Jack Sharkey, Boston heavyweight unit to fight as a result of an injury to one of his fingers, thereby supporting the boxer's excuse for calling off a fight scheduled tonight at Madison Square Garden with Tom Heeny.

JEFFERSON BREAKS EVEN

Jefferson, Nov. 21.—Jefferson high school broke even in basketball last week, the girls' team defeating Tammest, 17 to 8, and the boys losing to the boys' team of the same school, 36 to 16. The games were scheduled as practice games but other contests will be staged at regularly scheduled dates later in the season.

PLAN INDEPENDENT SILVERTON TEAM

Silverton, Nov. 21.—A town basketball team is being formed and it promises to be one of the strongest that has been here for many seasons.

Jerry Gunther of the high school faculty is coach and will also play. He was one of the foremost basketball players at U. of O. Among others who are expected to be on the team are Henry Alesh, Lowell (Brick) Hoblett, Jake Werle, Kenneth Bentzen, Vance Colner and R. P. Halverson of the Silverton super station. Practice started several days ago in the Eugene Field auditorium.

JEFFERSON HOOP TEAMS PLAY SCIO

Jefferson, Nov. 21.—The grade girls and boys basketball teams went to Scio Thursday evening to play a practice game.

The Jefferson girls were defeated by a score of 16 to 10 and the Jefferson boys won by a score of 17 to 16. Alice Harris is captain of the girls team and Merlin Whedbee captain of the boys.

HARRISBURG NO MATCH FOR RED AND BLACK MEN

Releasing an attack which was unfathomed by Harrisburg, a good small town team, Salem high school scored a 53 to 0 victory here Saturday afternoon, scoring more in one game than in all other starts of the season.

The bombardment of long runs and passes started on the first play after the kickoff when Temple raced around left end for 48 yards. Three line smashes made a first down on the Harrisburg 20 yard line. Temple added 13 more and Kelly went over for the first touchdown. A pass, Temple to Kelly, tallied the additional point.

Three more touchdowns were gained in the first period for 26 points, two by Kelly and one line smash by Nelson.

During the second period Harrisburg braced and held Salem scoreless. Jackson, Harrisburg quarter, brought the fans to their feet by some clever punt returns and a 12 yard line buck through the line but the Salem line charged through breaking up any threats to their goal. Towards the end of the quarter, Glen Wilbur, substitute halfback for Salem, playing in his first game of the year, was carried from the field, after an out of bounds play, with a broken leg.

Harrisburg opened the third period with a strong offense which wilted after reaching the Salem 35 yard line. Taking the ball at point Temple and Kelly went on a rampage for another touchdown.

The balance of the game was played in the rain with the mud stained Red and Black men scoring at will despite three 15 yard penalties for holding.

Jackson and Scott, the latter shifting from tackle to fullback, were individual stars for Harrisburg. Despite the weakness of its opponents Salem high looked like a real eleven.

Idaho Places Strong Bid For Pacific Coast Title With Undefeated Record

While California writers throw a flood of unfavorable publicity over the University of Idaho's claims to the title of the Pacific coast conference which they claim by two victories and two tie games, the 15,000 fans who saw Idaho trim O. A. C. outplaying the Aggies in every department of the game except breaks, believe confidently that the Vandals have improved 100 per cent since their staid game with the University of Oregon and would now be able to threaten either Stanford or U. S. C., with a real attack.

Idaho gained 253 yards in scrimmages and pass plays to 133 noted by the Orangemen, a feat accomplished only by Stanford. By comparing the game in Portland, Saturday, comparative strength with the California claimants seems to give Idaho at least an even break notwithstanding their four game schedule which was not the fault of Idaho managers but of difficulty in securing southern games this year. St. Mary's, a non-conference team, which Idaho tied 3 to 3, was the only California school on their schedule.

Stanford does not crow over its defeats by the two small Catholic schools, St. Mary's and Santa Clara, in both of which, first team strength was used in vain.

U. S. C. has been held to a tie score by Stanford and a 13 to 12 victory over the Aggies does not look so good. Powerful victories over California and Washington State show their strength, however.

Idaho will carry its claim to the Tournament of Roses officials for a chance in the inter-sectional contest at Pasadena New Year's day against reports that Stanford has already been tendered the invitation.

TIGER HONORED BY THOUSANDS

Atlanta, Ga., Nov. 21. (AP)—The city auditorium which for years has housed Atlanta's biggest crowds, today was host to "Tiger" Flowers mourner. The negro middleweight's bier was set under the same high rafters that have echoed to Garuso's voice, to Paderewski's notes, to speeches before countless gatherings and to the cheering shouts of light fans who watched the smiling deacon mill his way toward pugilistic fame.

Yesterday a steady stream of people, estimated at 75,000 passed by the flower-laden casket of the fighter at his home in the city's outskirts.

The last rites for the negro fighter were to be held today at Lincoln Memorial Park cemetery.

CARTER-FOLEY TO FIGHT FOR TITLE

Seattle, Nov. 21.—When Wildcat Carter and Vic Foley meet in the ring in this city Tuesday night their contest will decide the northwest featherweight championship. They are considered the two best featherweights in this section.

It will mark the third meeting between the boxers. Each has a victory to his credit over the other and Tuesday night's bout will decide the issue. Last winter Foley won a close decision over Carter in a whirlwind battle and on September 27, Carter reversed matters by taking the verdict over Foley in a contest that was highly sensational.

By delivering gold from the rich Aidan fields of Siberia by airplanes in a few hours instead of by train, which requires several days, development in that territory has been stimulated.

ILLINOIS WINS AT FINISH OF BIG 10 CHASE

Chicago, Nov. 21.—The University of Illinois football team hailed as the "Starless wonder" has justified Coach Bob Zuppke's contention that he had a whole solar system instead of a flaming meteor or two.

The Illini has come into the glory that is rightly theirs by establishing a solid claim to the big ten conference championship winning five games and losing none. Zuppke's team was tied by one eleven—Ames—but the Iowa State team is not a member of the conference.

Zuppke explained his lack of players who stand above the rest by saying that the whole team is good.

"It's easy for a good man to stand out against a background of dubs, but not so easy against a bunch of good men," he said.

Minnesota, a powerful team, likewise closed its season without a defeat. But one blot—a tie with Indiana spoiled the Gopher claim for the title.

Michigan, with one of the hardest schedules of any big eleven came through the season with a satisfactory record. The only teams which beat the Wolverines were the two conference leaders.

The University of Chicago broke even with three victories and three defeats.

Purdue also broke even with two defeats and two victories.

Northwestern, a star football eleven, played good football when "Tiny" Lewis and Waldo Fisher were able to compete, but they were crippled most of the season.

The Ohio State team, also highly regarded last September, had the same record as Northwestern—three defeats and three victories.

Indiana had perhaps the best Hoosier team in a decade and came through the season with two defeats, a victory and the tie with Minnesota.

Wisconsin in its first season under Coach Glenn Thistlethwaite, was a big disappointment to Badger boosters. A victory over Purdue was the lone Badger boast.

Iowa won its only game of the season from Wisconsin.

Glasgow is to soon have its first ice rink in 10 years.

ANNUAL SERVICE GAME FEATURES EASTERN TILTS

New York, Nov. 21. (AP)—Two inter-sectional struggles and ten renewals of old rivalries, including the annual Army-Navy classic, appear in the finale this week of the 1927 eastern gridiron show.

One of the greatest Army eleven, defeated only by Yale, will fling its speedy formation against the mid-dies at the Polo grounds on Saturday. While the cadets lost prestige at New Haven this was partially dispelled by their decisive triumph over Notre Dame.

New York university's even goes to Lincoln for an encounter with the Nebraska on Thanksgiving day while Carnegie Tech journeys to Portland, Ore., to engage with the Oregon Aggies on Saturday.

Among the old feuds which will break forth afresh on Thursday are those between Cornell and Pennsylvania at Philadelphia, Brown and Colgate at Providence, Pittsburgh and Penn State at Pittsburgh, Washington and Jefferson and West Virginia at Morgantown; Maryland and Johns Hopkins at Baltimore; Columbia and Syracuse at New York; Catholic University and George Washington at Washington, and Bucknell and Dickinson at Lewisburg, Pa.

On Saturday, Holy Cross and Boston college will meet in their yearly tussle at Boston.

Pittsburgh and Washington and Jefferson in their respective contests will be striving to keep a clean slate, neither having tasted defeat. They had one tie game, a scoreless deadlock against each other.

While Yale, through for the season, has established herself as the leading contender for eastern championship honors, victories for Pittsburgh or Washington and Jefferson Thursday will leave the title in dispute.

ODDIE PACIFIC LEADER

Forest Grove, Nov. 21.—Gilbert Oddie, veteran guard on the Pacific university football team, was elected captain for 1928 at a banquet held here this week. Oddie played right guard in every game of the season and to his credit was considered one of the best linemen in the northwest conference.
