

'BODY AND SOUL' NEW BARRYMORE FILM IS THRILLER

Entirely in keeping with its policy of frankness—even though it might seem to hurt—the management of the Elsinore, while giving unaltered prizes to the Barrymore picture to be seen there tomorrow and Saturday, does not approve of the caption, "Body and Soul" although the book found millions of readers.

Those "in the know" realize that such persons as Lionel Barrymore, Norman Kerry and Alleen Pringle, do not lend their histrionic talents to offerings which are below par. They don't have to. Any one of them is possessed of capabilities which, alone, would draw crowds to any motion picture house.

WILD SHEEP SCARCE IN GUADALUPE HILLS

Alamogordo, N. M., (AP)—Only about 100 mountain sheep remain of the great flocks that roamed over the Guadalupe mountains when settlers first came to this country.

Absolute protection is given by the game laws, which provide for a fine of \$250 for any person killing a mountain sheep, but ranchmen say it is an unusual hunter who withstands the temptation when one of the rams crosses his path.

Creation of a national park in the Guadalupe mountains as a range for mountain sheep, and the stocking of the refuge, are advocated by sportsmen of this region.

Guests of Parents Mt. Angel, Mar. 21.—Urban J. Schmitz of San Francisco arrived here Monday to spend several weeks with his parents, Mr. and Mrs. Peter Schmitz.

TO RELIEVE STOMACH DILATION

Dilation of the stomach usually arises because excess stomach acid causes food to ferment and form sour gases which are responsible for those unpleasant sensations of swelling and fullness, often very painful.

To avoid and relieve stomach dilation take a tablet of "Pape's Diapepsin" after meals or when pain is felt. "Pape's Diapepsin" neutralizes acidity and prevents the formation of wind, heartburn and flatulence, and insures healthy, painless digestion.

Druggists everywhere sell "Pape's Diapepsin" at 60 cents a package—2.4 much to pay for complete freedom from digestive pain and stomach troubles. In 17¢ Better get your package of Pape's Diapepsin" today. —adv.

TWO TENNIS COURTS AT UNIVERSITY PLAN

Whether Willamette university will have two new tennis courts depends upon action of the board of trustees. By adroit bargaining, the students have arranged for the donation of enough materials and labor to have the courts constructed for \$1000, whereas ordinarily they would cost approximately \$2500.

Nine hundred dollars of this amount has been raised, and the trustees have been asked to purgle up the other hundred. If the trustees act favorably, work on the courts will be started immediately so that they will be ready for the active playing season.

Paul B. Wallace is chairman of the trustee committee handling the matter. When the two new courts are constructed, the other two now in use will be re-conditioned, and Willamette will have four first-class playing courts.

Running time of trains into Russia is to average about 44 miles an hour.
