There is no secret reason for Lucky Strikes' superiority. Toasting, an exclusive process, completes nature's work in thoroughly maturing the finest tobacco. Because toasting drives off impurities, Luckies are universally admitted to be less irritating than any other cigarette.

A Double Dose Chambers & Chambers

Some little time ago through a misunderstanding with a large eastern manufacturer of fine walnut chamber furniture we received an extra large shipment that we should not have had—thus giving us entirely too many fine chamber suites. To move these suites from our floors into your homes is our problem—and to do this we have decided to make such prices that if you are at all interested in this line of merchandise you cannot help but buy.

A four days' sale of these beautiful suites—beginning Friday, June 22, and ending Tuesday, June 26th will be made. You will notice we are not using such words as "tremendous bargains," "startling prices," or "amazing values"—that you as customers and we as merchants are very tired of. But we do say in all correctness that these suites are way below in price—of anything you have been able to buy—and the woods and styles are the last word in up-to-date furniture.

Just to give you an idea of how these prices are cut, will mention but a few.

A 4-Piece Walnut Suite
Bed, French Vanity, Chest of Drawers and Bench. The new low price was \$114.25
Now \$81.00

A 4-Piece Burled Walnut Suite
in early American style, just simply beautiful, former price \$240.00
Now \$159.00

A Very Attractive Early American Mahogany Suite
Poster Bed, Highboy, French Vanity and Upholstered Bench, former price \$175
Now \$123.00

Could Mention Numbers of Others—
but this gives you the trend of prices—of course we have a fine line of enameled suites for the girls' and young ladies' room, in old brown, dawn grey, apple green and all the new colorings, all at greatly reduced prices.

Come In and Look Over These Real Buys—
and if you do not have all the money to pay down we can arrange that matter to your satisfaction.
