FIFTY BOYS TO GO CAMPING FOR 2 WEEKS

Fifty boys are in for the time of their lives during the two weeks between July 24 and August 4. For that is the date of the local Y. M. C. A. summer camp to be held at Netarts, Ore.

At this time about 25 boys have signified their intention of attending camp which will be held under the leadership of responsible men.

The camp is open to any boy in Marion and Polk counties above the age of 12 years, who is willing to cooperate with the rules and regulations of camp life. As the camp can accommodate but 50 youngsters, those desirous of making the trip will have to get their orders in immediately. Every year boys from Silverton, Woodburn, Stayton, Independence and Dallas are included in those attending camp. The entire cost for the two weeks outing is $16.

Those who will be in charge of the camp are:

Dwight Adams, boys' work director of the Salem Y. M. C. A., in charge of sports and hikes.

Bob Boardman, physical director, Salem Y, general director in charge of camp.

Chief George Bond, Chemawa Indian school, in charge of Indian craft and nature study.

Kenneth Mackenzie, Oregon Agricultural college graduate, in charge of life saving and first aid.

Burton Crary, boys' director, in charge of commissary and culinary department.

Leo Simons, Portland Mazama, in charge of nature study, botany and photography.

Private cars will leave the local Y. M. C. A. at 7 a. m. Saturday, with the boys and after the automobile trip will embark on motor launches for a ride of five miles and then on hike of another five miles to camp, which is expected to be reached about 5 p. m.

Havana, Cuba, had more tourists during the past season than in several years.

WARRANT ISSUED FOR J. A. ANDERSON

Obtaining money by false pretenses is charged against J. A. Anderson, claiming to be a California lawyer, in a warrant for arrest issued here yesterday. Anderson, accompanied by H. J. Frasier of Eugene, is accused of persuading stockholders of the insolvent Cosmopolitan chain stores to pay him 10 per cent of their subscriptions as fees to start litigation against the company.

The whereabouts of Anderson is not known. Frasier has been about Salem for several days, and on Tuesday told State Corporation Commissioner McCallister that he would pay back the money obtained. He turned over $250 to McCallister as part of the amount. It is believed the two men collected about $1,500.

The charges against Anderson are based on affidavits obtained by McCallister from some of the stockholders.

ELECTION IS QUIET

Stayton, June 21.—School election passed very quietly. A. D. Gardner, who has served as director for several years, resigned and the following were elected Walter Mayo, Grant Murphy and Dr. H. A. Beauchamp with W. H. Hobson re-elected as clerk.

VIRGINIA VALLI

GIRLS' CHIEF ALLURE ANNOUNCED

Movie directors say greatest charm is *Smooth Skin*

LOS ANGELES, CAL. — "The flowerlike beauty of smooth skin is a real power—it captivates," says Edwin Carewe, director for United Artists. "Beautiful eyes, a perfect mouth, glorious hair—none of these mean as much as a radiant youthful skin, says Hollywood. Under the blaze of the Klieg lights nothing else will do. No make-up is clever enough to fake the velvety texture necessary for the close-ups. In Hollywood they call it "studio skin" and give it the tenderest care.

Nine out of ten screen stars are using Lux Toilet Soap to keep their skin in perfect condition. This new soap is prepared by the famous method France perfected and uses for her finest soaps. Virginia Valli says, "I delight in the marvelous velvety way it leaves my skin—only costly French soaps can compare with it."

All the big moving picture studios have placed it in their dressing rooms as the official soap. Lux Toilet Soap is manufactured by Lever Bros. Co., at Cambridge, Massachusetts.

State and Local History Made Subject of Interesting Ads

One of the most interesting series of ads we have seen in a long time will start in this paper next Saturday, June 23. These ads will be inserted by the Clough-Huston Company, local funeral directors, and will deal in a most interesting and instructive way with historical events in this state, and in this city.

History of the school-book variety is apt to be uninteresting, but that is because only the broad and commonplace view is taken. This new series of advertisements deals with odd, little known facts in the development of this state and city, and the material is handled in a most attractive and interesting way.

The Clough-Huston Company is to be congratulated upon this new style of publicity, and we heartily recommend to our readers that they watch for these ads. They will start in this paper next Saturday, June 23, and will appear weekly upon that day thereafter. adv.
