San Francisco, (United Press)—A father should start providing early in life for his son or daughters, particularly if he is caught speeding just before the stork arrives, in the opinion of Judge O'Brein of this city.

Bert Mills was summoned to police court on a charge of speeding. He gave the excuse that the stork was expected at home.

"If its a boy, I'll fine you $50. If it's a girl I'll fine you $50," the judge ruled. "In either case the money is to be deposited in a savings account for 21 years to be paid to the child."
