Can Walk Five Miles a Day After Taking Lydia E. Pinkham's Vegetable Compound

Providence, R. I.—"It is two years ago since I first took Lydia E. Pinkham's Vegetable Compound for my nerves and other bad feelings and it has been helping me all this time so that I am able to do all my work now and walk about five miles a day besides. I am still taking your medicine and I am about 45 years old now. I feel well and happy and if anyone wishes to write to me about your medicines I will be glad to answer."—Mrs. J. TAGLIAMONTE, 11 Pequot Street, Providence, R. I.

New Hair Mode from Broadway

"Everyone admires my hair, now that I'm doing it the new way that nearly every really smart girl I know is using," says Agnes Trane, popular dancer, now appearing in the Broadway hit, "Rio Rita." "My hair doesn't need shampooing more than once a month, now. My scalp feels better than it ever has felt. I have gotten rid of all my dandruff. My hair is much easier to arrange, and it stays that way. All I do to keep it like this is put a few dashes of Danderine on my brush every time I use it. It's wonderful how Danderine adds to the beauty of your hair, makes it look so silky and lustrous."

Danderine is not oily. It removes the oily film from each strand of hair and restores the natural color and lustre. It dissolves dandruff, cleanses and invigorates the scalp. It is delightfully fragrant. The best bottles are just 25c at all drug stores. Beautiful, smooth, gleaming hair and a healthy scalp for a few cents.

Sage Tea Darkens Gray Hair

Gray hair stamps you "old," and there is no need to submit to it! For gray, faded or streaked hair may be perfectly restored to color by applying a mixture of sage tea and sulphur. Either prepare the recipe at home or get from any drug store a bottle of "Weyth's Sage and Sulphur Compound" for only 75c. This is merely the old-time recipe improved by the addition of other ingredients. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, the natural color of the hair is restored and it becomes youthfully thick, glossy and lustrous. adv.

FOR WEE LADS

If you have a little man in your family of 2, 4 or 6 years, he will just love to be the proud owner of the smart English suit seen in Style No. 2622 in saquee coat effect, with button-trimmed vestee and rolled collar. It has real pockets, too, for the "banks" and straight shorts that make these little folk feel so grown up. It will make an excellent Xmas gift that will be useful at the same time. Tan wool jersey with vestee, reversing cuffs and pockets made of French blue jersey is one of the smartest and most popular combinations. Navy blue jersey with grey jersey, French blue linen with tan, bright red wools, jade green wools, light navy blue velveteen, striped percale with white pique, and Nile green cotton broadcloth with white smart are a few of the many smart ideas suitable for its development.

For a pattern of the above design send 15 cents in stamps or coin to Fashion Department, Capital Journal, 18 East 18th street, New York City.
