Reports of deprecations of persons who evidently are lacking the Christmas spirit have been received by the police during the past few days. One flagrant case in particular was brought to their attention this morning by George Allen, hardware man, living at 390 North 17th street. Mr. Allen had a particularly attractive out-door Christmas tree, beautifully illuminated on his front lawn. Sometime early Friday morning the tree was stripped of every bit of its decorations, wiring and all. Every effort is being made to put a stop to thievery of this sort.

**STATE BOARD ASKED TO AID**

The state reclamation commission will Friday be requested by delegation from the Klamath irrigation district to give its support to an effort to get legislation through congress making possible a suit to quash the holding of the California-Oregon Power company on Upper Klamath lake and the power canals along Link river.

It is desired that legislation be enacted authorizing the federal government to be made a defendant in a suit against the power company. The district seeks to break a 50-year leasehold of the power company on the Upper Klamath lake damsite, obtained by contract with the federal reclamation commission, and also to break the title of the power company on the canals which were sold to the company by the government.

A resolution favoring the legislation was adopted by the Oregon Reclamation congress at its meeting here recently.

will be a little happier for having done his part.

Toys and money were both contributed by the Elks at their annual "toy night" meeting Thursday. A Christmas tree with all the trimmings was circled by scores of lodgemen and presents were given to every man in attendance.

But there was a slight catch which did not greatly surprise the big Elk gathering, Frank Durbin, exalted ruler, acting as Santa Claus, assessed a fine on each recipient of a gift and in this manner \$55 more was raised to relieve dire need in the community.

A great many boys—scores of them were lugged to the lodge rooms by the members and these will be distributed among the many poor children of the city.

"In every way," Mr. Durbin said Friday afternoon, "our campaign this year has been more successful than ever before."

**MARY GOUGHNOUR FUNERAL SATURDAY**

Funeral services will be held Saturday at 3 o'clock at Rigdon mortuary for Mrs. Mary Juhl Goughnour, 61, who died Wednesday in the home of her son, Walter Goughnour, 1202 E. street, after a short illness. The body will be at rest in the Mount Crest Abbey mausoleum.

Mary Juhl Goughnour was born in Copenhagen, Denmark and immigrated to the United States, with her parents, when she was 15 years of age. Her parents settled upon a farm in North Dakota. When 17 years of age, she was married to John F. Goughnour. In 1909, Mr. and Mrs. Goughnour came to Salem, and purchased a home on 14th and D streets. Mr. Goughnour died on June 14, 1911. Mrs. Goughnour is survived by her children, Walter Goughnour and Mrs. Earl Chapel, of Salem; Simon Goughnour of Bismark, North Dakota; Frank Goughnour of Hazelton, North Dakota; Mrs. George L. Swisher, Elma, Wash.; Mrs. Earl Goughnour, Mrs. Gertrude Goughnour, both of Portland.

**VANDALS DESTROY TREES OF BOY, 14**

Apparently motivated only by a desire to do damage, vandals sometime Thursday night wrecked three living Christmas trees, two of which were electrically lighted, at the home of Frank Spears, 1309 Cheleketa street.

Elaborate decorations had been placed on the trees by 14-year-old Frank Spears, Jr., and his work had won much favorable comment. The largest tree had been topped by a great star and its greenery held many colorful bulbs.

About 100 feet of wiring was stripped from the trees and many of the bulbs were smashed on the ground.

**SERVICE WILL BE IMPROVED BY ADDITIONS**

The reliability of electric light and power service in north and east Salem, and to the state institutions, lying southeast of Salem, is soon to be greatly improved by the construction of an 11,000 volt, three phase, electric power line, which the Portland Electric Power company is building on 14th street north of Market. This line is being built west on Ferry street to 17th, on 17th to Nebraska, Nebraska to 14th and north on 14th to the 14th street substation.

At present there are two 11,000 volt feeders, as they are called, extending out from the main substation at Mill and Liberty streets. One of these lines runs east on Mill street to 20th, and thence to the Ferry street substation, and another branch runs out to the state institutions.

The other 11,000 volt feeder runs north along North Commercial street, one branch extending out the River road past the Kaiser school. The other branch extends east on Highland avenue toward the fairgrounds. It then runs to the 14th street substation.

The new line will constitute what is known as a "tie line." This tie line in conjunction with the two existing feeders will constitute a loop beginning and ending at the main substation at Mill and Liberty streets. Numerous "branching" switches will be installed in the loop, so that if trouble occurs on any one of the sections of the loop due to a short circuit or a break in the wire, that one section of the loop can be cut out.

As there will be one of these switches located on either side of each substation on the loop, it will be possible to cut-out the section of the loop between any two substations, and, therefore, all of the substations on the loop and the branch lines leading from the loop can be supplied with service from either one or the other of the two above mentioned feeder lines, and the customer will experience no interruption of service while the damage is being repaired.

The cost of the new line will be about \$350,000.

**WOMAN IN SUIT TO COLLECT ON NOTE**

Charging that R. N. Stanfield, former United States Senator, in 1924 transferred his property in trust to cheat and defraud his creditors, when he founded himself and a property interest involved, Mary E. Vernon has started suit against Stanfield, H. H. Mack, R. J. Hendricks and Carle Abrams to collect on a \$1500 note she says Stanfield gave her in 1921.

She asks that the amount of judgment given her be paid out of a judgment which Stanfield, through Mack as assignee, secured against R. J. Hendricks and Carle Abrams in circuit court here some time ago. This judgment, she states, has been affirmed in the supreme court and docketed in the judgment book of Marion county for \$2,294.32.

**ELLIOTT TO VISIT COLLEGE IN SALEM**

A. J. "Dad" Elliott, a national student work with headquarters at New York City will be in Salem four days, January 17 to 21, according to announcement Friday of Harold Sheilhart, president of the Willamette university student Y. M. C. A. Mr. Elliott, who is known all over the country as one of the foremost leaders of student activities in the Y and his visit here is awaited with keen interest. The stop in Salem will be a part of the northwest tour Mr. Elliott is making.

Dr. Ray Culver, student secretary of the northwest Portland was in Salem Thursday evening cooperating with local officers in arranging for the coming of Mr. Elliott.

**PEAK OF MAIL IS LIKELY TONIGHT**

The peak of the incoming Christmas mail will probably be reached Friday night, according to Postmaster John H. Farrar. Thursday night a solid carload of parcel post mail for the Salem district was received and this was being rapidly cleared by the local force Friday. While the outgoing mail continues in a steady stream indications are the high water mark of this end of the Christmas mail rush was passed Thursday night.

The regular rush of Christmas cards and letters began to flow into the local office Wednesday and is increasing in a steady volume with every prospect that a new record for this class of mail will be set.

**Brings His Own Drinking Water On Salem Visit**

Charles L. Ogile, Woodburn bond broker, barrister and what not, came down to the capital city on business Friday and brought his own drinking water with him. It looked like water, tasted like water, and everybody that Charlie invited to drink with him said it was water. He brought it down in a two-gallon glass jug.

Charlie doesn't fancy the kind of water that has been coming out of the Salem faucets recently and since he believes in preparedness and comfort, he came well enforced for a day's business. Up at the courthouse he invited the county clerk and the judge and some of the lesser officials to have a drink of Woodburn water—real water.

**BOARD LAUDS MISS MARVIN**

In a resolution adopted by the state library board when it accepted the resignation of Cornelia Marvin as state librarian, Miss Marvin is given credit for developing an institution that has extended "its intellectual light, comfort and help" throughout the state.

The resolution follows:

Whereas, Miss Cornelia Marvin has personally developed the Oregon state library to its present state of efficient usefulness, its entire history and growth is stamped indelibly with her personality, and under her direction the library has become one of Oregon's most serviceable institutions, extending its intellectual light, comfort and help into the most remote sections of the state, giving aid and solace to children and adults who otherwise have no library facilities, as well as furnishing valuable assistance to the research organizations of the state, and

Whereas, Miss Marvin has tendered her resignation after years of constructive service.

Resolved, that the trustees of Oregon state library accept the resignation of Miss Marvin with regret; that we record our appreciation of her great service to the state and extend to her our best wishes for her future happiness and prosperity.

**PAYNE WILL SERVE FOR ANOTHER YEAR**

At an adjourned business meeting Thursday night at which H. F. Durman presided, Rev. Robert L. Payne, acting pastor of the First Baptist church during the past year and a half was elected regular minister.

Expressing his appreciation at the action of the members of the congregation in retaining him permanently, Rev. Payne said it was his belief that the church would continue as a strong factor in the community.

Considerable dissension arose in the church over the bringing of Payne here from the east. This trouble finally terminated in a split in the congregation, one faction starting a new organization which is now known as the Calvary Baptist church.

**HOTEL PORTER DIES, FUNERAL SATURDAY**

Shortly after he had unloaded a number of heavy trunks, Ernest E. Williams, 47, night porter at the Marion hotel died suddenly Thursday evening in the baggage room at the Southern Pacific station. Williams came to Salem two years ago from Nebraska because of poor health.

Williams is survived by his wife, Aura, and by five children, Carla, Curtis, Merriem, Lowell and Ethyl Mae, all of Salem. He was a member of the Masonic lodge at Bayard, Neb. He was a native of Indiana.

Funeral services will be held Saturday at 1 o'clock at Rigdon Mortuary with interment in Jason Lee cemetery. The local Masonic lodge will be in charge.

**COLD CAUSES SEVEN DEATHS IN MID-WEST**

Chicago (AP)—Seven deaths were attributed to low temperatures and blizzards in the midwest Friday.

Near Nunica, Mich., Norman Campbell, Stephen Leighton and Ralph Doolittle, Albion college students, perished when their automobile left the road in a snow-storm and turned over in a ditch. They were on their way home for Christmas vacation.

St. Paul reported two deaths: Nicholas Haynes, who dropped dead from cold and exhaustion, while shoveling snow, and Mrs. James Dickinson, who was run down by an auto while groping her way across the street through a blizzard.

In Chicago Miss Mary Klungenberg set her house afire while trying to keep out the cold and was smothered to death in her bed room before firemen could rescue her.

Leo J. McClann, flying the air mail route between Cleveland and Chicago, was killed when a blizzard struck down his airplane while he was flying over the village of Huron, Ohio.

From throughout the midwest came reports of zero or sub-zero temperatures. In Chicago the most end of your cigarette rose between puffs in the bitter cold and that blew in off Lake Michigan.

**STRUCK BY BUS MAN DIES HERE**

George W. Davis, 55, Salem painter, died in a local hospital Friday morning, less than 12 hours after he was struck by a Pickwick stage on the Pacific highway, six miles south of here at 7:30 Thursday evening. According to the report here this morning, Davis had stopped to wipe the frost from the windshield of the car in which he was returning to the city and when he stepped onto the highway he was struck by the stage. The stage driver stopped and brought the injured man in to the hospital.

Davis leaves four children, Raymond E. of Portland, Artie Dale Davis and Glenn Davis of Denver, and Mrs. Myrtle Arneson of Texas. He lived at 1244 Ferry street and had made his home in Salem for the past 20 years.

Funeral arrangements have not been made.

**WED 50 YEARS, SEEK DIVORCE**

After nearly 50 years of wedded life, Mary Hawks is seeking a divorce from Andrew E. Hawks. She alleges cruel and inhuman treatment, said to have been endured over a long period of time, that he jammed her head into a door casing, threatened her life with a butcher knife, nagged her, called her "a dirty devil" and various other annoying incidents.

She states that he has property in Oregon and California worth around \$30,000. She says she is living on one of it in Marion county with one of her two adult daughters. She wants a fee simple interest in the property in this county, \$5000 as alimony, \$100 a month as temporary alimony, \$500 in attorney's fees and \$50 suit money. The couple were married in Akron, Ohio, in July, 1879, she says.
