Chances for a capacity crowd were bright Wednesday afternoon for the first fight card here in several weeks when Matchmaker Harry Plant puts on 28 rounds of first class leather slinging for the entertainment of fans Wednesday night. The return of the shows to the armory arena after an all winter lay-off is pleasing to the followers of the game.

The first appearance of Young Sam Langford in a local arena has attracted a great deal of comment. A large number of fight fans express a belief that Teddy Fox has taken on a big assignment in the husky negro boy. Langford is of the type that never quits coming in. No matter how many fistfuls of knuckles come his way he just bores in after more. With his well muscled arm, husky square chest and thin legs, Young Sam is built for the fight game. He carries a terrific wallop in either hand. But whether he can hit Fox is a question that several fans believe may be the deciding point of the match. Fox is clever and fast and amply able to take care of himself when the going is rough. At any rate no matter which way the affair ends, those lucky enough to get to see the show are promised the times of their lives.

Spud Murphy, the entertaining boy who tears in from the sound of the first gong, has a worthy opponent in Jack Peterson of Portland. Both men are old timers in the fight game and the chances are favorable for Peterson to slip in a few good solid punches while Spud is using his favorite chopping blow.

Little Jackie Wattenberger and Si Flook will furnish the special event. And the entertainment will no doubt be well worth anybody's money. Several fans have expressed the opinion that Si won't be able to dodge the flying fists of young Jackie.

It was learned Tuesday that Phil Bayes, who was knocked out by Ted Fox early this winter has a hankering to try it over again. He has been conditioning here and next Tuesday evening will meet Joe Gorman at Bandon. Phil has always been popular among local fans and they are watching his efforts with considerable interest.

CHICAGO PREP CAGE TOURNEY TO CLOSE SHOP

Chicago (AP)—"Fins" may be written on the University of Chicago's national interscholastic high school basketball tournament after the 11th prep classic the first week in April.

A. A. Stagg, founder and sponsor of the tourney, is ready to abandon the event that last year attracted 42 championship fives from 38 states. If Stagg does not decide to abolish the tournament the national federation of state high school athletic associations may withdraw its national aspect at its meeting in Cleveland February 25.

Stagg does not intend to fight the national federation. "I have no desire to foster a tournament that does not meet with the approval of the high school educators," he said Wednesday.

C. W. Whitten, secretary of the national organization, has mailed queries to 8,000 principals all over the country. The answers will be used in determining the final action of the body at Cleveland.

Some development of the tournament has developed in the western conference, where coaches and athletic directors have scored the event as a recruiting center for colleges.

Signs Contract

Max Schmeling, German boxer who gained top rank when he knocked out Johnny Riske, has signed a two-year contract to fight exclusively for the Madison Square Garden corporation.

SCHAEFER AND COCHRAN WILL DECIDE TITLE

New York (AP)—The world's 182 balking billiard crown, worn since last March by Edward Horemans, of Belgium, is to come back to the United States. Weiker Cochran, of Hollywood, and young Jake Schaefer of Chicago, clash Wednesday in the final match of the Round Robin tournament at the Level club with the championship going to the winner.

Schaefer eliminated the last of the four foreign entrants when he defeated Kinney Matsuyama, 400 to 331, Tuesday afternoon. It was the second reverse for the game little Japanese who won his first three matches in brilliant style. His other defeat was at Cochran's hands in a grueling battle Monday night.

His triumph over Matsuyama elevated Schaefer into a tie with Cochran for the lead with only their two dual still on the schedule. The two Americans each have won three matches in four starts.

Defeating Eric Hagenlacher of Germany, 400 to 315, in 20 innings last night, Horemans concluded his tournament record with three victories and two defeats, placing him in a tie for third place with Matsuyama. Both will automatically go into a tie for second place with the loser of Wednesday night's match.

Bearcat Defense Too Much For Pacific U, Locals Win 48 to 19

Willamette university's basketball team had little trouble in overwhelming the Pacific university quint on the local floor Tuesday evening by a score of 48 to 19. Willamette made 24 points in each two periods. Pacific made but two points.

Evidently Coach Frank had a heart to heart talk with his charges during the recess for they came back on the floor and added 17 points to their score while Willamette was adding 24 more to theirs.

While the Bearcats by their tight defense kept the Baders in the middle of the court during most of the time, their offense was not the sparkling affair displayed against Whitman last week. The count really should have been 60 instead of what it was. Adams ran up a string of 19 before the coach decided he had had enough and pulled him off the floor. The teamwork displayed by Scales and Adams was the bright spot of the evening.

Perhaps it was only natural that the Bearcats should let down after their brilliant performance of the week before.

Coach Keene used virtually every man of his squad during the last half. Benjamin, a recent addition, handled himself well on the floor and did some accurate passing.

The Badger team, slouch in breaking, did not display much of an attack. Dreezen, lanky center, converted every one of his tries from the gift line, besides dropping in three field goals. Miller made seven points for the visitors.

The Willamette reserves nosed out the Pacific reserves 16 to 14 with a four point rally during the last minute of play in a preliminary match.

Willamette will play Linfield here Friday night in a game that promises keen competition.

VAN RYN WINS OVER TILDEN IN FINE PLAY

Brooklyn, N. Y. (AP)—With the two ranking tennis stars of the United States as his victims, John Van Ryn of East Orange, N. J., today stands out as one of this country's leading hopes for the 1923 Davis Cup team.

Van Ryn vanquished William T. Tilden, playing in his first tournament since his reinstatement last week, in straight sets in the Heights Casino singles final Tuesday, 6-1, 6-4, 6-2. The former Princeton star previously had defeated Francis T. Hunter, No. 2 in the national rankings, in the semi-final round.

At the peak of his game as a result of weeks of constant play and practice on the Pacific coast, Van Ryn carried the attack to Tilden from the very first game.

Van Ryn's brilliant shots frequently brought praise even from Tilden. Once "Big Bill" said: "Marvelous volleying, Johnny," and after the match he said: "It takes some tennis to beat that."

NORTHWESTERN TRIMS OREGON

Eugene (AP)—With one shattered world's record safely stowed away and a 100 per cent victory record in one behind him, Northwestern university's touring swimming team was enroute to California Wednesday to fulfill an intercollegiate schedule starting with Stanford at Palo Alto.

Out of the competition with the University of Oregon Tuesday night came a 3:03.4 time for the 300-yard medley relay, more than two seconds faster than Weismuller, Peterson and Samson of the Illinois Athletic club established at Chicago in 1923. Their time was 3:05.6.

Although Oregon's freshmen bettered the national intercollegiate record in placing second Tuesday night, Northwestern swimmers showed the westerners a few things about swimming and took the meet 41 to 20.

Northwestern unofficially bettered four Pacific coast conference records in the 200-yard breast stroke; 440-yard free style, 100-yard free style and the 160-yard relay.

Tommy Blankenbush, speedy national 440-yard breast stroke champion with Frank Walton, at back stroke and MacMiller, free style, kept Oregon's colors flying.

FALLS CITY TEAM BESTS RICKREALL

Falls City—The local high school basketball team had little difficulty in taking Rickreall into camp here Tuesday night in a Polk county league game. The final score was 44 to 13. Similarly of jerseys at the beginning of the contest enabled the visitors to score 4 points immediately after the start of the game. The score at the half way point was 27 to 10.

Griswold with 19 points was high man of the game. Morrow and Burch with 4 each were high for the visitors.

Falls City used all their players during the game, those getting into the affair including Grant, Speer, O. Speer and Rickreall, center; Paul and Howell, guards; Rickreall's line-up followed: Burch, Capps and Pence at forward; Morrow and Hamilton, guards and L. and R. Hatterson, center.

The girl teams of the two schools staged a hard fought preliminary with the final score being tied, 19-11.

MARCUS TAKES 10 ROUND DECISION

Portland (AP)—Joe Marcus, Portland, won over Pedro Amador, San Blas Indian from Panama, here Tuesday night, after 10 rounds of very fast milling. While Marcus had a wide margin on points, he was never idle for a moment for the little Indian never backed up on his own volition, but kept bogging in from start to finish. Joe took a wide margin in the first few rounds, but the Indian's perfect condition and willingness made the latter rounds more equal. Amador's best rounds were the sixth and ninth. One of Marcus' swinging rights caught the Indian on the chin in the first round and dumped him on his back for the only knockdown of the fight.

BUCKAROOS TO PLAY SEATTLE

Portland—The Portland Buckaroos start their final drive Thursday night at the Coliseum, which Bobby Rowe, manager of the Portland entry as well as the old and young Bucks, hope will land them a place in the championship play-off of the Pacific Coast Ice Hockey league.

Portland has six more games at home, including Thursday night's fracas and a like number on the road. To get a chance at the play-off the Bucks must take better than 50 per cent of the remaining games.

Seattle, the big fly in the ointment for Thursday night, will furnish the opposition Thursday night. Regardless of what kind of hockey Portland and Seattle wish up when they get together, one thing is sure—it will be a rough affair.

SIERRA DERBY WON BY PRINTZ

Truckee, Calif. (AP)—Fred Printz, Idaho mail carrier, who claims Portland, Ore., as his home, and who was a Nevada county candidate for Wednesday held a prize of \$3000 for winning the first annual Sierra derby.

Printz crossed the finish line first on each of the three days in which heats were run over the 32-mile course between Truckee and Tahoe and return and his elapsed time for the 96 miles was eight hours, 39 minutes, 17 seconds.

Scotty Allan, founder of the Alaskan Sweepstakes, was second, with an elapsed time of nine hours, nine minutes, 18 seconds. Allan also finished second in Tuesday's final lap. His prize was \$2000.

Roy Stover, McCall, Idaho was third, only one minute 24 seconds behind Allan, and won \$1000.

STAYTON WINS GAME WITH LEBANON HIGH

Stayton—Stayton high school defeated Lebanon high 32 to 17 in a basketball game played at Lebanon Saturday night. The local girls did not fare so well and were defeated by the Lebanon squad. The trip was made in the school bus. A flat tire on the trip over and the fact that the air was let out of both front tires made the return home a late affair.

LEBANON CLUB GUEST
