CONCERT WINS MUSIC LOVERS AT SILVERTON

Silverton—The concert given on Monday evening in the auditorium of the Eugene Field building with Hal Campbell conductor, was a splendid one and more than surprised the large audience both on the main floor and in the balcony. Silverton has been known to have much musical talent, but never before was so much and such varied local talent brought before a Silverton audience at one time. The orchestra consisting of 44 pieces, among which were 14 violins, cellos, trumpets, clarinets, flutes, saxophones, banjos, drums, horns, one baritone, two bass and a piano.

The orchestra selections were exceptionally selected and really wonderfully rendered. The vocal soloists Mrs. Zaida Parrish, Mrs. W. P. Tate and Miss Francis Nelson all did remarkably well.

An address, "Community Music" was given by Superintendent Robert Goetz.

Of special mention are the selections played on the violin by Irene Morley and violin by Beryl Ottoway. Both were accompanied on the piano by Hal Campbell, who composed both of these selections.

London plans to spend at least \$5,000,000 on education this year.
