

# WILLAMETTE AND PACIFIC HOLD MEET WEDNESDAY

## BADGERS HAVE EDGE ON LOCAL CONTESTANTS

Although Leslie Sparks, assistant in physical education at Willamette university, coach of the track squad, predicts that his Bearcat racers, weight lifters and jumpers will be defeated Wednesday when they go up against Pacific university's team on Sweetland field, he concedes the dual event will be one of the most interesting of its kind held here in several years. Barring some unforeseen upset, the coach predicts Pacific will win by a score of 72 to 59. If Willamette has any chance to win a tall the contest will be decided by the relay, he states.

The Badgers are hoped to win the sprint events, as Willamette has nothing that can compete successfully in those contests, according to the coach. The pole vault also is conceded to the visitors, as they have two men that can do better than 11 feet. Pacific has also been strengthened this year in the middle distances and may be expected to garner several points in these events.

Hathaway may be expected to take the distance races, but Pacific will probably take second and third in those events.

Coach Sparks has but three dependable men from former years, the balance of his squad being made up for the most part of freshmen. Hathaway, Tweedy and French are the hold-overs. Faber and Lloyd are the two making the best showing in the sprints.

Willamette has not won from Pacific since three years ago. At that time the relay decided the match in favor of the Bearcat squad.

The whole squad will be used in the match and the winners will be taken to the Northwest conference meet at Walla Walla, May 30. The meet Wednesday is scheduled to start at 3 p.m. and is free to the public.

The two best players from Whitman, College of Idaho, College of Puget Sound, Pacific university, Linfield college and Willamette will take part in the two day tournament.

As this meeting is the only conference event here this year, it is attracting a great deal of attention. Matches will be played mornings and afternoons, with the finals Saturday. Ivan White and Jack Minto will represent Willamette.

Worth Oswald, Whitman's No. 1 man, is considered to be one of the best college tennis players in the United States. He has been beating everything he goes up against. With him will be Clark Emory, another first class man.

As Whitman has beaten Willamette's players once this year, that school is hoped to win the championship, although Willamette is conceded an outside chance.

## Fans Watching Dodgers And Giants In Fight For National Basement

By The Associated Press  
It has been a long time since National league fans have had an opportunity of watching the New York Giants and Brooklyn Dodgers battle it out for last place at this more or less late date in the season while the Boston Braves and Philadelphia take up the burden of making some kind of a showing against the undeniably stronger western clubs. But that is just what they are watching now unless they decline to let themselves believe what their eyes tell them.

In recent years when the center of National league strength has rested west of the Alleghenies, the Giants and to a lesser degree, the Robins, have been able to muster the strongest defenses for repelling western thrusts. This year these two clubs have made a sorry showing while the surprising Phillies and the still more surprising Braves have at least put up some sort of a battle to remain within striking distance of the three leading western clubs—Chicago, St. Louis and Pittsburgh. This condition may, and probably will change but it has been an interesting phenomena in a season full of strange occurrences.

The Cubs maintained their hold on the lead by downing the Pirates, 6 to 1, behind Guy Bush's five-hit pitching Monday.

At Cincinnati, Jess Haines recorded his 14th straight league victory in two seasons when he pitched the Cardinals to an easy 5 to 1 triumph over the Reds.

At Brooklyn, the Robins trounced the Giants, 6 to 1, William Watson Clark, young left-hander giving the men of McGraw only two hits.

Cold weather forced postponement of the Braves-Phils battle at Boston.

Only two American league games were scheduled, the Athletics strengthening their hold in first place by downing the Boston Red Sox, 5 to 1, while the St. Louis Browns were beating Chicago, 6 to 3.

## PATTENS HAVE SON

## SORIO UNABLE LIFT MORGAN'S TITLE CROWN

Los Angeles, (AP)—The fates which apparently have decreed that no Mexican shall hold a world's ring title have denied another challenge from that Latin-American race.

To the futile attempt of Aurelio Herrera and Joe Rivers, great Mexican fighters, to ascend fistic thrones, there was added another Tuesday, that of Baby Sal Sorio, boyish San Bernardino, Cal., ringman. Sorio's quest for the junior lightweight crown was decisively repulsed here Monday night by Tod Morgan, slim, elusive king of that division. Morgan won by a wide margin from the 19 year old Mexican who had flattened some 55 of his 75 opponents. The title holder romped off with eight of the ten sessions.

Baby Sal's challenge was ripped to shreds by the jabbing, slashing left hand of the champion, against which he had absolutely no defense. In two rounds, however, Baby Sal saw realization of his hopes almost come true. He took the third and eighth sessions, and had the champion in distress in both. In the third he nailed Morgan with several lefts and jarring rights and Tod went down. The champion, claiming a foul, weathered the storm, however. Again in the eighth Baby Sal had the titleholder in distress as the result of three more of his six-inch rights.

Word from Portland said that only two of the bright array of Oregon stars will compete. Dr. O. F. Willing, Portland's famous golfing dentist, and H. Chandler Egan, holder of the national title many years ago, have entered.

The Moo brothers, Roy and Don, and the Dolp brothers, Vincent and Frank, have not entered the California tournament because they are going to compete in the Oregon tournament which opens June 3. The nearness of dates of the California and Oregon tournaments, it is said, will deprive both states of the appearances of many good golfers.
