THE Marquette IS HERE

BUILT BY BUICK

A great new achievement in the automotive world—Marquette, built by Buick!

Marquette is the smartest of the smart. Low-slung, rakish, hug-the-road lines. Beautiful color harmonies. Tailored and fitted to perfection. And what a performer this remarkable car is! Imagine flashing from 10 to 60 miles an hour in 31 seconds! Think of accelerating from 5 to 25 miles an hour in high gear up a long 11.6% grade! (The average road grade is 7%). Think of riding at 68 to 70 honest miles an hour with complete safety and comfort. That's the kind of pick-up and power and speed you need in a car nowadays—and that's what you get in the Marquette.

THE MOST COMPLETE CAR EVER OFFERED IN THE \$1000 FIELD

The new Marquette Six combines for the first time the many fine car features that makes a complete motor car.

Long rakish lines—114-inch wheelbase—a full size car in every respect.

Body by Fisher. All closed bodies are the latest product of the world's finest closed body craftsmen.

Non-glare Fisher VV type ventilating windshield—a brand new feature. With the tilted windshield the driver is not annoyed by headlights in back of his car or coming toward him—there are no distracting reflections.

New type mohair upholstery—has rubberized back—is waterproof and dustproof—a new development by Fisher, first shown on the Marquette—a great improvement.

Spacious rear seat—47½ inches in width—three adults can ride in perfect comfort.

Ample leg room in front and rear compartment—interiors are spacious and comfortable, no feeling of being cramped in this car.

Adjustable front seat—driver can adjust seat at will, for his personal comfort and convenience.

Remarkable power plant—motor develops 67.5 brake horsepower and provides the most brilliant performance ever achieved in this price field.

Piston displacement 212.8 cubic inches—a bigger displacement than any other car in the \$1000 field, indicating power to meet every demand.

High-compression cylinder head—special non-detonating design.

Rubber engine mountings—at all four suspension points—shocks and jars to chassis frame are absorbed before they reach the engine.

Counter-balanced crankshaft—vibration eliminated and power delivered in a smooth, silent flow.

Automatic heat to carburetor—saves fuel and insures quick warm-up and easy starting in all seasons.

Thermostatically-controlled water cooling—insures normal operating temperature of motor in shortest possible time.

Completely sealed engine—oil filter, fuel strainer and air cleaner prevent dust, dirt and water from entering engine. Crankcase ventilator prevents oil dilution.

Forced lubrication—to all main bearings, connecting rod bearings, cylinder walls, camshaft bearings, and chain drive—the best engineering practice.

Crankshaft bearings stepped in size from front to rear—reducing vibration to a minimum.

Crankshaft weighing 75 lbs. is placed in both static and dynamic balance—to assure a smooth, quiet motor at all speeds.

Lovejoy hydraulic shock absorbers, both front and rear—perfect riding ease.

Four-wheel internal-expanding brakes—Duo-Servo type protected from dirt and water.

Brake cross shaft is equipped with three bearings as an added protection—providing useful braking power in every event. Controlled with self-aligning bearings which are not affected by chassis strains and twists.

Adjustable steering wheel—driver can have steering column raised or lowered to suit his particular preference.

16-gallon gasoline tank—enough capacity for long trips without the bother of refilling.

Hydrostatic gasoline gauge on dash—a much appreciated convenience.

Guide tilt-ray lamps—a fine car feature unusual in a car in the \$1000 class.

New construction of headlamps—makes them dust-proof, keeping reflectors clean and lights efficient.

A host of other extraordinary features that combine to make the Marquette America's most complete car in the \$1000 field.

There are so many surprising new things about the Marquette that you must see it to get a true impression of what a marvelous value Buick has created. On display today at Buick and Marquette dealers'.
