

# QUALIFYING ROUNDS START FOR OPEN GOLF TITLE

## COOPER, KLEIN, GOODMAN LEAD OPENING PLAY

New York. (P)—On the principle of the survival of the fittest, the field of one thousand and one seeking the national open golf championship has been cut to 150.

With 35 of the leading professionals and amateurs already assured of their places when actual championship play begins at the Winged Foot club, Mamaroneck, N. Y., on June 27, more than 900 other golfers sought the remaining 115 places in the qualifying round Monday.

The 36-hole qualifying test, conducted on courses in 19 widely scattered cities, brought disaster to a number of stars who have figured in previous years, either at the national open, the national amateur championships, or both.

Three former national amateur kings failed to qualify—Jesse Guilford, Jess Sweetser and Chick Evans. The honor of returning the lowest 36-hole score went to the youthful Omaha amateur, John Goodman, former trans-Mississippi title-holder, who scored 140 over the Omaha field club course. A stroke back of him was Johnny Rogers of Denver, while Jock Hendry shot a neat 142 at Minneapolis.

It remained for "Light Horse Harry" Cooper of Buffalo, runner up to Tommy Armour for the open crown in 1927, to record what was probably the finest performance of the day.

Playing over the Oakmont course at Pittsburgh, one of the stiffest layouts in the country, Cooper shot a 75-68 for 143. His 68 on his second eighteen established a new course record. Willie Klein, of New York, went Cooper low better in the Metropolitan district test at the Salt-bury club. He scored a sensational 68 on his first eighteen and then added an 80 for 146 to lead the field.

## ELKS OUT-SCORE BUILDERS, 3 TO 2

The league-leading Elks continued their victorious progress Monday night at Olinger field when they battled through five innings to Trade's club. The builders Building Trades club, the host, threatened in each of the first three innings and at one time had two men on and none down, but Russell pitching for the Elks, would fight and through a double play would work himself out of the hole. The builders scored once in the first inning. The Elks went them one better and made two in their half of the first. The losers scored once more in the fourth, while the Elks did the same.

The Postoffice and Western Paper teams of the Industrial league will play Tuesday evening.

"I am going to fish and play golf," said Ruth. "Huggins said I might violate the club rule against golf in the playing season. I feel strong enough to go back into our lineup now but the doctor says I can't take any chances and Huggins agrees with the doctor."

Ruth is nearly recovered from the severe cold that has kept him out of the lineup for the past ten days.

## SCOTTS BALL CLUB STILL UNDEFEATED

## SEALS HARD ON HEELS OF REDS FOR 1ST PLACE

By Associated Press

While Pacific coast league teams were traveling to new battlegrounds Tuesday, club managers ruminated on the events of the last week, drawing the conclusion that those events had changed the status of things so far as the 1929 championship chances were concerned.

Most outstanding of the last week's developments were the setbacks suffered by the league leaders—reverses that may mean the difference between winning the pennant and losing it, while on the other hand, the so-called "back numbers" bugged old man opportunity and forge ahead a few miles.

The San Francisco Seals were hard pressing the Mission Reds for first place in the standings. Only on April 5 last, the Seals were holding down the cellar of the league. By dint of hard struggling, the Seals Tuesday were only five games behind the leaders, and apparently only started.

While the Missions play Seattle at San Francisco and the Seals battle the Solons in the capital city, Los Angeles will oppose the Oaks across the bay, and the badly battered Portland quick-quacks will battle the Hollywood Stars at Los Angeles.

## National League Race Gets Hot As 3 Clubs Alternate As Leaders

By The Associated Press

While the Philadelphia Athletics gallop along seven games in advance of the American league field, three western clubs are providing National league fans with one of the closest races in its history.

Pittsburgh, St. Louis and Chicago, which have taken Heyler's circuit Tuesday were bunched so closely that a handkerchief could cover them all. The Pirates of Pittsburgh held the lead by a two-point margin over the St. Louis Cardinals with Chicago's Cubs only a half game to the rear of the pace setters.

This condition of affairs can be accounted for by the fact that the Pirates picked Monday to lose their second game in a row to the Brooklyn Robins, 7 to 6, while St. Louis and Chicago both were recording victories. The Robins stilted Steve Swetonic off the mound in the fifth inning in a six-run rally, feated by Harvey Hendrick's home run with two on. Relieving Austin Moore, Macon recruit in the seventh inning, Johnny Morrison held the Pirates hitless and runless thereafter.

Chick Hafey's double, triple and 15th homer of the season helped the Cardinals subdue the ferocious Phillies, 10 to 9. Chuck Klein, Phil outfielder, tied Hafey for the National league home run leadership by belting out a home run on his own hook.

Other scores were: Chicago 10; Boston 8; New York 3; Cincinnati 7; Philadelphia 3; Chicago, 1; New York Yankees 3; St. Louis 2; Detroit 1; Boston Red Sox 6; Washington 3; Cleveland 4.

Nursesmen estimate that 60 percent of the fruit trees of Poland have perished because of the unusually cold winter.

## RUBBERY ROCCO GOES TO FLOOR

Chicago. (P)—Otto Von Porat, Norwegian heavyweight, again demonstrated Monday night that his left hook carries pugilistic paralysis. He knocked out the rubbery Emmett Rocco, of Elwood City, Pa., conqueror of Johnny Risko in the eighth round of their scheduled ten round battle in the Chicago stadium with a sizzling right.

Von Post knocked Rocco down in the first round with a hard right to the head. The squatty Pennsylvanian jumped to his feet at the count of two and ran to his own corner. He appeared dazed and frightened, but after shaking off the stage fright he made things decidedly miserable for Von Post until he was knocked sprawling with a left hook to the chin at the end of the seventh round, and was unable to come back for the eighth.
