

EGGS ADVANCE. VEAL AND PORK OFF HALF CENT

Portland, Ore. (AP)—Further advance in the price of eggs on the dairy exchange and on the open market indicates perhaps the greatest scramble for storage needs the local industry has known.

On the dairy exchange for the late season, extras moved to a new high point for the season at 32 cents dozen while standards were 33 cents dozen. Medium extras were up to 28 cents with one cent rise, while medium firsts and under-sized were up half a cent for the season.

Market for butter is showing unseasonable strength locally and throughout the country generally. An advance of half cent in standard cubes on the dairy exchange followed recent premiums of that much on the open market. In fact further premiums are reported above the market.

Very little, if any change is shown in the general trend of the live poultry market. Lightweight hens and broilers are in full supply while heavy stuff in both divisions is sought.

Very good tone continues in the market for country killed hogs but 16 cents is the general top even for selected light butchers. Talk of more generally comes from houses that do little of the business.

Fancy quality country killed calves are finding a very good call but 20 cents is the top price now, generally available. Beef is in good demand with sales of bulls 15 1/2 to 16 cents pound.

Dr. Lytle, state veterinarian, at a meeting with the commission men and wholesalers in country meat products, Wednesday night explained the working of the new meat law. The commission men were given several months to get the system working before prosecutions will start. The country is given time to understand that farmers can kill and ship meats as heretofore. Before killing, the owners of livestock must secure a free certificate from that office.

Price of new potatoes again being lowered by the state department. Old potatoes are shown in California and the keeping quality is such that wholesalers want no delay in the movement. The Dallas district is beginning to make an impression here. Old potatoes very firm and scarce.

Further general reduction in basic prices is shown as a result of the increasing stocks of home grown. Fancy main crop varieties are now being offered from The Dallas district.

MADE U. S. WAIT TO TAKE IN CROPS

Washington, (AP)—The boy who took in the crops out in Iowa while affairs of the state department waited for two weeks made good.

Fred G. Heins of Alma, today found himself promoted from a clerkship in the state department at \$1,660 a year to the position of confidential secretary to Governor General Davenport of the Philippines Islands, at a salary of \$3,000 a year.

Governor Davis asked all the departments to submit candidates for the position and picked Heins after interviewing hundreds of applicants. When notified of his appointment to the state department in 1924, Heins wired back, "Can't come for two weeks; must take in the crops." He was then working on a farm in Iowa. He has a perfect record in the division of foreign service administration in the state department.

CHIROPRACTICS OF STATE IN SESSION

(Continued from page 1)

nature of the subject, the general public will be excluded. The addresses on the scheduled program of the chiropractic convention Wednesday were shifted over to Thursday's schedule of events. These are the addresses of Dr. George Kenagy on obstetrics and of B. F. Mulkey of Portland, on legislative jurisprudence.

It was the desire of Dr. Kenagy that his talk be given after the motion picture on obstetrics and gynecology.

Most of the members of the chiropractic profession who are to attend the convention will register Thursday. Much of the preliminary work was gotten out of the way and the more important matters will be taken up later.

The afternoon session opened at 1:30 with music, followed by an address on the outlook for the future of chiropractic, by Dr. A. Budde. Dr. H. A. Hagan's address on "Chiropractic and Corrective Eye Work" was necessarily postponed when he failed to arrive.

Dr. Miles D. Warren, secretary of the state board was scheduled to make an address during the afternoon, to be followed by Dr. W. O. Powell with a lecture on "Philosophy and Science of Chiropractic."

Friday morning beginning at 9:30, the convention will resume with a legislative review conducted by Dr. F. G. Knott, on legislation passed affecting the chiropractic division of health arts. Dr. Knott is vice president of the state association, with offices in Portland.

Dr. R. L. Dunn's address on "Chiropractic Salesmanship" will be followed by clinical forum consisting of technical adjustments of proven merit. Each doctor present may participate, but will be limited to five minutes.

Upon adjournment of the morning session, the entire convention members will meet for luncheon at the Elks club.

The afternoon session will open with music, to be followed by the address of the president, Dr. George A. Simon of Eugene. The remainder of the meeting will be given over to discussion on various aspects of treatment means and problems, and dietary schedules.

The convention is scheduled to adjourn at noon Saturday, with the final business, the selection of a meeting place for 1930.

MARKET QUOTATIONS

PORTLAND LIVESTOCK

Portland, Ore.—Cattle and calves—Quotable steady. No receipts. Steers (1100-1200 lbs.) good \$11.50 to \$12.50. Do. (900-1100 lbs.) good, \$12 to \$13. Do. (600 and up), medium \$11 to \$12.50.
