To maintain a slender figure, no one can deny the truth of the advice: "REACH FOR A LUCKY INSTEAD OF A SWEET." LUCKY STRIKE CIGARETTES "IT'S TOASTED" Malicious Propaganda No amount of malicious propaganda, an insult to public intelligence and good faith, can sway public belief in this fact: Lucky Strike is a blend of choice tobaccos whose toasted flavor thrills the taste, whose toasting process eliminates impurities, and, as 20,679* physicians testify, makes cigarettes less irritating. Toasting elevates Lucky Strike to a plane of quality which no other cigarette can approach. The constant care of experts assures the quality of Luckies. Its choice by millions proves its superiority and is the truthful answer to selfish claims. *The figures quoted have been checked and certified by LEHMAN, ROSS BROS.
