JUNE CLOTHING SALE, BEGINS SAT. JUNE 15

Our Thirty-Ninth Year as Salem's Leading Mens Store

To maintain leadership in one community for over a third of a century, properly indicates that Bishop's has given to its patrons that type of service and merchandise that wins unbounded confidence. This store has grown as Salem has grown, as Oregon has grown. It has given of its time and resources upon every occasion where civic betterment was to be gained. It has helped pioneer the way in making Salem one of the best cities on the coast in which to do your trading. Of still more importance Bishop's mills and store organization is an Oregon owned concern. Every dollar made through its efforts stays in Oregon and hundreds of families are receiving their livelihood through its operations.

Growing in Popular Favor Every Year by Merit

Popular recognition of the Quality of Bishop's merchandise and the rock bottom level of its prices, have increased the prestige and volume of this store almost continuously. Sales like the one we announce today have as their purpose the stimulation and renewed ambition to give a still greater service and to gain new friends as well as reduce our stock for the new season. With such famous makes as Hart Schaffner & Marx, and Michaels Stern clothes, Bostonian and Nettleton shoes, Mallory and Stetson hats, Arrow and Argonaut shirts and many other lines of nationally advertised merchandise as the basis of our stocks offered at liberal reductions off the regular price for the great event. We have every reason to believe that this will be the sale of sales and that we will gain new friends from far and near. Plan to attend this Great Clothing Sale.
