

MT. SCOTT MAKES 2ND APPEARANCE HERE SUNDAY

RUSSELL WILL OCCUPY MOUND FOR SENATORS

With the close of the first half of the Oregon-Washington baseball league scheduled for June 23, and with Mt. Scott having a mathematical chance to go into the lead with the Longview Rangers for first place, the outlook for a tight game between the Mt. Scott aggregation and the Salem Senators next Sunday afternoon on Olinger field is particularly bright. The visitors are going to do everything possible that would give them a win, while the home boys, with the memory of that early season loss still fresh in their minds, are just as determined to send a breaker Sax and his supporters back to Portland with their defeat of the year.

Russell, the big boy, who deserved to win last Sunday against Kelso, will probably be on the mound against Mt. Scott. He really pitched a three hit game against the Wolves. Sax, the man who has pitched virtually every game this year for Mt. Scott, for an average of 500 and who was largely responsible for the Senators' early season defeat, will again offer his choice assortment of shots to the locals.

Drafting of younger players may put some pep into the batting of Edwards' men. So far this season they have shown a lack of ability to hit the ball. A continuance of this kind of performance with the bat against Mt. Scott will no doubt spell defeat, for the visitors play a brand of ball that tends to take advantage of every break and with the majority of ball games being won or lost by small margins, the breaks generally decide the game.

Prisco has decided that, like Portland, he may change the name of his team. "Certainly we can't do any worse under the name of Collegians, than we have under the title of Senators," the manager stated Saturday. "However, I hope it works better than it did when Portland traded its beaver tail for a duck bill."

The line-up for Sunday contest will probably find Sullivan at first, Lamb on second, Gibson or Hubert Ashby at short, Hafenfelt at third and Clominger, Quinn, Sutherland and Ginner taking care of the outfield. Cardinal will probably do the receiving.

Albany plays at Longview Sunday and if the former wins, they will have the first half cinched. A loss to the Alcos would give either Kelso, Mt. Scott or Montavilla a chance to tie for first place. Kelso will play Montavilla at Portland.

Albany and Alcos will engage in a barnstorming series at Brownsville next week. The are scheduled to play on Wednesday and Thursday in connection with some kind of a celebration there.

HEAVY TRACK FOR AMERICAN DERBY EVENT

Homeswood, Ill. (AP)—Clyde Van Dusen, the Man O'War colt, which won this year's Kentucky Derby, was the outstanding favorite of turf fans gathered here Saturday for the historic \$50,000 American Derby. Van Dusen's odds held firm at 6 to 5.

Sixteen horses were entered for the classic, with at least 12 almost certain to start, and many of these bore records which proved them able runners. Yet Van Dusen's sparkling performance in the Kentucky Derby where he munched his way through mud and slime to conquer his field left him alone today as the favorite.

The track Saturday morning was still wet and heavy from recent rains, so heavy in fact, that almost no amount of sunshine before post time could make it fast. The fans were made glad, however, by an official forecast for clear skies and higher temperatures, conditions which assured an attendance of approximately 70,000—and possibly 100,000.

In addition to Van Dusen and African, a few other horses were given last minute consideration among the better. These included Windy City, Karl Etzel and Minotaur, all of which have proven their ability to splash their way under heavy going.

HUSKIES DEFEAT BADGER CREW

Madison, Wis. (AP)—The University of Washington and University of Wisconsin crews, victor and vanquished respectively in their dual race on Lake Mendota, leave Saturday for Poughkeepsie where both are entered in the national intercollegiate regatta June 24.

The Badgers tasted defeat in their first race of the year when the Huskies beat them by one and three-quarters lengths over a two mile course Friday but they are none the less hopeful as they began pointing for the Hudson river contests.

The Badgers, six of whom were rowing their first varsity, took the jump on the westerners at the start and held a slight lead throughout the first mile. As the powerful Ginger carried up the stroke of the Washington eight, however, the Badgers could not stand the pace although they kept within a few yards of the Husky shell until the final stretch.

The Washington junior varsity crew easily defeated Wisconsin's Jayvees in the first race of the evening.

Red Birds Regain Lead By Shading Braves; Uhle Suffers Third Defeat

By The Associated Press
After two days of vain battling against rain squalls, the Cardinals settled themselves Friday to the more pleasant task of beating the Braves. The Red Birds celebrated the delayed opening of the Boston series by shading Judge Fuchs' tribe, 4 to 3, and so regained first place by the precarious margin of half a game, or two percentage points. The Giants paved the way for this Cardinal advance by turning back the Pirates, 7 to 2.

The Pirates can't win them all, and this becomes particularly evident when a pitcher like Larry Benton achieves his highest form. Benton gave the hard swinging buncapers just seven hits, and seldom was in any danger after the Giants knocked Jess Petty from the box in the first inning. It was Petty's second knockout in two days.

Brooklyn committed three misplays in the ninth at Cincinnati Friday, enabling the Reds to score three times and tie, but re-won the game in the 11th when Rube Wright scored on Frederick's double. It was Brooklyn's second straight victory over the Reds.

The Athletics and the Yankees won their customary victories. Maintaining the eight game gap by which the Athletics lead, the Macks humiliated Cleveland a second time as Bob Grove turned in time-hall to win by 9 to 6, and the Huguen stamped the Tigers, 15 to 4.

The Yanks had another fine hitting afternoon, raking George Uhle, George Smith and John Pradhomme for 17 blows, including Lou Gehrig's 16th and 17th home runs. The defeat was Uhle's third in succession.

Washington about faced and defeated the White Sox by 4 to 1 and the Browns nipped out the Red Sox by 7 to 6 in remaining American league fixtures.

Pendleton, (AP)—Johnnie Morris, 135-pounder from Seattle, won the scheduled eight-round match with Stanley Stewart, Portland fighter, here Friday night when Stewart fouled him in the fourth round.

Johnnie Snell, 118 pounds, Tacoma, won the decision in eight rounds over Billy Robbins, Portland.

In a third eight-rounder, Jack Kentworth, Portland, knocked out Brownie Buskirk, Pendleton, 155 pounds, in the second round.

Shorly Mike, 124 pounds, Kennewick, scored a second-round knockout over Young Weaver, Portland, in a scheduled four-round go.

Gavuzzi Holds 10 Minute Lead Over John Salo

San Juan Capistrano, Calif. (AP)—On the next to the last lap of their long run, C. C. Pyle's cross country marathons left here Saturday for Huntington Park with Peter Gavuzzi of England, still holding a slight margin in elapsed time.

The bunioneers will conclude their trek from New York at Wrigley Field Sunday stopping Saturday night at the Lodoma dance pavilion in Huntington park.

Gavuzzi finished fourth Friday but his total time from the start of the derby gave him an edge of approximately 10 minutes over John Salo, his nearest competitor.

She was rushed to McMinnville where the fracture was reduced and she is reported to be resting as well as could be expected, at the home of Mrs. Anderson.

More travelers used the Swiss Federal railroads last year than in any previous 12 months since the war.

Oakland continued its sensational climb toward the top by shutting out Los Angeles 5 to 0. The game marked the tenth victory out of 11 consecutive starts for the Oaks. McEvoy gave the Angels but three hits while his team mates collected 11.

Fred Ortmann, young Portland southpaw, lost a pitching duel to Hollywood that went 11 frames. The Stars won 3 to 2 when Ortmann walked a man to force in the winning run. Frank Shiellenback pitched for the Stars, and although both moundmen were hit often they kept them scattered.

DIRECTED PLAY STARTS MONDAY

With the swimming hole at the 14th street ground dredged to a depth of from 3 to 6 feet over a distance of 150 feet, and with a 9-foot hole near the diving board, one of the finest out-of-doors swimming pools in the city will be formally opened next Monday to youngsters who gather here during the summer months for their supervised play. All three playgrounds will be opened Monday with competent attendants at each place. Louie Anderson, Echo Balderes and Maude Langford will be at the 14th street grounds; Mrs. Ruba Anderson at the Lincoln grounds and Mrs. Gladys Mills at Yew Park.

While the playgrounds committee is anxious that youngsters take advantage of the grounds this summer, request is made of parents that they do not permit their children to visit the various places before 1 p. m. each day, as there will be no attendants in charge before that hour. The pool at 14th street is perfectly safe between the hours of 1 and 8 p. m. while a life guard is on duty, but before that period there is danger for unsupervised children. A wading pool for nonswimmers has been arranged at the 14th street grounds.
