Scene Of Gathering

Hayesville Baptist church on Pacific highway north of Salem where quarterly Sunday school district convention will be held Sunday.

TURNER CHURCH HAS VACATION

Turner—A good congregation profited by last Sunday's services at the Turner Methodist church. Following the morning Bible study session, district superintendent, Dr. T. H. Temple preached a sermon and conducted the communion service, assisted by the pastor, Rev. Grace Driver. Immediately following the services, the district quarterly conference was held. The church was decorated with bows of roses, ferns and other blooms.

JOKESTERS DELIGHT IN HARMLESS PRANK

Turner—A group of youthful pranksters between Salem and the new penitentiary annex are enjoying their favorite joke of fooling passing motorists. Nights at dusk they begin several hours of fun by tying a string around a large sized, carefully wrapped box and placing it beside the highway, then get in the ditch and hold onto the string attached to the package.

Most motorists in passing see the box, and out of curiosity back up the car even with the box and get out. In stooping to pick up the package it gradually begins to slide near the ditch, much to the amusement of the pranksters.

A number of local people have observed the package, and some have experienced the joke at the expense of the boys. Sunday evening the box was in its usual place along the highway, only was wrapped in bright red paper this time, very much resembling a Yuletide package.

Relatives were urged to fill out their blanks in order that the genealogy of the family may be written in book form. A vote of thanks was extended to the secretary, Mrs. C. C. Geer, for her efforts in getting out announcements for this year's reunion, and a rising vote of thanks was given to Mr. and Mrs. A. A. Geer for their hospitality. Obituaries were read by Mrs. Samantha Bowers and Lorin Kruse who passed away since the last meeting.

Miss Ruth Geer of Woodburn, granddaughter of Ralph Geer, gave an entertaining talk on "The Geers in the Wars," there having been a Geer in every war since the French and Indian war. Frank Bowers told of Captain Ralph Geer in the battle of Abigau during the Indian war. It was decided that the meetings of the Geer clan be held at the A. A. Geer farm during the lifetime of Uncle Cal Geer. Officers for the year, all of whom were re-elected, are: Mrs. T. T. Geer, honorary president; A. A. Geer, president; Mrs. F. W. What Famous Users Say About Richfield

CAPT. WILKINS

"Richfield Gasoline served our Whirlwind splendidly during twenty-two hours of Arctic flying in temperatures ranging to forty-eight below on our flight across the top of the world. During our efforts to explore the unknown Arctic, we have used Richfield Gasoline under all conditions and temperatures with the utmost satisfaction."

INTREPID explorer and adventurer, Captain Sir Hubert Wilkins! Captain Wilkins was knighted by King George of England for his 2300 mile dash across the frozen Arctic in a single motored, Lockheed Vega monoplane. With his pilot, Lieut. Carl Ben Eielson, he is one of the only two humans who have ever flown over the top of the world.

His exclusive choice of Richfield for the severe flying conditions of the Arctic is tribute to Richfield's performance and is compelling proof of the qualities that have made Richfield the choice of such world famous men as Fred Duesenberg, Anthony Fokker, Art Goebel, Harry Miller and scores of others.

These are the same qualities you need in the gasoline you use in your own car—instant speed and acceleration, greater power and mileage.
