

STATE EDITORS OPEN SESSIONS ALBANY FRIDAY

Albany—Editors and publishers and their wives of newspapers in Oregon started arriving in Albany Thursday afternoon and evening and by the opening session Friday morning 200 members of the Oregon State Editorial association and their wives were on hand for the twenty-second annual convention, sponsored by the Albany Democrat-Herald and the Albany chamber of commerce.

An interesting and varied business and recreational program has been arranged for the meeting with a trip to Newport planned for Saturday afternoon for the remainder of the week end with the entertaining done by the Newport chamber of commerce. Friday evening following the convention sessions held in the Elks temple, which will be used as the convention hall, a banquet will be served and following the banquet at which time the editors and others present will be welcomed to Albany by Mayor V. L. Calavan, with W. J. Sawyer, president of the association and editor of the Bend Bulletin giving the response, a band concert will be given in Takenah park with a free dance being given by the Albany American Legion post later in the evening.

A golf tournament will be sandwiched in Friday and Saturday. The wives of the editors will be entertained with bridge parties, teas and automobile rides during the business sessions, it was announced.

GIRLHOOD FRIENDS MEET AT PIONEER

Pioneer—Mrs. Wayne Coville of Corona, Calif., and her mother, Mrs. Lee McCormick of West Stayton, called on Mrs. W. E. Barnett recently. Mrs. Coville and Mrs. Barnett were girlhood chums when they resided with their respective families in Mission Bottom. Mrs. Wayne Coville and husband have been visiting many of their old friends while in Marion county on an extended visit. They stopped at Marshfield on their trip up here to visit with Mrs. Coville's brother and sister, Roy McCormick, and Mrs. Frank Cuddy and their families.

On June 18 the McCormick family met at Dr. Hatten for a picnic. The group consisted of Mr. and Mrs. Lee McCormick, Mr. and Mrs. Roy McCormick and children, Mr. and Mrs. Frank Cuddy and daughter, Catherine, Mr. and Mrs. Wayne Coville.

While in Oregon Mr. and Mrs. Coville made a trip to eastern Oregon, going by way of the Columbia highway and then south to Bend, where Coville stopped on business and back to Stayton by way of McKenzie highway.

Mr. and Mrs. Lawrence Butsch and baby of Oakland, Calif., who were visiting here for the past two weeks at the home of Mr. Butsch's father, Henry Butsch, returned with the Van Hattens to their California home. The visitors were extensively entertained during their stay here.

TWO MEN INJURED

Scio—While handling ties at the Lulay planing mill at West Scio, P. I. Folson, of Scio, received badly bruised fingers. While working at the Bartu garage E. A. Ernest had a hand badly lacerated.

Consistently the lowest bacteria count in Salem.

THE MILKY WAY TO HEALTH
Lowest Bacteria Count

June 28th we received an official report on the bacteria count made by the Marion County Health Unit. We are allowed up to 50,000 bacteria per cubic centimeter in grade "A" milk, but the official report shows a count of only 999—as pure as we can humanly make it, and an exceedingly fine report.

They will return in time for the opening of school.

SILVERTON BUILDING IS BEING REMODELED

Silverton—The I. D. Worden building at the corner of Water and Oak streets which is being rebuilt from a service station into three store spaces and offices and apartments upstairs, is well under way. The basement is completed; the roof and partitions have been torn out and work is now starting on rebuilding the first and second floors.

In a day or two work will be discontinued by Foreman Pounder until Worden, who is in the middle-west, returns, as there are some items about the building that are uncertain. It was expected that the building would be finished by the first of August but this delay will make a change in the time.

GILBERT SPRAGG IS HOST ON BIRTHDAY

Jefferson—Mrs. D. L. Spragg entertained with a surprise party in honor of her son Gilbert's 18th birthday anniversary at her home in Jefferson Wednesday evening. Games and contests were enjoyed and at a late hour refreshments were served cafeteria style. Mrs. J. O. ANNUAL PICNIC OF POLK CLUBS SLATED JULY 17

Dallas—The second annual Polk County boys' and girls' club picnic has been scheduled for the Hickrell grove on Wednesday, July 17. There are over 500 boys and girls enrolled in the various club projects in Polk county and not only these but their friends and parents will be in attendance at this second annual event if the crowd that was on hand last year is any indication. There were some 600 people in attendance last year, the crowd being almost equally divided between club members and their parents and with the effect of a successful event behind it the one this year will undoubtedly be even greater.

Invitations have been extended by County Agent J. R. Beck to the various civic organizations as well as the farm organizations for the participation of their members in this event. Arrangements are being made to have an interesting program, although a brief one, and a full program of sports and athletic contests.

South for the winter... North for the summer

*The CLARKS' driver is careless
of distance...but particular
about his gasoline*

HAROLD SNIDER, who drives for the O. M. Clarks of Portland, will add five neat figures to the speedometer of a Cadillac limousine this season.

His "boss" wintered in the South. And the Cadillac went along devouring nearly three thousand miles of highway plus other thousands in shopping and visits and sightseeing.

You'd think the car would be ready for an overhaul—but today it slips through traffic and stretches out on the highway full of clean-powered speed.

Notice the kind of cars at Shell stations—and the people who drive them. Cars that show care—not all new or expensive makes by any means—but driven by people who are thoughtful of their automobiles and who appreciate the sound value of Shell 400, the "dry" gas

The Clarks are proud of the way their car performs and give driver Snider the full credit for it. He deserves it, too. One of the things he insists on is a certain brand of gasoline. He has learned a secret of "keeping upkeep down" by avoiding "wet" gasoline that causes oil dilution.

It is now a well recognized fact that oil dilution from "wet" gasoline is one of the most serious menaces to automobile motors. Manufacturers and dealers, lubrication men and expert mechanics are constantly sending out warnings.

And today there is no need of using "wet" gasoline. Shell 400, the "dry" gas, exactly refined to eliminate heavy, "wet" petroleum fractions, goes completely vaporized into your motor. No condensing droplets run down the cylinder walls. All of it goes into power and mileage. It gives you full value for your gasoline money.

Yellow and red pumps identify Shell 400, the "dry" gas. Thousands of convenient stations sell it.

Harold Snider, expert driver, has a gasoline secret worth hearing

In a magnificent hotel that overlooks the surf at a sunny southern beach the O. M. Clarks spent the winter season. Drives might take them through miles of smiling countryside, but stops, for gasoline anyway, are always at Shell stations

IMPORTANT TO EVERY MOTORIST
—the kind of gasoline

Here is a typical example of old crankcase oil after "wet" gasoline was used. Oil 54% gasoline—ruined long before it had run a thousand miles

Shell 400 in the same car would dilute your oil very little. Perhaps 8% or 9% in a full thousand miles—not enough to hurt its lubricant qualities

SHELL 400 The "DRY" gas

New high-compression motors have no room for the hard carbon that comes from burned motor oil. It is important that you use an oil that forms no hard carbon. Shell Motor Oil leaves only a little soft soot that blows easily away
