“Rinso for whiter washes and for safety!”

say makers of 36 leading washers

When the makers of 36 leading washers urge women to use Rinso—you can be sure there's a reason.

In tub or washer, Rinso washes clothes the whitest, brightest *innocent* white you ever saw! Its thick suds loosen dirt. Not a bit of hard rubbing, no boiling—all you need to do is rinse.

Clothes last longer this safe way. Hands are spared, too. And my, how economical Rinso is! One cupful gives more suds than two cupfuls of lightweight, puffed-up soaps... because it's granulated, compact.

For tub washing—you just can't do without Rinso! It soaks clothes whiter than they can be scrubbed. Get the BIG handy household package now.
