

LONGVIEW MAKES INITIAL SHOWING HERE SUNDAY

SENATORS WILL BATTLE HARD FOR VICTORY

Firmly believing that if he can "net over" Manager Sparky Roben's Rangers here Sunday, the Senators will have an excellent chance for the second half pennant of the Oregon-Washington league. Manager Frisco Edwards is leaving no stone unturned to give the Longview ball club an interesting afternoon.

The game Sunday marks the first appearance here of the Longview squad. The only game scheduled with them here the first half was rained out. And, unless the Senators succeed in winning the flag for the second half, it will probably be the only showing of the much touted team from the Washington city. However, should the solons be fortunate enough to finish in the lead, a play-off series with the Rangers would bring that aggregation back here in September.

Edwards will be back in the line up with the big mitt Sunday. He knows the delivery of Barham better than Cardinal does and believes they can handle the Rangers in better shape. With Quinn back in the line-up to take the place of Sutherland, the outfield will be strengthened considerably.

Fans here are pulling strong for Bill Sullivan to stretch his perfect batting average over another Sunday at least. He had a hard time in making a clean sweep last Sunday, however. Anderson, Kelso twirler, tried his best to walk the first sacker the last time he came to bat, but the youngster would have none of it, and took a whack at one that was over his head.

It's no secret that the relations between the Senators and Rangers are none too intimate. Each team would rather lick the other outfit than any other club in the league. Nothing would delight the Senators more than have "King" Cole as an opposition moundman. If he was right, they might have a hard time of it, but on the other hand, if he started slipping, he would be greeted with a barrage of hits.

Roben has been carrying three pitchers all season—Cole, Forde and Covert. The Ranger team is the only outfit in the circuit that has kept intact throughout. The other teams have swapped and re-swapped until there isn't much resemblance to the original starting line-ups.

The "Blind Toms" are scheduled to start the fireworks at 2:30.

Portland (AP)—Duplicating their feat five years ago, Ray Casey and Herbert Suhr, San Francisco, defeated L. Driscoll, Palo Alto, and Burt Berndt, Los Angeles, for the men's double tennis title of the Oregon state tournament at the Multnomah country club courts late Friday.

The final score was: 6-4, 6-0, 3-6, 6-3.

After losing the first set, Marjorie and Marian Macfarlane, Victoria stars, rallied to defeat Mrs. Golda Myer Gross and Dorothy Weisel, 4-6, 6-2, 6-3, for the woman's doubles championship.

Two upsets were listed in the semi-finals of the women's singles of the tournament when Dorothy Weisel, Sacramento, national girl's clay court champion, eliminated Marjorie Macfarlane, New Zealand champion, and seeded number one loper, 6-1, 6-1 and Marjorie Leeming, Victoria, defeated Mrs. Golda Myer Gross, defending title holder.

Miss Leeming defeated Mrs. Gross in straight sets, 10-8, 6-4.

Ray Casey and Kurt Berndt advanced to the men's singles finals and will meet Saturday afternoon.

BENCH-WARMERS OF JUNE MAY DECIDE LEAGUE RACES

The reserve strength of the leaders seems likely to decide the pennant races as the season passes the meridian. Above are three of the "spares" upon whom their managers count.

SEALS WIN AND TAKE THE LEAD

By United Press

The San Francisco Seals went to the head of the list in the Pacific coast league by defeating Oakland 8 to 6, winning the series no matter what happens Saturday and Sunday. It was the fourth straight victory by the Seals over the Oaks, the series sending Oakland down to sixth place.

Hollywood, second in rating for the second half of the season, swapped Seattle 11 to 6 in a one sided contest. The Indians still fill seventh place.

The other two games were real battles. The Mission Reds, winners of the first half and now in third place for the second half, went 12 innings to defeat the tail end Portland Ducks 5 to 4. Morton Nelson pitched the dozen frames for the Reds, his team winning with a group of singles off Mahaffey, the third Portland pitcher to take the mound.

Coming from behind, the Sacramento Senators tied Los Angeles with two runs in the ninth, after trailing eight innings and then broke the deadlock in the 11th to win four to three. The result of the day's play put Los Angeles in fourth place with Sacramento in fifth position.

MOE MATCHED WITH CARTER, PLAY ENIGMA

Mission Hills Country Club, Kansas City (AP)—Two collegians met here Saturday to decide the western amateur golf championship. The two appear to be very poorly matched on the surface. On past performances, reputation, comparative scores and "dope", Don Moe, 20-year-old University of Oregon sophomore from Portland, is a certain winner over Gilbert Carter, University of Missouri golf captain, of Nevada, Mo.

Moe has played 131 holes of golf during the present tourney and until the last six holes of his Friday match with John Lehman, Gary, Ind., was three strokes under par. On the last six holes of that match Moe lost five strokes to par but even with this bad slump was only two strokes over par for the 131 holes.

Carter barely qualified for championship play with a total of 154 and in his 103 holes of match play has been 29 strokes over par.

The Missouri boy has been the enigma of the present tournament. Coming from a club where the greens are sand, holding his club-like baseball bats and apparently having to "form" he has been the underdog in every one of his matches—not because of his own good golf because his opponents have played far below form.

Despite his faulty form, Carter's drives compare favorably with those of any other entrant and his iron play is particularly accurate, his putting is average to say the least.

Moe easily is the best shot maker in the tournament and his play has proved that he is capable of beating Carter by a wide margin. A comparison of the cards of the two players in their semi-final matches against John Lehman and Art Sweet, show that Moe would have beaten Carter 19 and 9 had they been paired Friday.

ELKS END SERIES WITHOUT LOSS

By defeating the American Legion team, 5 to 2 Friday night, the Elks club won the championship of the Commercial league, having gone through the season without a loss. It was the third defeat for the Legionnaires.

The losers went into the fourth inning with a 2 to 1 lead, but through a combination of hits by Schultz and Dexta, a hit batsman and an error or so, the antlered herd succeeded in putting the game away by chasing over four tallies.

Proctor, substituting for Schnelle for the Legion, pitched acceptable ball, while Russell after the first inning, settled down and allowed but one hit and retired eight batsmen.

The Elks played 9 games this season, winning all, while the Legion has lost three—having dropped two to the Elks and one of the Building Trades. Score:

Elks 5 7 1
Legion 2 4 3
Russell and Schultz; Proctor and Oestrich.

Pirates Beat Phillies To Stretch Their Lead To Three Full Games

By The Associated Press

Favorites in the two major leagues had nothing but a breeze Friday, save the case of the Giants and the Cubs who played each other. The young men of John McGraw rallied in the last two rounds to pull this one out by 4 to 3 in 10 innings, and the Pirates gained a full game of the Bruins by the simple process of giving the Phillies their daily beating, 6 to 4. The Pirates now lead by three games.

Cornelius McGillicuddy spread gloom in St. Louis by leading the Athletics to a double victory over the Browns by 10 to 0 and 8 to 2, and at the same time added a technical half-game to his lead over the Yankees who crushed the White Sox by 12 to 2. The Mackian margin is now eight and one-half games.

The Cardinals gave Brooklyn fans an intimate demonstration of why the champions no longer are in the race. The St. Louisans combed Dazzy Vance for five runs in the first half of the ninth to break a 2 to 2 stalemate, but promptly proceeded to give the game right back to Brooklyn in the home half. Three St. Louis errors, four passes and three hits enabled the Robins to score six runs with one out to win by 8 to 7.

The Cincinnati Reds fought their way to within a few percentage points of an escape from the cellar by lurching the Braves for the third successive afternoon 4 to 3.

The Tigers rallied for four in the ninth to win a weird game from the Red Sox by 13 to 12, and the Indians shaded Washington at Cleveland by 3 to 2.

The Misses Hattberg were graduated from Oregon Agricultural college in June and are spending the summer with their parents here and with their brother at Pratum.

Playing Neal

Chicago (AP)—"Playing Neal" has been the advice of many Chicago racing fans, who found they could win money on the mounts of Paul Neal, a 90-pound apprentice—an exercise boy until this year.

The 16-year-old, blue eyed lad booked his horses under the wire first with such frequency at Washington park that the bettors "played Neal."

Neal rode 31 winners during the 28 days of the Washington park spring meeting. He had more than 125 horses "in the money." The boy was tied with Elmo Shropshire, an apprentice last year, for first place. His success stamped him as the turf's leading apprentice.

COMMISSIONER OF BOXING TO BE APPOINTED

(Copyright 1929 by United Press)

New York—A boxing commissioner, to have supreme authority over the fistie industry similar to that exercised over baseball by Judge Kenesaw M. Landis, will be appointed before the end of the present year.

The New York state athletic commission, which controls boxing in this state, is sending out feelers to commissions in other states where boxing is conducted on a large scale, and there is little doubt that agreement will be reached.

No attempt will be made to establish the commissioner in a national capacity. He will be recognized by those states in which boxing flourishes, such as New York, Pennsylvania, New Jersey, Massachusetts, Illinois and Michigan.

W. F. Carey, president of Madison Square Garden, is the man who advanced the suggestion, which was adopted Friday by the New York Commission.

The case of Max Schmeling, recognized as the outstanding heavyweight contender, yet under suspension in New York state because of his refusal to engage in a match with Phil Scott of England, arranged by a manager, the German boxer disowns, precipitated the decision to ask the boxing commissions of several states to get together and agree upon a "Judge Landis."

The question then arose: should Carey and his associates carry their good will for the New York commission to the point of quickness and decline to promote a Sharkey-Schmeling fight in some other state?

Carey conferred with the New York state athletic commission Friday and afterwards tacitly admitted that Madison Garden as incorporated in some state other than New York, will promote a heavyweight bout between the German and the Lithuanian this fall. Probably the bout will be held in Detroit.

Lyle Ellis Back

Silverton—Lyle Ellis now of San Francisco is making a visit at the Carl Benson home at the China pheasant farm. He spent all his early school days here and has many friends and acquaintances. He will go from here to Vernonia to visit his sister, Mrs. Creed Lincoln and family before returning to California.

Mt. Angel—Raymond Terhaar left for Roberts, Idaho, where he will spend the summer. He will return this fall to continue his studies at Mt. Angel college.
