NO PARKING ZONES

PAINTED AT TURNER

Turner-No parking some have been recently painted on the curb and on the concrete wall across the street on the mill race side to pre-vent automobile accidents in the future, as have occurred in the past. The paint is of a brilliant yellow hue such as is uned by traffic de-partments of various clites to mark off no parking zones. Provious to the city council or-dering this doug, cars parked in front of the Odd Fellows building, obstructing the view and narrowing the corner so that two cars could scarcely pass without danger. A number of accidents had occurred on this corner, and the no parking zones will aid motorists to avoid accidenta.
