

TILDEN TAKES FIRST WIN FOR U. S. DAVIS TEAM

BEATS GERMAN IN 3 STRAIGHT SETS, BERLIN

Roi Wels Tennis Club, Berlin (AP) "Big Bill" Tilden started the United States Davis cup team on the road to victory Friday with a straight set triumph over Hans Moldenauer of Germany in the opening singles match of the interzone finals before 6,000 spectators on the famous Roi Wels tennis courts.

The scores were 6-2, 6-4, 6-4. After Tilden had broken Moldenauer's service repeatedly to sweep through the first set, the young German rallied and took a temporary lead in the second which "Big Bill" won, 6-4.

In the third and deciding set the German broke Tilden's first service and won his own to lead at 2-1, but the American then took matters into his own hands and "cooked" through to his straight set victory.

Dr. Preuss, German champion, and Frank Hunter, then took the court.

The German won the first set easily, 6-3.

Hunter won the second set, 6-3.

JUNIOR TITLE WON BY NEAR

Portland, (AP)—Dick Near, 17 year old Eugene high school student, was junior golf champion of Oregon Friday by virtue of his defeat of Holman Crawford, Peninsula Club negro, on the Multnomah Club links Thursday.

Florence Cellars and Marian Macdougall were to meet Friday in the finals of the girls tournament.

GIANTS GAIN ON PITTSBURG

By the Associated Press The first phase of John McGraw's own personal crucial battle against the high-flying Pirates had just the result Joe McCarthy himself would have asked. The Giants, backed by the Pirates by 4 to 1 as the McCarthy troop swept through the paper defenses of the Robins in Flatbush, for an 11 to 7 decision. The Pirates remained in the top perch in the league standings, but they enjoyed a margin of less than one full game.

Another Chicago victory Friday, matched by another Pirate defeat, would send the Cubs back to the top by a percentage margin with the standing in games a virtual tie.

The Yankees were rained out in Cleveland, and the Athletics picked up a technical advantage of half a game by defeating Detroit 8 to 4. The Mackmen's margin now is eight and one-half contests.

More important to Connie Mack than this paper advantage of having won a game which the Yankees yet have to play was the showing of George Walberg who in recent games had threatened to enter a slump. Walberg gave the Bengals nine hits, but so scattered these that the afternoon was an athletic walk over.

Light Heavyweight Seat Empty

NO GROUNDS FOR PROTEST, SAYS RITCHIE

Although he had not been officially notified of a protest lodged by the Groccerymen's team of the Industrial twilight league against awarding the championship to the Postoffice club, Ray R. Ritchie, president and secretary of the league stated Friday morning that he did not believe the grocers had any sound basis for a protest.

"They have had trouble ever since the first few games were played in getting eligible men," stated Mr. Ritchie. "During the last part of the season they couldn't get a full team of eligible men on the field. They have not been discriminated against and have absolutely no grounds for objecting to the outcome of the season's play."

In their protest the Groccerymen point out that their team finished the season with a percentage of .778, having won seven out of nine games, one of them by default. They made formal claim to the championship and any trophies awarded.

"We believe that the Salem Groccerymen's team has been discriminated against, purposely, in the matter of the eligibility of its players, and that the attitude taken by those in charge has been unfair," reads the protest.

"At no time has the Groccerymen's team placed any person that would not have been eligible either by occupation or by acceptance in a regular meeting."

"At the beginning of the season the Salem Groccerymen's team had eleven men, who were accepted by the league. As the season progressed, five of these men became incapacitated or left town.

"In addition, persons in charge have consistently refused to apprise the Groccerymen's team of rulings or protests filed by other teams, and have refused to give consideration to protests filed by the Groccerymen's team, and have refused to allow an appeal to the committee of managers from the secretary's decision on a protested game."

Tommy Beats Braddock; Fights As Heavyweight In Future, He Declares

New York (AP)—Tommy Loughran announced Friday that the light heavyweight throne was vacant and that he would seek the permission of various boxing commissions to campaign hereafter as a heavyweight.

"From now on I am going to fight at my normal weight, which will preclude my continuing in the 175 pound division," he said. "I intend to give up the crown and see what I can do among the heavies, the authorities, of course, willing."

New York (AP)—Tommy Loughran was still ruler of the light heavyweight brigade Friday and James J. Braddock, Jersey City puncher, had only a boxing lesson to show for his meteoric climb to the rank of contender.

Meeting Braddock in a 15 round titular battle at the Yankee stadium Thursday night, Loughran piled up points with a stabbing left hand and won the decision beyond a question.

Not once during the struggle could Braddock land squarely with his right hand, without which the Jersey youngster would not have deserved to be in the same ring with the champion. With that right hand Braddock had broken Pete Latzo's jaw, knocked out Tuffy Griffith in two rounds and stuffed the Buffalo speeder, Jimmy Slattery, in nine rounds.

Against Loughran, however, Braddock could find no use for his most potent weapon. Outsped and outsmarted all the way, the Jersey lad found the champion's left always ready to catch the wild overhand rights that came his way.

Never has Loughran appeared to better advantage. His educated left hand spent most of the evening in Braddock's face. With it he kept the challenger off balance, thus neutralizing the undoubted power Braddock has in his fists.

Of the 15 rounds Braddock won only two. There were no knock-downs.

SEALS MAKE IT THREE IN ROW OVER SENATORS

By the Associated Press With their third straight victory over the luckless Sacramento Senators safely tucked away, the San Francisco Seals Thursday led the Pacific coast league for the second half of the season with fourteen games won and four lost. Their nearest rivals were the Hollywood Stars, who held second with twelve won and four lost. Thursday's victory was credited by the Seals to Elmer Jacobs' brilliant mound work. The final tally was 9 to 3.

The Indians hit hard for three opening innings on their northern playground, but Wilbur Hubbell tamed them to allow his Mission team mates to win handily by 7 to 4.

Oakland nosed out the Angels 5 to 4 in a terrific battle on the latter's playgrounds, with Roy Carlyle taking the credit for a good job of batting. He sent the sphere over the right field fence.

The Hollywood Stars drowned the Ducks under an 11 to 4 score at Portland. Errors by the Portlanders and timely hitting by the boys from movieiland accounted for the victory. A double header was scheduled for Friday and another double was set for Saturday to square up some games left from the first half. The usual Sunday two game bill will be played.
