The Salem Senators continued to top the Oregon-Washington baseball league Monday after trouncing the Wolfers All-Stars at Ollinger field Sunday afternoon, 6 to 2. Jack Meyers, pitching for the Senators for the first time this year, hurled effective ball, letting the Wolfers down with seven hits. Wolfers threatened in the eighth when they hit safely three times, scoring two runs.

The locals started the scoring in the sixth when Quinn crossed the plate on Sullivan's hit between first and second. In the fourth they put over four tallies. Meyers opened this canto with a hit to shortstop. Quinn then dumped one three feet in front of the plate on third strike and beat it out. Lamb sacrificed with a bunt. Meyers and Quinn taking third and second. Bigbee then sent one over shortstop for a single, scoring Meyers and Quinn. The infield was playing in too close. Sullivan got a Texas leaguer over first, Bigbee going to third. Hafenfeldt fanned and Billy staling second. Cloninger singled scoring Bigbee and Sullivan. Cloninger then went out trying to steal.

The Senators scored again in the sixth when Quinn came home on Lamb's triple after he had beat out a hit to Wolfers over near first base. The affair was quite peaceful. In contrast to the wild time enjoyed by all when the Longview Rangers appeared here the previous week.

## EUGENE BEATEN BY SILVERTON

Silverton—The Silverton American Legion Junior baseball team advanced one notch nearer the championship of the state when it defeated Eugene here Sunday afternoon, 10 to 1, in the first of a three game series. The second game will be played at Eugene next Saturday afternoon. If the locals take this contest a third will not be necessary. If Eugene wins, the third game will be played on neutral territory. Keber hit a home run for Silverton during the game.

**JUMPING BEANS**  
 El Paso, Texas (UP)—El Paso has the jumps these days. The reason is that 500,000 little jumping beans arrived here from Mexico to be sold as novelties.

## DIEGEL HAS COMPETITION FOR CANADIAN OPEN TITLE

The two Smiths—Horton and Mac—will be battling with Leo Diegel, the champion, for possession of the Rivermead cup, emblematic of the championship, in the Canadian open, July 25-27.

## Vance Has Indian Sign On Hack Wilson; Whiffs Chicago Hero 4 Times

Chicago (UP)—Dazzy Vance seems to be the bane of Hack Wilson's existence. Ever since the chubby Hack became a hero to Chicago, Cub fans, he has encountered his most mortifying moments when the great Dazzler was pitching—and now more than ever Vance seems to have the

Indian sign on the home run hitter. Sunday, Dazzy broke up a 27 consecutive game hitting streak for Hack and to make it more humiliating, the Brooklyn pitcher sent Wilson back to the bench four times via the strikeout route. It was the second time Hack four times that Dazzy had whiffed Hack four times, and Vance's showing against Wilson has perplexed Cub fans perhaps more than it has Wilson. Northside rooters point to the fact that Wilson is a "fast ball" hitter and if there is any pitcher whom he should hit it is Vance. Yet Dazzy uses a high hard one as his most effective pitch against the Cub idol.

Another puzzling point is the fact that while other pitchers once in a while "sneak" one over on Wilson for a third strike, Hack invariably goes down swinging against Vance. Yet Dazzy is one of the most adept pitchers in the league at disposing of a batter on a called third strike.

**WRIGHT LEFT BEHIND**  
 Brooklyn (AP)—Glenn Wright was left behind when the Brooklyn club left for the west and will be operated on this week by Dr. Whitman for the removal of a splintered bone in the ball player's shoulder. The Brooklyn shortstop will be unable to play for the rest of the season.

**THIRD CHILD ARRIVES**  
 Woodburn—Mr. and Mrs. Anton F. Hanauka are rejoicing over the arrival of their third child, a daughter and the first girl in the family. The young lady arrived at 12:15 Saturday morning, weighs 9½ pounds and has been named Dolores Agnes. Mother and babe are under the care of Dr. Gerald Smith.

**MUSICIAN ENTERTAINED**  
 Dallas—Mr. and Mrs. Elmer Kanten of Chicago and Mrs. Nell Link of Alflie were visitors of Mr. and Mrs. Harold Rich recently. Mrs. Kanten was formerly assistant to Paul Petre, musical instructor at O. A. C. She is now a prominent musician and has gained recognition among the musical circles in Chicago.

## DUCKS DEFEAT HOLLYWOOD SIX OUT OF SEVEN

By The Associated Press  
 A clean sweep of the seven game series they played against the Sacramento Senators, gave the San Francisco Seals a lead of 18 games and four lost in the Pacific coast league's last half of the season. The Los Angeles Angels were second in the standings after Sunday's doubleheaders, with 18 won and 7 lost.

The Seals won the morning contest 10 to 3, and in the afternoon 9 to 5. Both games were played at Recreation field—here. Backer wrecked out a homer in the morning fray, and Baker of the Seals hit one in the afternoon.

Los Angeles and Oakland split even in their two frays, the Oaks taking the opener 4 to 1, and the Angels the second 4 to 1. The odd game of the series of seven went to the Angels.

Seattle took five games out of nine for the week by winning both games of a double header from the Mission Reds in the northern city. They won the first 16 to 2 and the second 10 to 4. The Reds claimed the series, because two of the games were holdovers from the first half.

Portland made it six out of seven on the home lot against Hollywood. The first game went 13 innings and ended 7 to 6, while the second ended 9 to 3. In the second game, the Ducks staged a wild rally in the ninth inning to come up from behind with the required three winning runs.

## RANGERS TAKE SECOND PLACE

Longview, Wash.—The Rangers advanced to second place in the Oregon-Washington league Sunday by when they beat Montavilla here 5 to 4. Montavilla outgave the locals 10 to 6, but the Rangers watched the breaks to win. Score: Montavilla..... 4 10 3  
 Longview..... 5 9 3  
 Batteries: Traynor and G. Lamear; Cole and F. Brown.

Portland—Kelso emerged from its league position in the Oregon Washington league Sunday by beating the Mount Scott Tigers here 5 to 3. The deciding runs were scored in the fifth when two errors, aided by Anderson's hit, brought two runners home. Score: Kelso..... 5 8 3  
 Mount Scott..... 3 10 2  
 Batteries: Anderson and Beall; Clow and Mesinger.

## SALEM SENATORS TIGHTEN GRASP ON FIRST PLACE

The speaking screen is seeing significant development as the motion picture and stage are brought still closer together through a merging of their respective techniques. One fully expects to find extraordinary contributions to the new art of the "talkies" but one does not always expect to find such a totally new note in entertainment as that afforded by the Fox Movietone production "Hearts in Dixie" which tells its story largely through the use of singing and dancing, is fresh as a revere and impressive as grand opera.

## HEARTS IN DIXIE

Lovers of American spiritual and folk songs—they are legion not only in foreign lands—they will hear the finest examples presented for the first time from the speaking screen in "Hearts in Dixie." This story which is shot through with sparkling comedy, is an unprecedented novelty in that songs are used freely to further the action. As an added attraction with this bill, that is the current attraction at Bligh's Capitol, the management is offering a selection of several very wonderful Vitaphone acts, and the feature of the short subjects is a true reel all-talking comedy.

**MISS RICHARDS HOME**  
 Woodburn—Miss Rose Richards returned Sunday from Ione, where she spent the week at the home of Mr. and Mrs. Alfred Feller.

## Athletics Seem Sure Of American League Crown; Yankees Appear Through

New York (UP)—Major league teams Monday were speeding toward new battle grounds. The fourth intersection series opened with two preliminary battles Monday—Brooklyn at Pittsburgh in the National league and Cleveland at Philadelphia.

For the next two weeks eastern National league teams will battle along the western front and the western American league teams will invade the eastern front.

The third intersection series which closed Sunday just about crowned the Philadelphia Athletics champions of the American league and narrowed the National league race down to two teams—the Pirates and the Cubs. Seven games behind the league leaders, the New York Giants are virtually out of the race unless they show a startling reversal of losing ground in the west, as many had anticipated when they dropped three out of four games in the first series of the trip, at Chicago, the Athletics increased their lead over the Yankees to 10½ games.

With Babe Ruth out of the game for at least a week longer with an injured muscle in his groin and the pitching staff faltering, the Yankees apparently have shot their best bolt and are no longer a serious menace to Connie Mack's dream of just one more pennant.

The A's won 12 and lost seven in the west, completing the trip with four straight victories over the tough Tigers. The Yankees won 10 and lost seven in the west closing with a disastrous stay at Cleveland, where they dropped three out-of-five. Cleveland has the Yankees fixed this season, winning seven of the 10 games played thus far.

Fortune favors the Cubs in the National league race as the Pirates will be forced to carry on their drive indefinitely without their two greatest stars, Burleigh Grimes and Pie Traynor.

Traynor, who has won 16 games and lost two this season, will be out of the game for several weeks. He is held in the thumb on his right hand in the game against the Giants Saturday. Traynor, the club's leading hitter, also is out of the line-up with injuries.

**VACATIONING AT COAST**  
 Turner—Mr. and Mrs. George W. Farris motored to Toledo and Newport last week where they will visit indefinitely. Two of their sons and families reside there and are employed in the lumber mills and Mr. and Mrs. Farris will vacation with relatives. They planned to take a number of pleasant trips to different beach resorts while there.

Ty Cobb, the reports state, wouldn't mind buying either the Brooklyn or Philadelphia National ball clubs.

## U. S. DAVIS CUP FORCES MOVE INTO FRANCE

Berlin (UP)—The United States Davis cup forces headed for Paris Monday and the challenge round against France after conquering Germany in the inter-zone final, five matches to none.

William T. Tilden and Francis T. Hunter completed the United States triumph by winning the two final singles matches Sunday, Tilden beating Daniel Prentiss, 6-1, 6-1 and 6-4, and Hunter winning from Hans Moldenhauer 6-3, 1-6, 6-4, 4-6, 6-1. The United States will meet France in the challenge round at Roland Garros stadium Auteuil Friday, Saturday and Sunday for the second straight year. France retained the cup last year by winning four matches to one.

The United States clinched the inter-zone final Saturday when Allison and Van Ryn beat Prentiss and Moldenhauer in the doubles. In the two opening singles matches Tilden beat Moldenhauer and Hunter beat Prentiss.

## Lott to Replace Hunter As One of Davis Team

New York (UP)—George M. Lott of Chicago will replace Francis T. Hunter on America's Davis Cup team when it meets France in the challenge round at Paris Friday, the United States Lawn Tennis Association announced Monday.

The United States team will consist of Lott, William T. Tilden, John Van Ryn and Wilmer Allison. The latter two will form the doubles team. It is virtually sure, and Lott and Tilden will play the singles.

**SKITS AND SCRATCHES**  
 The "All-Stars" are living up to their name in one respect, at least. They appeared on the field Sunday, with no two of their suits alike. One or two more appearances against the Senators and we can christen them the "All-Suits."

Red Rupert, former prexy for the Albany Alcos, held down a bench. As the years roll by, Red becomes more portly and holding down a bench comes more appropriate for him. Change of leadership didn't seem to improve Wolfers' chances over the locals.

In celebration of four straight wins for the Senators, the grandstand has been given a coat of red. The American Legion is said to be responsible for the new coating. A nice batch of whitewash is being

stewed for Kelso and Longview when the Senators make their trek north.

Putting the outfield in shape for the Legion contest in August aided materially in the number of hits Salem garnered. The clouds have not been reduced to proper size, the soldiers evidently believing the outer gardeners should mow them down. Might put No. 19 shoes on Bigbee, Cloninger and Quinn and keep them moving between times. However, come to think of it, don't believe Bigbee could get a pair of No. 17's on.

A week ago Swartz, All-Star pitcher held Kelso to five hits in 13 innings; Salem got the same number in the third inning Sunday.

Quinn got away with one of Ed-wards' aunts. In the third inning he crossed them up by hitting on the third strike.

Roy Lamb made a nice stop of Olney grass cutter with his bare hand. He didn't have time to make the play at first successfully.

Jack Meyers, who came over from Pendleton, pitched his first game for the locals since early in 1927. He looked good Sunday, holding the runners to first as if they were glued there.

The Senators are sharpening their scaling knives for the "long hairs" next Wednesday evening.

## GRIMES OUT WITH INJURY TO THUMB

New York (AP)—Burleigh Grimes, ace of the Pittsburgh Pirates pitching staff, is suffering from a dislocated thumb on his pitching hand and probably will be out of the game for two weeks. A line drive from Bill Terry's bat struck Grimes on the hand on Saturday and forced him to retire from the game. Grimes has 16 games and last only two for the Pirates this season.

... on the lot it's ACTION!

... in a cigarette it's TASTE!

SOMEHOW YOU APPRECIATE that more with a Chesterfield.

Perhaps it's the extra fragrance—delicate, spicy, aromatic. Perhaps it's the mild sweetness, or the mellow richness and "character."

More likely it's all these, but so completely and smoothly blended and cross-blended, the standard Chesterfield method, that it seems no blend at all, but a single perfect tobacco.

In a cigarette it's taste; in Chesterfield it's "TASTE above everything"
