Old time dance Crystal Gardens every Wednesday and Saturday.

Boy Scouts from Toledo, Ore., have been occupying the "den" in the basement of the "M. C. A." during the night. Thursday night a "cover pulling" party was staged. Neighbors in the district trying to get a little sleep, reported the party a distinct success—for the boys at least. About Friday a troop of scouts from Cottage Grove arrived on the scene. The two outfits were taking advantage of the games in the boys' part of the building.

Quality used cars, Wood's Auto Service Co 545 Chemeketa St.

J. D. Clark, Portland, R. M. Atkinson, Twin Falls, Idaho, R. E. Sipp Baker and R. H. Baker entered pleas of not guilty Friday when they appeared before Judge Brantley in justice court to answer to a charge of carrying on a gambling game commonly known as "shooting krap". Ball was placed at \$250 in each case, which the men failed to furnish. A set of dice of the "7-11" variety, guaranteed to produce results for the owners, which it is alleged were being used by the quartet in their game, was the cause of the arrest. A deck of "ready" playing cards was found in possession of one of the men.

Blanket Special, Grey camp blankets \$3.50 and \$4 per pair. Pink plaid 5 lbs., \$6.25. Fancy plaids, all colors per pair \$10. Fringed auto robes \$4.50. This week only. A few men's suits to close out at \$20 and \$22. Come early. Thos. Kay Woolen Mills Co. 12th and Ferry. 190*

Despite large numbers of automobiles which packed the downtown streets during the afternoon and night, few reports of accidents had been reported at the police station. None of those reported were of a serious nature and for the most part damaged fenders was the extent of damage done. Basil J. Wallace, 404 University street, reported an accident with A. R. Wilson, 430 North Commercial street, which occurred at South 14th

and Mill streets late Thursday in which Mrs. Elmer Roth, riding in the rear seat of the Wallace car was slightly injured. Wallace claims Wilson was at fault in that he was exceeding the legal speed limit at the time of the collision.

One of the most interested passengers in the big tri-motored Standard Oil company of California cabin monoplane at the dedication of the air Thursday afternoon was J. N. Skafte, pioneer resident of the Willamette valley. Skafte was born in an immigrant train at Government camp at the base of Mt. Hood in October, 1859. When he was three days old he became a resident of the Willamette valley and Thursday he saw it for the first time from the air. The Standard Oil company of California plane rode much smoother than a prairie schooner, said Skafte.

Seattle banks in big merger. Seattle (AP)—Creation of the largest banking house in the Pacific northwest will be completed here Saturday if stockholders of 10 Seattle banks approve of a merger plan which will combine institutions with resources of nearly \$120,000,000. It was believed that capitalization of the new combination would be in excess of \$15,000,000.

The bank will be named the First Seattle, Dexter Horton National bank, information from an authentic source indicated, and will absorb four major institutions and six subsidiaries. They are the Dexter Horton National, the Seattle National, the First National, the Metropolitan National, the University National, First Greenwood National, First Canal bank, First Rainier Valley bank, First Security bank and the bank for savings.

Although not confirmed, officials of the new bank were believed to include: President, M. A. Arnold, president of the First National; chairman of the board, W. H. Parsons, president of the Dexter Horton National; James W. Spangler, president of the executive committee of the new board.

HERBERT SICHEL HEADS FUN ORDER. Herbert H. Sichel, of Portland, was elected grand chief de grade of the Elks club Thursday afternoon, succeeding Neil Morfit, of Astoria. Other major officers elected were Mair Gano, Marshfield, grand chief de train; H. E. McGraw, Vernonia, conductor and Rex Paribus, Portland, correspondent. C. W. Ardrey, formerly of Seattle but now of Indianapolis, correspondent nationale, spoke at the business meeting. A night street parade and a "wreck" at the fairgrounds completed the program.

5000 AIR MAIL LETTERS SENT OUT. Forty-five hundred or 5000 air mail letters will have been dispatched from Salem with the close of the American Legion state convention here Saturday night, in the belief of John Farrar, postmaster. Twenty-one hundred were sent out Thursday, while 1200 were on hand early Friday morning, with prospects of several hundred being added to the list before the final mail is worked for the day.

The air mail letters are given a special "working" here and are sent to Portland. From there those destined for eastern states are sent to Pasco, Wash., where they are transferred to mail houses.

The Legion and chamber of commerce made special cachets for the airport dedication. The event having been widely advertised in trade magazines of the east, the mails have brought a large number of self-addressed and stamped letters to receive the Salem cachets.

SUES FOR \$35,250 FOR AUTO DAMAGE. Suit for \$35,250 damages was filed in circuit court Friday against Arnold Christen by Catherine R. Florence, who charges the defendant with operating an automobile in a careless and dangerous manner.

The suit is the outgrowth of an automobile accident which occurred April 28, 1929, on the Pacific highway about a half mile south of Gervais. The car in which the Florence woman was riding was proceeding south at the time. It was compelled to stop suddenly and swerve to the left in order to avoid a rear-end collision with a machine immediately preceding it. It is claimed that Christen was following the Florence car at a distance in excess of 300 feet, but in spite of this fact his car struck the other machine, throwing the plaintiff from the front seat to the rear, injuring her about the spine, neck, hips, legs, chest and pelvis.

Of the sum asked in the suit, \$250 is for medical attention, the remainder being for personal injuries.

M. F. Becker, recently of Salem, where he was identified with the distribution of Whippets and Knights, joined the Perkins Motor company, Kelso, this week as office manager. Mr. Becker has been associated with Willys-Overland sales for several years.

SMOOK COOL UNDER GRILLING BY PROSECUTOR

Court Room, Columbus, Ohio, (AP)—The battle of wits between Dr. James Howard Snook, on trial for the alleged murder of Theora Hix, and Prosecutor John J. Chester, Jr., who was cross-examining Snook came to a sudden halt at 2:25 p. m. Friday when Chester broke off in what seemed to be the midst of his questioning, came to the defendant table and said, "he is your witness."

Dr. Snook had just completed repudiation of his entire alleged confession and of all statements taken from the transcript of his examination before the alleged confession.

Dr. Snook's re-direct and rebuttal examinations were completed at 3:27 p. m. and he left the witness stand with evident relief after having testified for more than 16 hours.

Chester opened the examination with a few scattering questions on lighter subjects which Snook answered with quiet, untroubled directness.

Of a sudden Chester shouted a pointed question on Snook's domestic relations and Snook's face grew flushed. His lawyers saved him from answering.

He told of his drive on the night of the murder with Miss Hix to the New York Central rifle range and in a moment had plunged into a description of intimacies which occurred there, as complete as a clinical report.

He repeated the story told yesterday of Miss Hix shouting in a frenzy "you've got to help me" and then committing an assault upon him causing him violent pain.

BODY OF BERGER TO BE IN STATE IN VICTORY ROOM

Milwaukee, Wis. (AP)—From noon Friday until 2 o'clock Saturday afternoon the body of Victor L. Berger, former Socialist leader will lie in state in the vaulted rotunda of Milwaukee's city hall tower, scene of so many of his party's victories.

A cordon of police will maintain a guard of honor beside the bier throughout the day and night, while other officers will direct the throngs of mourners as they pass through the black-draped halls.

The huge electric sign that beams "welcome" on the facade of the building was dimmed last night for the first time in months, and this morning the American flag was at half staff on the highest cable on the tower.

The report of the Americanism committee was made by Mrs. Harold Hershner of Hood River who reviewed activities of all of the organizations of veterans of the allied armies was also outlined and Mrs. Hershner recommended that the auxiliary subscribe to the Fidac official publication.

Girl Scout work, general committee work for hospitals, parks, clubs, libraries and health units accomplished by its local units were outlined by Mrs. Alice George of Eugene, departmental community service chief in her report. She recommended that each unit organize a junior girls project to further the spirit of sisterhood.

The publicity report was given by the state chairman, Mrs. Alice Cerony of Dallas. Mrs. Lena Stuart of Albany, gave the report of district three, Mrs. Stuart is district committee-woman.

The resolution which would set a uniform time for poppy sales for the entire state came in for consideration and was postponed until afternoon. The Portland unit favored a uniform date saying that they had found it difficult to explain why poppies were being worn on the Portland streets when their date, allowed by the city council, had not yet occurred.

A silent tribute was given Mrs. Ellen Elvers, first departmental president who passed away during the year.

The Salem quartet gave a group of vocal numbers during the morning session and additional entertainment was furnished by the Medford drum corps.

Mrs. Wilma Hoyal, national vice president for the western division, urged auxiliary members to study the question of adequate national defense in her address before the convention body Friday afternoon.

Pacific organizations were scored by the national auxiliary officer. Cooperation with the work of the American Legion and rehabilitation for hospitalized men after they return home were urged. Mrs. Hoyal left Friday afternoon for Yakima, Washington.

Nothing has been heard of the Swiss aviators since they left late yesterday afternoon for Lisbon, which they should have reached early this morning.

Le Bourget, France, (AP)—Fears for the safety of three Swiss aviators who left here Thursday afternoon for Lisbon on the first leg of a trans-Atlantic flight to New York were felt among officials at the airfield Friday.

Pilot Kaeser, navigator Tschopp and mechanic Lauscher, who have been flying only since 1927, planned to dare the difficult western crossing of the Atlantic despite their few years of experience in flying.

Nothing has been heard of the Swiss aviators since they left late yesterday afternoon for Lisbon, which they should have reached early this morning.

STRANGER SHOTS MAN AT LUNCH STAND. Los Angeles (AP)—For five cents a stranger shot and critically wounded George Engell, a lunch stand operator, Thursday night.

"Give me a cup of coffee," demanded the stranger. Engell complied. "Now try and get your nickel," the man sneered.

The proprietor reached for the cup to take it back. The stranger pulled a gun and fired, the bullet entering Engell's stomach. Hospital authorities said he has little chance of recovery.

Auxiliary Does More For Hospitalization Than Legion, Claim

The American Legion auxiliary is doing 10 times as much toward the hospitalization program in Oregon as the Legion, outgoing department commander, Ben Fisher of the Legion told the auxiliary when he addressed the department convention here Friday morning. A plea for continued cooperation with the Legion work was made by Commander Fisher. Dr. C. A. Carter, of the veterans' hospital staff in Portland, highly complimented the women of the auxiliary on the work they have done at the veterans' hospital during the past year.

The report of the department hospital chairman, Mrs. Georgia Weber of Portland, was one of the highlights of the Friday sessions which were devoted entirely to officers' and committee chairmen's reports.

Recommendations that the loan system, the supply closets, and the relief plan be continued, that local hospital chairmen serve for two years, that Christmas gifts for the veterans be of uniform valuation, and that local units do not use their own names in the presentation of articles for the hospital, were made by Mrs. Weber at the close of her report.

The American Legion auxiliary of Oregon spent \$7,837 on its hospital work during the past year. Sales given by local units netted \$412,40 for hospital work, reported Mrs. Weber. The department chairman maintains her own desk at the veterans' hospital and spends most of each day at the hospital. The auxiliary sells articles made by the disabled veterans.

Legislation that would permit emergency cases to receive attention at home which would be paid for by the government was recommended by Mrs. Weber.

The American Legion auxiliary in Oregon has a membership of 4206 reported Mrs. King Bartlett of Salem, state membership chairman. This number lacks 278 names of reaching the quota set for Oregon by the national organization. Forty of the 78 units in the state reached their quota, said the report. The gain for the year in the state was 113 members.

The Oregon department Friday morning passed a resolution presented by Mrs. Carl E. Wimberly of Roseburg, department legislative chairman, approving and endorsing a bill which will provide for the education and vocational training of Oregon's war orphans. This is practically the same bill which was drawn up by the Legion last fall and presented to the 1929 legislature where it died in committee. The resolution also recommends that attempts be made to obtain scholarships for Oregon war orphans either from Oregon educational institutions or through gifts from individuals.

The report of the Americanism committee was made by Mrs. Harold Hershner of Hood River who reviewed activities of all of the organizations of veterans of the allied armies was also outlined and Mrs. Hershner recommended that the auxiliary subscribe to the Fidac official publication.

CONTEST OF DRUM CORPS NIGHT EVENT

The rat-a-tat, boom, boom, that has resounded through the Salem streets all day and nearly all night for the past 48 hours will be concentrated on Olinger field at 7 o'clock Friday evening when the annual drum corps contest for the state championship will be staged. The 10 competing drum corps will be allowed 15 minutes each on the field, and according to the rules of the contest, they must play and march at least two-thirds of the time. Baker drew first place in the contest and the other nine contesting corps will play in the following order: Bend, Portland, Corvallis, LaGrande, Marshfield, Eugene, Cottage Grove, Enterprise and Medford.

Salem, state championship winners and national contest second place winners last year, will not enter the competition. The exhibition contest will give an exhibition drill at the close of the contest.

The Albany Legion band will play preceding the contest. Dave Shade, of Salem, will take charge of the starting and stopping and timing of the competing corps and he promises that the affair will be put through without interruptions.

The competition is in charge of the state drum corps committee which includes Ted Baker of Medford, chairman; Dave Shade of Salem, Mutt Williamson of Medford, Ben Davis of Marshfield, and Ed Luther of Portland.

The playing on the streets during the convention has been furnished entirely by the competing drum corps, by bands from Albany and Sheridan, and by two Boy Scout drum corps from Cottage Grove and Toledo.

H. I. McKinsey, Independence, reported to the police Friday that his car had been stolen Thursday night from a parking space on North Capital street.

A driver for the Appleton Fast Freight truck line paid a \$1 fine in police court Friday when he was found guilty of blocking an alley with his machine.

Telegraphic greetings were received by the convention Friday morning from William H. Griffith, department commander of Massachusetts, assuring a welcome in Boston and the entire New England district if the 1930 national convention is held in Boston. Los Angeles is also seeking the convention next year. Mayor George L. Baker, of Portland, also wired greetings to the Legionnaires.

The Barbara Fritchie tent No. 2. Daughters of Union Veterans of the Civil war, said it with flowers Friday morning when they presented corsages to Mrs. Jessie Kelly, the Oregon auxiliary president, and Mrs. Wilma Hoyal, national vice president, who is a guest of honor during convention. The presentation was made by Mrs. Mary Estren and Miss Julia Webster, two members of the Salem organization who are past presidents of the state organization of the Daughters of Veterans.

Jerry Owen of Portland, editor of the Legionnaire is the only man honored with a place on the speaker's platform at the auxiliary convention this year. And Jerry didn't look like he was enjoying the honor but he did make a gracious little speech.

The Auxiliary women received an invitation Friday morning from the California Auxiliary to attend a department meeting in Los Angeles in 1930.

Judge Jacob Kanzier of the domestic relations court, Portland, in an address at the auxiliary convention sessions Friday afternoon on "Opposed Legislation" urged the furtherance of child welfare work. Judge Kanzier stated that there are 35 beds at the Doernbecher children's hospital in Portland which are not in use due to insufficient funds to carry on the work, although the names of 100 children remain on the waiting list.

When Mrs. Elsie Graham of Portland, completed the reading of her report Friday afternoon as child welfare chairman for the department, Mrs. Jessie Kelly, president, closed the convention session stating that Mrs. Graham had even gone so far in her work as to give her own blood to save the life of an indigent child when the case came under her jurisdiction last winter.

POLICE CHIEF IS KILLED BY ROAD OFFICERS

Chicago (AP)—Chief of Police Theodore Schutte of Elmwood park, a suburb, was shot and killed by Cook county highway police Friday after he had terrorized ten couples in a roadhouse with a pistol.

Schutte's death ended a wild night of carousing, according to officers of Morton Grove station and persons in the roadhouse.

A woman's frantic appeal for assistance was telephoned to Morton Grove station from Sans Souci roadhouse nearby.

Women cowered in corners, shrieking. Men sought refuge under tables.

The officers called to Schutte to "drop that gun." He replied with bullets.
