Have You An Acid Stomach?

When you pain and distress follow a good meal, it is almost sure sign of "acid stomach" in your stomach. Get rid of it now for it is dangerous. Ulcers are apt to follow. No matter how much acid is in your stomach, you can enjoy and retain your best food without fear of after effects, if you have some Bismarck Magnesia to neutralize the acid, soothe your stomach and protect the stomach lining. Doctors recommend Bismarck Magnesia—thousands use it because it positively prevents stomach trouble, stops the worst attack in less than five minutes. Get a trial package, either powder or tablets, from your druggist, use as directed, and indigestion and stomach troubles will go the way of the wind.
