

FORUM VOTES PRUNE DISPLAY FOR BIG FAIR

Dallas—At the regular weekly meeting Wednesday the Commercial club voted to secure several boxes of Polk county prunes, either by purchasing them or donations, to put on display at the annual county fair.

Riley Croven and N. L. Guy were appointed a committee to devise means of accepting the offer made by the W. F. Fuller company that is that it will give five gallons of paint free to the city that will accept it.

The Standard Oil building is air-marked but the club wishes to take advantage of the free paint offer and paint an air-mark on another building.

Are you giving your child the right chance?

The physical welfare of the child is being lost when attention by school authorities.

Failure to keep up with class work and absence from school is probably due to nervousness and a run-down condition that may be traced to a deficiency in red-blood-cells.

Do you not marvel when thinking of the inward physical workings of your child—bone, flesh, muscle and brain growing each day—building on toward manhood or womanhood?

Rich, red blood builds and sustains

Of course it is the blood stream which carries the millions of tiny red-cells to all parts of the body. And it is the healthy, rich, red-blood-cells that does this building, warding off disease and making for strong and healthy bodies.

When a child's appetite wanes or he loses weight, the complexion becomes sallow or pimples and boils appear—then you instantly know that the inward mechanism is not working properly—that a good blood tonic is required.

S.S.S. builds sturdy health

In such cases S.S.S. is the proper tonic. It is made from fresh vegetable drugs—therefore will not harm the most delicate system. It improves the appetite and restores the red-blood-cells to normal; lost weight is regained; skin eruptions clear up and color returns to the cheeks.

Give your child the right chance to develop. You will not regret it in later years.

For more than 100 years, S.S.S. has been helping children and their elders regain strength and vitality.

All good drug stores sell S.S.S. in two sizes. Ask for the larger size. It is more economical.
